# Reflections from the Principal's Desk

**Prof. Shiv Kumar Sahdev**  
Principal

"The ignited mind is the most powerful resource on earth" said Abdul Kalam, our former President. On this wonderful occasion of the Diamond Jubilee Year of Shivaji College, it gives me immense pride to retrospect on all our numerous achievements through the decades.

Imbued in the high values of a well rounded education at Shivaji College, we celebrate the achievements of our students, faculty and our beloved institution in this newsletter, a bi-annual endeavour of the college. This is a record of all our activities during the academic semester January-May 2021, as well as the accolades and memorable moments that add colour and nostalgia to the multifaceted nature of life in this institution.

It has been an exceptionally challenging semester, but I commend the sheer hard work and enthusiasm of all Shivajians, who have joined hands with me to be warriors against Covid 19, emerging winners. We have organised webinars, online events, debates and competitions, initiatives of committees and societies such as Cultural Committee, Enactus, Spade, Placement Cell, Entrepreneurship Development Cell (EDC) and Finance and Investment Cell (FIC). We have maintained our belief in community outreach and selfless service through the activities of the National Service Scheme (NSS), National Cadet Corps (NCC), Eco Club, Equal Opportunity Cell (EOC) and Women's Development Cell (WDC). Committees

like the newly formed Centre For Promotion of Inclusivity (CFPI) represent the spirit of the college, where we welcome individuals from all backgrounds, communities and orientations. Academia during the pandemic crisis has continued with passion and fervour. We have shifted to digital platforms and knowledge exchange has been consistent through interactive online classes and regular mentoring of students at every level.

Success and achievements are to be celebrated. If you believe in yourself, you can do something

extraordinary in life and 'make things happen' and live a life unshackled by fears. I believe that achievement, of whatever kind is, the crown of effort. With the aid of self-control, resolution, purity of purpose and well-directed thought, a person will excel, in spite of all odds.

Stay safe, stay connected.

Jai Hind

## ENVIRONMENTAL STUDIES

The Department of Environmental Studies has been constituted to provide compulsory environmental science education to all the undergraduate courses since 2014. Apart from theory classes, field work is the key component of the course where students get practical exposure to natural and man-made environments and learn to understand the impact of human activities on the environment.

Recycling of waste is the key component of solid waste management. More than half of Delhi waste

ends up in landfill sites. These landfill sites are already saturated and therefore for effective solid waste management, waste generated needs to be recycled at the source. To reduce the waste generation, Department of EVS recycle waste paper generated in the college. During the current academic session November 2020- March 2021. Department organised demonstration-cum-training programme of waste paper recycling for students of BA (Prog.) Sem-1. Students participated and learnt the art to recycle the waste paper. Students recycled 10 kg of waste paper during this exercise. A total of 25 sheets were made by students.

## PHYSICAL EDUCATION

The COVID-19 pandemic has forced an unprecedented global shut-down. But the department of Physical Education at Shivaji College planned and implemented various online sports activities to keep its students healthy and fit throughout the session. Some of these physical activities are listed below:

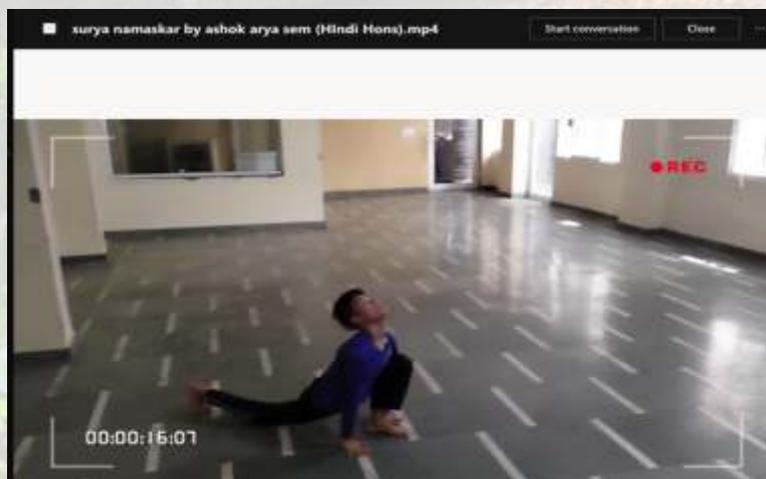

- **YOGA ASANAS/POSTURES (Dated: February 19, 2021)**

An asana is a body posture, originally a sitting meditation pose, and later extended in hatha yoga and modern yoga as exercise, to any type of pose or position, adding reclining, standing, in verted, twisting, and balancing poses.

The students of semester II were taught and trained various such poses via on line mode and on achieving perfection, the performance was recorded.

- **Sports Specific Drill using Props (Dated: March 26 , 2021)**

Physical Education is an integral part of students at Shivaji College. To develop agility and neuromuscular coordination in our students, the department trained them with various interesting sports related drills using props. The practice was taken on a regular basis for students of semester IV via online mode and once the student attained perfection, the performance was video recorded.

- **Leadership Training (Dated: April 28, 2021)**

It is important for students to experience leadership opportunities so that they can display effective communication, self-confidence and interpersonal skills. The department gave its students of semester IV an exposure to be a coach and organise a teaching/ training class on their own. The demonstration of the same was video recorded and presented.

## PHYSICS

- The Department of Physics organised a one day online workshop for 4 students of B.Sc. (H) Physics IV Sem to celebrate the National Science Day at Inter-University Accelerator Centre on February 28, 2021.

## ENACTUS SHIVAJI

Enactus Shivaji conducted its two ongoing projects, Project Bandhani- related to the tie and dyeing of the dupattas by the rural women. Another on-going project is Project SaNa- which includes producing reusable sanitary napkins, ensuring women hygiene, and generating employment. This year, the committee took up a new project, Project M, where M stands for mushroom, mycelium and manure. The project includes cultivation of mushrooms from stubble and then growing Mycelium as a substitute of plastic and also using all the waste product to produce organic manure and thus, engage in zero waste production.

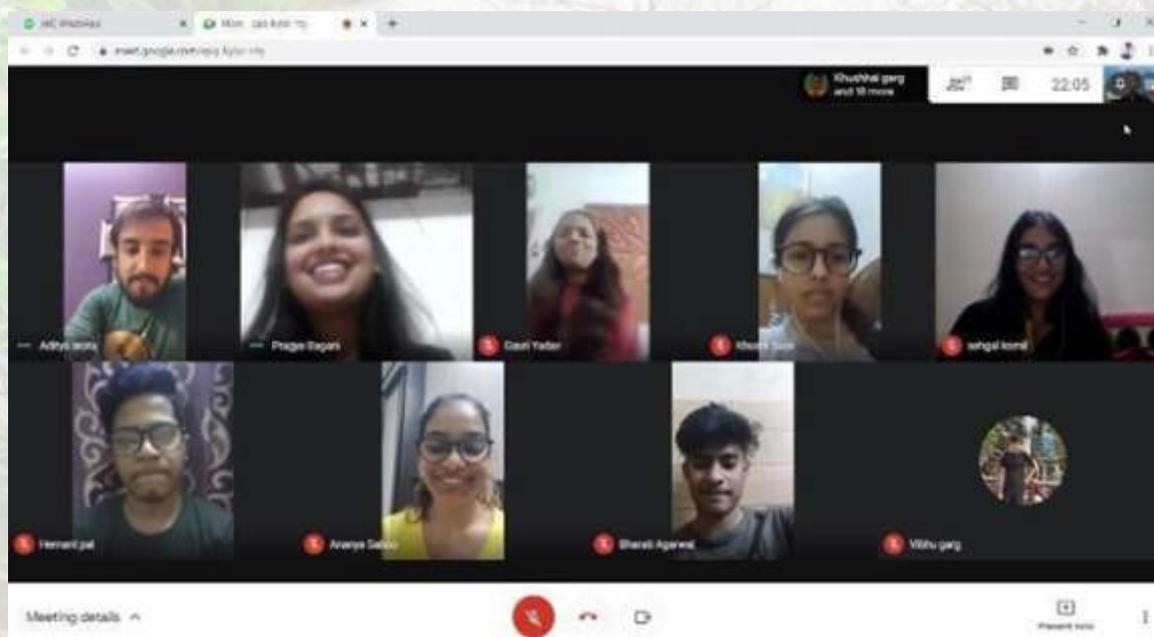

On May 28, 2021, Menstrual Hygiene Day was celebrated with an awareness campaign on Instagram. The campaign included First Period story - Boy's Edition, Degendering Menstruation, Campaign on #MahavariInMahamari.

In April 2021 the team took part in various competitions: B-plan Competitions organised by Entrepreneurial Development cell of Shivaji College, Tadbeer B-Plan competition of Advitya 2020, Enactus JMC, and Impresa'21: Miranda House, Vichar Haat ABV IITM.

Enactus Shivaji organised AVENSIS 2021 B- Plan Competition on April 30, 2021. AVENSIS this year had two different competitions, for new projects and for established projects. The first competition was judged by Mr. Ashutosh Kashap, Founder WhiteWhale and Mr. Shailendra Singh Founder CEO Sustain Mantra, and the second competition was judged by Mr. Saurabh Nanda Director SN Mentoring and Mr. Iesh Pratap Singh Founder & CEO of Winning Edge

Enactus India organised a competition 'Passion on Purpose' Month in April. Enactus Shivaji won the competition amongst all Enactus teams by having the most number of views on its video.

In March various mentorship sessions were conducted under the guidance of Mr. Aditya Arora, CEO FAAD Network and Mr. Bidyut Chakraborty, Director, Mining and Metals Advisory at KPMG India.

**CENTRE FOR PROMOTION OF INCLUSIVITY (CFPI)**

**Activity 1: Orientation Program**

The Centre for Promotion of Inclusivity (CFPI) was constituted in January 2021 to provide a platform for deliberating on social issues and identities that subject people to various forms of inequities. CFPI organised its first event Online Orientation Program on January 15, 2021. 119 participants attended the event.

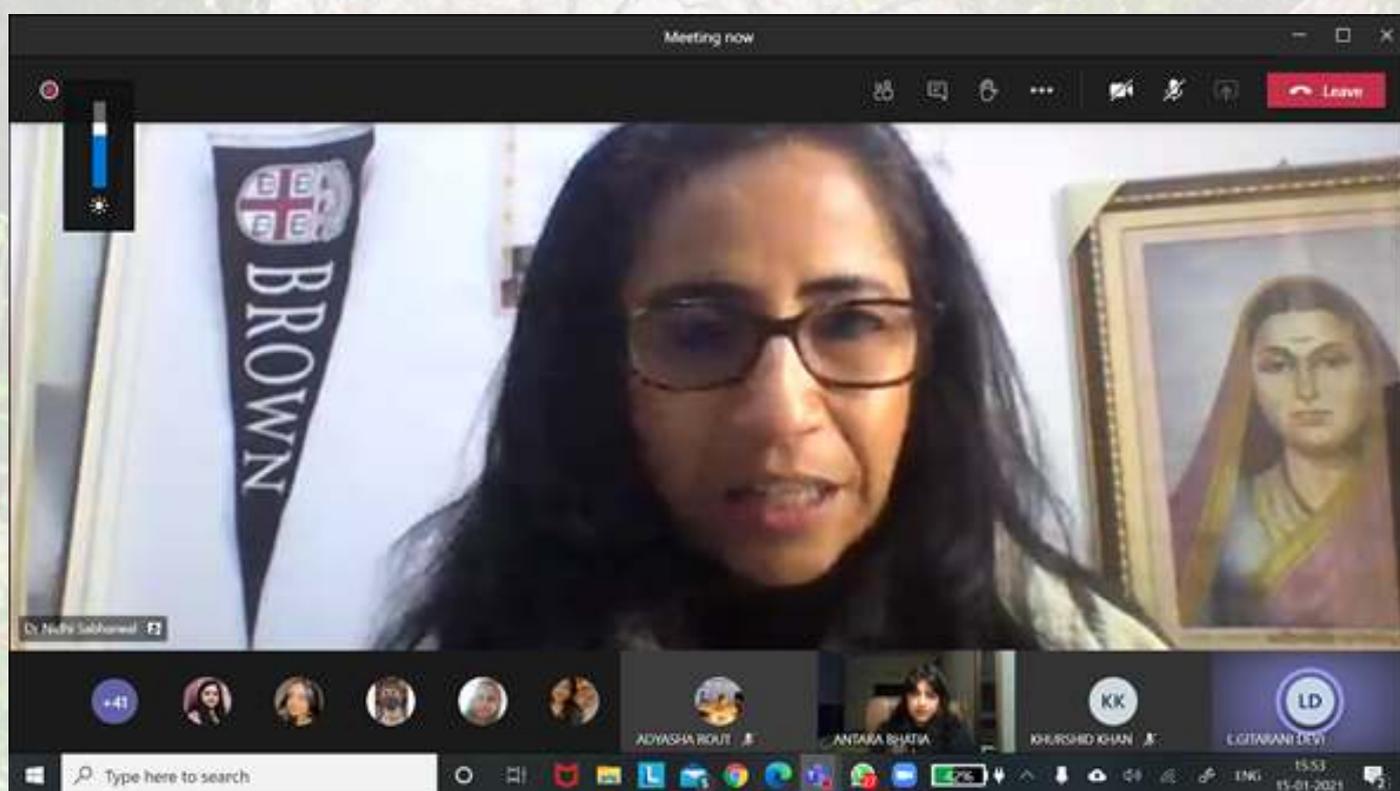

The event commenced with a short video prepared by the student representatives highlighting the various forms of discriminations and insensitive remarks.

The Guest Speaker of the event was Dr. Nidhi S. Sabharwal, Associate Professor and the In-Charge at the Centre for Policy Research in Higher Education (CPRHE), National Institute of Educational Planning and Administration (NIEPA), New Delhi. She spoke on the topic “Student Diversity, Equity and Inclusion in Higher Education in India.” There were 119 participants in total.

Dr. Nidhi S. Sabharwal

**Activity 2:** Zero Discrimination Day (Twin Year Celebrations) was celebrated on March 1, 2021 by initiating an Online Campaign on social media where students were encouraged to stand for Zero Discrimination by 'Ending Inequalities' (Theme for year 2021). A poetry enactment video on 'Zero Discrimination against Women' (Theme for year 2020), was released on the Centre's social media platform and a new theme was launched for the social media on the same day.

**Activity 3:** An Instagram live was conducted on of March 8, 2021, International Women's Day. Presidents of Women's Development Cell of Shivaji College and Deen Dayal Upadhyay College were invited to have a candid conversation with them, for sharing their experiences etc.

'Among Us, With Us' (Exclusive Stories from Our Inclusive College), an initiative was launched to invite entries from students of Shivaji College to share their struggle stories and how they overcame it.

These stories will be shared on Centre's website which will be launched soon. This initiative is to celebrate the courage and resilience of the students and to motivate others from such inspiring stories.

World Cancer Day was celebrated by releasing a video featuring our students and informing what little could be done to make the world free of cancer. Discrimination on the basis of chronic ailment was the main point of focus taken up by the Centre on this very specific day.

**Activity 4: SWIKRITI 2021 - The Annual Diversity Fest**

## FINANCE AND INVESTMENT CELL (FIC)

The Finance and Investment Cell organised its Annual Finance Fest, FINANZEN'21 on February 22, 2021. The event witnessed a participation of more than 800 students from all over Delhi University and other prominent colleges of India as well. The whole team of FIC Shivaji, brought up creative ideas to be represented through all the games. Various online platforms were used to make this event successful.

The competitions were based on the advanced thinking and skills required in a present-day student. These are designed to inculcate proficiencies that will be fruitful to achieve real-life experiences. The events were Jack of Trades, Howzzat, Finquest, Minecraft, and an Online Trading Simulation.

The fest commenced with The Webinar on 'FINTECH- Self-Driving Money' hosted by Mr. Sougata Basu, the CEO and Founder of CashRich Investment Application and Former Manager at TATA Steel. The online seminar overlaid the Career Opportunities and Overview of Fintech, embracing techfin, along with Robo-Advisory. The vital fragment was Managing Money for future transformation. The speaker shared the present-day investment planning and the need for it at this early stage. This caught the sight of around 14000 people and perceived a participation of around 150+ students from the college as well as many premier institutions. This competition comprised of an online Mock stock and aspired to create an atmosphere of Live Trading as experienced in real-life at the Stock Exchanges. Though it was casted on the virtual mode, the team left no stone unturned to make it feasible and successful. The overall response was favourable and encouraging for the team. The event witnessed a reach of about more than 8000 people and around 200 teams participated.

The Finance and Investment Cell organised an online cricket auction contest named 'Howzzat' on February 22, 2021. The purpose of this contest was to give a real-life experience of auction houses to the students at the college level. Presenting an auction on the virtual platform was a tedious task, nevertheless the team managed to pull that off exceptionally. The event witnessed a reach of about more than 6000 people and around 120 teams participated.

The advertisement is for "FINANZEN'21 The Annual Finance Fest". It features a cricket theme with a silhouette of a batsman and a stumps graphic. The text includes:

The Cell also organised two other events named 'Finanzen'21' and 'Minecraft'. The aim of these events were to sprout entrepreneurial skills in students at college level. The foundation laid on the mining of ideas and setting up a factory. The core of the business setup was the theme of the event. The event witnessed a reach of about more than 8000 people and around 150 teams participated.

The slide features a blue background with a white silhouette of a person's head and shoulders, and a white hand reaching out towards a pair of handcuffs. On the right, a video feed shows a participant named Preeti Tewari, who is identified as the "Co-host". Below the video feed, the name "Harjeet Singh" is visible. At the bottom of the Zoom window, there are controls for "Mute", "Start video", "Share", "Close", "Participants", and "Chat".

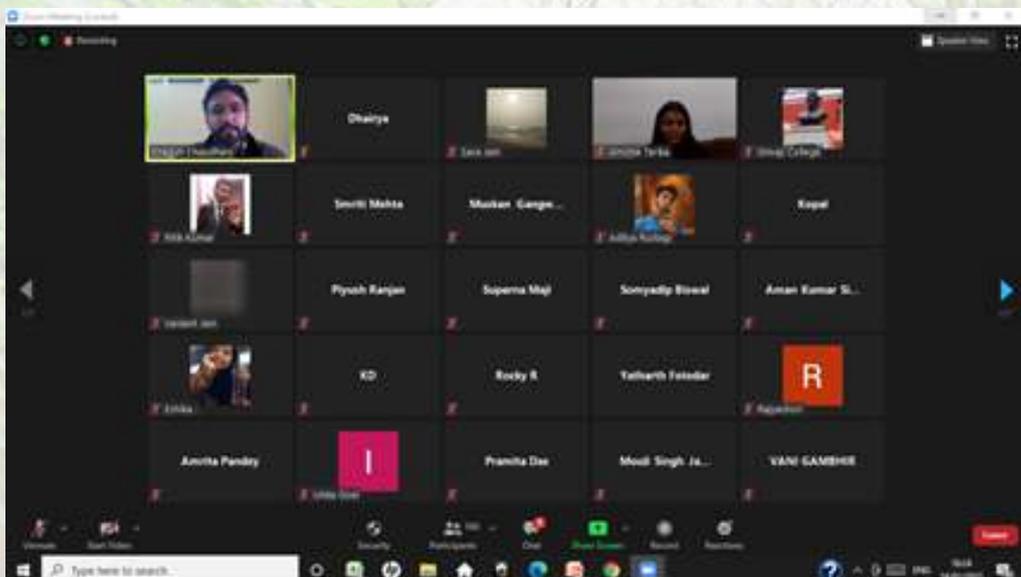

The screenshot shows a Zoom meeting interface. The main content is a slide titled "Forge Master". The slide contains text and several images of forged documents. The text on the slide includes:

- What is Forgery?** Forgery is the act of making or altering a document or other object so that it appears to be genuine, but is not.
- Types of Forgery:**
  - Signature Forgery:** This is the most common type of forgery. It involves copying or imitating someone else's signature.
  - Document Forgery:** This involves copying or imitating a document, such as a check, a contract, or a certificate.
  - Image Forgery:** This involves copying or imitating a photograph or other image.
- How to Avoid Forgery:**
  - Be careful of what you sign.
  - Check the signature of the person you are dealing with.
  - Check the date of the document.
  - Check the name of the person who signed the document.
  - Check the name of the person who issued the document.
- What is the Importance of Forgery?** Forgery is a serious crime. It can cause financial loss and damage to a person's reputation.

The slide also includes several images of forged documents, including a check, a contract, and a certificate. At the bottom of the Zoom window, there are controls for "Mute", "Start video", "Share", "Close", "Participants", and "Chat".

The Placement Cell organised an enriching webinar on, “How to build a powerful LinkedIn profile?” on January 24, 2021. The speaker Mr. Shagun Chaudhary is a senior technology manager at Public Sapient and Global Volunteer at Leverage LinkedIn. He discussed the mission and vision of LinkedIn. He further elucidated on various features and tabs on LinkedIn such as the banner, profile photo, featured and about sections, and how to use them to their full potential.

The Placement Cell of Shivaji College organised a workshop on 'Riddle out Guesstimates' on February 21, 2021. Prateek Ranjan has been bestowed with the title of India's most employable management graduate. He started with telling us about the qualities that people look for in interviews and what are the better interviewing tips that we should follow and then told us about the importance of problem solving and the background of consulting firms he started explaining us guesstimates through exercises and explain how important it is to ask questions because without asking questions it would only be pure blessing and not estimating. There were around 150 participants in the workshop.

The Placement Cell held its annual Internship and placement fair, CRESCITA'21 from April 1- April 5, 2021. The inaugural ceremony for the same was held on March 31, 2021. The ceremony was graced by chief guest, Mr. Prakhar Singhal who is the MD at Accenture. We were also joined by our Guest of Honor, Ms. Neelu Singhal who is the COO at Genpact. Mr. Prakhar delivered an insightful note on 'The Changing Job Scenario'. He explained the importance of constantly upskilling oneself. Ms. Neelu added to the knowledge and explained how passion and innovation are the two keys to success. There was a footfall of 200 participants in orientation.

The Placement Cell held its Internship and Placement Week, Crescita'21. This year, the Placement Cell for the first time conducted this event for a week due to the coronavirus pandemic. CRESCITA'21 was held by the cell in virtual mode. Around 10 to 12 companies were a part of CRESCITA'21 every day. Spanning over a duration of 5 days, the event had over 60+ recruiting companies, 30+ sponsors, and 500+ candidates.

The members of Placement Cell successfully conducted and managed the Internship and Placement drives in virtual mode. The selections were made through resume screenings, online platforms, and telephonic conversations.

Ms.	Aditi Gupta	Business Economics	Webinar on "India 2030: The Road Ahead"	Department of Business Economics, Shivaji College	April 17, 2021
Dr.	Manjula Singh	Chemistry	Resource Person in Inter-College Laboratory Skill Training Programme organised for Assistants/Attendants in the Chemical and Life Science Laboratories	Department of Chemistry, Shivaji College	February 8-15, 2021
Dr.	Manjula Singh	Chemistry	Resource Person in a five-day "Workshop for school teachers in biological and Chemical sciences"	Department of Chemistry, Shivaji College	March 22-26, 2021.
Dr.	Anil K. Aggarwal	Chemistry	Resource Person in Inter-College Laboratory Skill Training Programme organised for Assistants/Attendants in the Chemical and Life Science Laboratories	Department of Chemistry, Shivaji College	February 8-15, 2021.
Dr.	Anil K. Aggarwal	Chemistry	Resource Person in a five-day "Workshop for school teachers in biological and Chemical sciences"	Department of Chemistry, Shivaji College	March 22-26, 2021.
Dr.	P. K. Sahu	Chemistry	Project Investigator of the minor project titled "To analyse the soil samples for the humidity content and amount of Ca/Mg present in the soil samples"	DBT Star College Scheme of Shivaji College, University of Delhi	Ongoing
Dr.	P. K. Sahu	Chemistry	Convenor of Inter-College Laboratory Skill Training Programme organised for Assistants/Attendants in the Chemical and Life Science Laboratories	Department of Chemistry, Shivaji College	February 8-15, 2021.
Dr.	P. K. Sahu	Chemistry	Convenor of a five-day "Workshop for	Department of Chemistry,	March 22-26,

			school teachers in biological and Chemical sciences”	Shivaji College	2021.
Dr.	P. K. Sahu	Chemistry	Convenor of Online Workshop on the topic “Riveting Story of Molecular Modeling”	Department of Chemistry, Shivaji College	April 10, 2021
Dr.	Rajni Kanojia	Chemistry	Resource Person in Inter-College Laboratory Skill Training Programme was organised for Assistants/Attendants in the Chemical and Life Science Laboratories	Department of Chemistry, Shivaji College	February 8-15, 2021.
Dr.	Rajni Kanojia	Chemistry	Resource Person in a five-day “Workshop for school teachers in biological and Chemical sciences”	Department of Chemistry, Shivaji College	March 22-26, 2021.
Dr.	Rajni Kanojia	Chemistry	Co-published the paper: “Transition Metal Oxides and Their Composites for Photocatalytic Dye Degradation.” J. Compos. Sci. Vol 5:pp 82.	Department of Chemistry, Shivaji College	2021
Dr.	Rajni Kanojia	Chemistry	Co published a book chapter titled “Electrochemical Studies of Green Corrosion Inhibitors” in the book “Theory and Applications of Green Corrosion Inhibitors”, published by Materials Research Forum LLC, Millersville, PA, pp. 204-232	Department of Chemistry, Shivaji College	2021
Dr.	Rajni Kanojia	Chemistry	Co published a book chapter titled “Green Corrosion Inhibitor for Electronics” in the book “Theory and Applications of Green Corrosion Inhibitors”, published by Materials Research Forum LLC, Millersville, PA, pp. 91-126.	Department of Chemistry, Shivaji College	2021
Mr.	Mahendra Kumar Meena	Chemistry	Resource Person in Inter-College Laboratory Skill Training Programme was organised for Assistants/Attendants in the Chemical and Life Science Laboratories	Department of Chemistry, Shivaji College	February 8-15, 2021
Mr.	Mahendra Kumar Meena	Chemistry	Resource Person in a five-day “Workshop for school teachers in biological and Chemical sciences”	Department of Chemistry, Shivaji College	March 22-26, 2021
Mr.	Mahendra Kumar Meena	Chemistry	Co published the paper “Promising inhibitors of nsp2 of CHIKV using molecular docking and temperature-dependent molecular dynamics simulations. Journal of Biomolecular Structure and Dynamics.” DOI: 10.1080/07391102.2021.1873863	Department of Chemistry, Shivaji College	2021
Dr.	Bhaskar Mohan Kandpal	Chemistry	Resource Person in Inter-College Laboratory Skill Training Programme was organised for Assistants/Attendants in the Chemical and Life Science Laboratories	Department of Chemistry, Shivaji College	February 8-15, 2021
Dr.	Bhaskar Mohan Kandpal	Chemistry	Resource Person in a five-day “Workshop for school teachers in biological and Chemical sciences”	Department of Chemistry, Shivaji College	March 22-26, 2021.
Dr.	Neena Khanna	Chemistry	Resource Person in Inter-College Laboratory Skill Training Programme was organised for Assistants/Attendants in the Chemical and Life Science Laboratories	Department of Chemistry, Shivaji College	February 8-15, 2021
Dr.	Neena Khanna	Chemistry	Resource Person in a five-day “Workshop for school teachers in biological and Chemical sciences”	Department of Chemistry, Shivaji College	March 22-26, 2021
Dr.	N. G. Giri	Chemistry	Project Investigator of the project titled “Effect of soil pH on germination of seeds and plant growth”	DBT Star College Scheme of Shivaji College, University of Delhi.	Ongoing
Dr.	N. G. Giri	Chemistry	Resource Person in Inter-College Laboratory Skill Training Programme was organised for Assistants/Attendants in the Chemical and Life Science Laboratories	Department of Chemistry, Shivaji College	February 8-15, 2021
Dr.	N. G. Giri	Chemistry	Resource Person in a five-day “Workshop for School Teachers in Biological and Chemical Sciences”	Department of Chemistry, Shivaji College	March 22-26, 2021

Dr.	N. G. Giri	Chemistry	Gave an oral presentation on the topic "Effect of soil pH on germination and growth of Triticum aestivum and Zea mays" in the international Conference on "Rethinking Science for Sustainable Development (RSSD 2021)"	Department of Chemistry, Rajdhani College, University of Delhi	April 20-21, 2021.
Dr.	N. G. Giri	Chemistry	Gave an oral presentation on the topic "Effect of soil pH on germination and growth of Triticum aestivum and Zea mays" in the international Conference on "Rethinking Science for Sustainable Development (RSSD 2021)"	Department of Chemistry, Rajdhani College, University of Delhi	April 20-21, 2021
Dr.	N. G. Giri	Chemistry	Co-published the Practical Book, 'Forensic Chemistry and Toxicology'	Selective and Scientific Books, New Delhi, First Ed., ISBN: 978-81-89128-98-2.	2021
Dr.	Rahul Singhal	Chemistry	Resource Person in Inter-College Laboratory Skill Training Programme organised for Assistants/Attendants in the Chemical and Life Science Laboratories	Department of Chemistry, Shivaji College	February 8-15, 2021
Dr.	Rahul Singhal	Chemistry	Resource Person in a five-day "Workshop for Teachers in Biological and Chemical Sciences"	Department of Chemistry, Shivaji College	March 22-26, 2021
Dr.	Vandana Katoch	Chemistry	Resource Person in Inter-College Laboratory Skill Training Programme was organised for Assistants/Attendants in the Chemical and Life Science Laboratories.	Department of Chemistry, Shivaji College	February 8-15, 2021
Dr.	Vandana Katoch	Chemistry	Resource Person in a five-day "Workshop for school teachers in biological and Chemical sciences"	Department of Chemistry, Shivaji College	March 22-26, 2021
Dr.	Richa Arora	Chemistry	Co-convenor and Resource Person in Inter-College Laboratory Skill Training Programme was organised for Assistants/Attendants in the Chemical and Life Science Laboratories	Department of Chemistry, Shivaji College	February 8-15, 2021
Dr.	Richa Arora	Chemistry	Co-convenor and Resource Person in a five-day "Workshop for school teachers in biological and Chemical sciences"	Department of Chemistry, Shivaji College	March 22-26, 2021
Dr.	Richa Arora	Chemistry	Co-Convenor and Resource Person of the Online Workshop on the topic "Riveting Story of Molecular Modeling"	DBT Star College Scheme of Shivaji College, University of Delhi.	April 10, 2021
Dr.	Richa Arora	Chemistry	Organiser of VIRTUAL TOUR of "CSIR LABS"	DBT Star College Scheme of Shivaji College, University of Delhi.	April 21, 2021
Dr.	Richa Arora	Chemistry	Resource Person for "Careers in STEM and scholarship schemes floated by DST and DBT" for 9th and 11th standard students of Jawahar Navodaya Vidyalaya, Faridkot under Vigyan Jyoti Scheme	Department of Chemistry, Shivaji College	May 29, 2021
