SHIVAJI COLLEGE

UNIVERSITY OF DELHI

Accredited by NAAC with 'A' Grade

Shivaji College, a constituent college of the University of Delhi, is a prestigious co-educational institution that offers various courses in all streams; be it Humanities, Science or Commerce at undergraduate or postgraduate level. It also offers a self-financed bachelors degree in B.A. (Hons), Business Economics and 3 post-graduate courses. The college has completed more than 50 years in the field of education and despite all the odds, aims to soar higher and set new milestones.

The faculty encourages the students to go beyond the classroom learning and aim for holistic development, enabling them to become socially responsible individuals and prepare them to enter the dynamic world. All kinds of facilities are provided to the students like a placement cell, a library with a very rich collection, opportunities in sports, a comfortable and cosy cafeteria, well-equipped laboratories, banking facilities, an alumni club, vibrant cultural societies & departmental societies and many more.

Shivaji college has been a recipient of “GOOD PRACTICE AWARD” in Antardhwani 2013, an annual festival that witnesses participants from all the constituent colleges of Delhi University. The college celebrated its Golden Jubilee in 2011 complemented with an International Conference on “Science, Spirituality and Humanity: Transcending Discipline Barriers”. Apart from this, the university takes great pride in its teaching faculty with a lot of “Best Teacher” Award winners and some acting as Visiting Faculty and Researcher in foreign universities as a part of Faculty-Exchange programs. The college has also organized seminars and workshops to enhance the practical and technical skills of its teaching and non-teaching staff.

PLACEMENT CELL

PLACEMENT CELL
SHIVAJI COLLEGE

Placement Cell of Shivaji College is one of the many blocks that helps college to achieve its objectives. The cell coordinates not only the recruitment of the students but also organizes various developmental activities which help in personality grooming and also gives them a platform to express themselves and enhance their soft skills. It focuses not only on Placements, but internships and skill enhancement of students as well.

Placement Cell has always worked with two missions in hand- to provide the best placement and internship opportunities and to enhance the skills of students to make them eligible for the best jobs out there. The workshops range from making basic career choices to prepare for specific examinations or development of skills to get them through the interviews. Thus, Placement Cell has ensured, time and again, to support the students of the college in helping them craft their careers.

Vision & Mission

The Placement cell of Shivaji college has launched Career in Arts, a sector that aims to provide the students stable career options in this less chosen fields. From photography and graphic designing, to acting and other diverse fields in the sector, the cell aims to promote career in the field of arts by collaborating with various cultural societies of the college.

Placement Cell also collaborates with other colleges for placement drives with an aim to provide more opportunities for students as well as recruiters. The cell intends to provide a wider platform to students so that they obtain access to maximum oportunities.

PLACEMENT COMMITTEE

Every year the Placement Committee has faculty members from various departments who are well versed about the needs of the students and understand the corporate world and career objectives. The student coordinators work closely with faculty members and have a crucial role to play in the working of the cell. Apart from collecting data and information about different companies and opportunities available, they are the connecting link between the companies and the students.

Placement Cell consists of the President, Vice - President, Secretary, Team Heads, Core Members and Placement Coordinators. They ensure that there is a constant flow of internships and jobs available for the students and they can avail these in a smooth manner.

The various teams of Placement Cell are:

Recruitment Team - In charge of connecting to and contracting companies for placements.

Internship Team - In charge of connecting to and contacting companies for internships.

Public Relations Team - In charge of handling sponsors and speakers for various events and work on the image on the cell.

Editorial and Social Media Team - In charge of the writeups, newsletter, reports and social media channels of the cell.

Designing Team - In charge of designing content in the form of graphics and videos for all social media channels.

Event Management Team - In charge of managing events of the cell and recruitment drives with various companies.

COURSES OFFERED

INITIATIVES BY THE CELL

WORKSHOPS AND WEBINARS

The Placement Cell organises various workshops and webinars to enhance the knowledge of the students. We have taken up important topics like virtual interviews, group discussions, resume building, guesstimates, job market post covid, etc. We are constantly working to organise more enriching sessions.

ADD - ON COURSES

We understand how valuable new skills are and thus, we have add-on courses in French and German languages and another course on legal awareness. In the session 2020-21, the legal awareness course was taken up by more than 100 students.

PLACEMENT PORTAL AND RESUME BUILDER

The Placement Cell has its own portal through which students can browse through and apply for jobs and internships in one click. We also provide a resume builder facility where students can add their details in a set format and download their resume hassle-free.

INTERNSHIP AND JOB FAIR

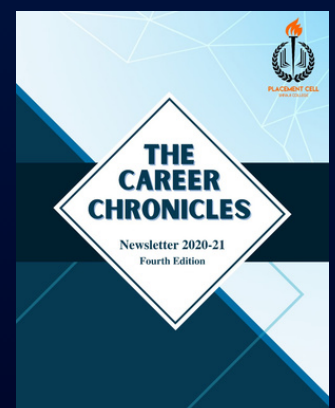

We hold an annual internship and job fair to further bridge the gap between students and recruiters. In the previous session, the fair was attended by more than 850 students and 65 companies. We also had 30 plus sponsors and partners.

NEWSLETTER

We release our annual newsletter "The Career Chronicles" with an objective of providing necessary information and tips to students about academics and career paths. It provides insights into some various career related topics through carefully researched, written and curated articles.

CRESCITA '21

The Placement Cell of Shivaji College held its Internship and Placement Week, CRESCITA'21. This year, the Placement Cell conducted the fair for a week. CRESCITA'21 was held by the cell in virtual mode. Around 10 to 12 companies were a part of CRESCITA'21 every day. Spanning over a duration of 5 days, the event had over 65+ recruiting companies, 30+ sponsors, and 650+ candidates. CRESCITA'21 was kick-started with an inaugural ceremony on 31st March, led by our esteemed guests Mr. Prakhar Singhal and Ms. Neetu Singhal. The fair commenced officially on 1st April and continued till 5th April. The Cell welcomed deemed companies and students from various colleges in CRESCITA'21. In this highly competitive world, internships and work experience have started playing a major role in every students' career path. At the placement cell, we did our best to provide such growth opportunities to students and make our internship and placement fair a success.

COMPANY GUIDELINES

1. Under the following circumstances, the Placement Cell provides the students with the liberty of choice. The decision of the student shall be considered final.
 - Placed students shall be eligible to appear for interviews of esteemed/dream status companies offering a higher CTC.
 - Students may get multiple offers due to non-disclosure of results in time by companies.
2. The Placement Cell does not accept CTC less than 3 LPA and any request for deviations shall not be accepted.
3. Once the offer letter is received, the placement cell ceases to be the point of contact between the student and the recruiting company.
4. The Placement Cell should be notified of all the prerequisites of any internship/job in advance.
5. The Placement Cell would like to apprise that no change can be made in the CTC or the profile offered to the student, which operates against the student's interest, after the appointment.
6. The recruiting company must disclose a tentative duration of the recruitment drive. (This is to be disclosed as students may apply elsewhere due to non-disclosure of results within a reasonable time-frame by the companies)

COMPANY GUIDELINES

7. The company is required to provide the following details about any internship/job opportunity.

- Name of the Company
- Company Website/ LinkedIn
- Name of the Profiles Offered
- Job Description
- Eligibility (Courses, Years)
- Duration
- Location
- Perks
- Stipend/Salary/CTC
- Joining Date

8. It is mandatory for the recruiting company to inform the placement cell about the number of students selected (if any), along with their names via email after the recruitment drive has been completed.

If the market situation necessitates a revision in the Placement Policy, it will be done in a manner so as to maximize the benefit to the student community & company as a whole.

STUDENTS GUIDELINES

- Placement Cell student coordinators hold the sole right to management of placement and internship affairs.
- Students will stay in touch with Placement Coordinators to access opportunities and resolve any queries.
- It is mandatory for all applicants to concede to the further process of Placement or Internship after application.
- Inability to complete further tasks after application or absence from the interview process will result in debarment from further applications for 3 months.
- Apply for internships only after going through the company profile, job description and necessary details.
- Avoid applying in a company, if you do not wish to take the internship forward.
- Inform the Placement Cell about any kind of professional or personal conflict that might occur between the firm and the student.
- Students are required to behave in a respectable manner with company officials and Placement Cell Coordinators.
- Any sort of misbehaviour/complaints reported by the company against the student will be taken seriously and if proven, the student will be blacklisted from future campus placements/blacklisted.

TESTIMONIALS

DIVYA AGARWAL

Placement cell has given me a lot to learn and experiences. Most people think working in a placement cell is some serious work-to-do, however, it is quite the opposite. This is the most amazing thing about this place. It is via between college students and the corporate world, it is filled with enthusiasm and enjoyment. Students working in this society learn how to be committed to work at the same time ensuring everyone is having a good time working here. This was one of my best experience since I joined Placement Cell, rest is history.

SRISHTI JAIN

It's been an immense pleasure and fortune to be a part of the Shivaji family. This college not only provided me 3 great years of learning but indeed a lifelong helping experience of holistic growth and development. The faculty here not only made you learn about the academics but also give you some wholesome personality development exposure. Shivaji college has well equipped departments for every field be it academics, extra-curricular, sports or anything else. It's because of this institution and the great teachers as well as societies here due to whom I got placed before even having my final semester examinations. My life at Shivaji made me stronger and took me a step ahead to discover my potential. This place will always hold a dear place in my heart.

ANKITA MISHRA

My three years in College were great and a memory to cherish for a lifetime. It was full of learning and grooming oneself. Placement Cell had a profound impact on my personality during those days. Being with the smartest mind of our College has impacted me constructively which helped me to further shape my career. The most important skill which I have learned in these two years is communication skills, the fundamental and pivotal skill of this decade. As a student placement cell has helped me to enhance my skills to stand out of the crowd in job Markets. I have received great support from faculties & the Placement Cell. I am thankful to the Training & Placement cell for providing a platform to enhance my skills and an opportunity to showcase them.

RHEA JOLLY

A journey started in 2017 and somehow abruptly ended in 2020. My college life is almost incomplete without the mention of Placement Cell. The cell which is usually recognised to provide job opportunities gave me a platform to make a mark for myself. The three years of working in a team; from learning the insights of the corporate to giving the knowledge to the juniors, holds a special space in what I am today. The valuable lessons learnt while being its member forms a good part of my personality today.

ROSHITA JAIN

Placement Cell was the first society I joined in my freshman year, and it remained with me until graduation. This one society has exposed me to a variety of people, situations, and working styles during the course of my three years here. It has helped me grow as a team member and a leader by providing me with opportunities to learn and prove myself, from coordinator to PR Head to Vice President. I've learned how to create relationships, maintain a professional outreach, and a whole new set of abilities that will always be useful. This platform has taught me the value of patience and quick thinking. This road was full of highs and lows, but it has given me a lot of confidence and memories, as well as a wonderful team who has helped me grow and improve.
