STUDENT SUGGESTIONS AND ACTIONS TAKEN:

S. No.	Suggestions	Action Taken
1	To improve the sports infrastructure and facilities in the college	<p>It was communicated to the TIC, Deptt. of Physical Education to Increase and update the sports facilities and the related infrastructure in college. It was informed by the TIC that the playfields/grounds/courts have been renovated and/or restructured as required in most games such as Cricket, Basketball, Volleyball, Tennis, Kho Kho etc. New facilities have also been added to the sports infrastructure for example new gym equipment and preparing Chess room.</p> <p>A yoga workshop was organized during Covid times and the college aims to organize more such events related to fitness.</p>

2	Canteen infrastructure and hygiene should be further improved	<p>It was communicated to the Convener, canteen committee to revamp the canteen infrastructure (For example, adding more furniture etc.), ensure hygiene strictly, adding more healthy food items to the menu.</p> <p>The convener informed that due to Covid Pandemic, the Canteen was closed for almost the whole year in 2020-21. However, when the college reopens for students in physical form, the Canteen committee will ensure that healthy food is provided and hygiene is maintained in the college canteen. Moreover, the committee has given its requisitions to Development committee for renovating and revamping the infrastructure in canteen.</p>
3	Hostel facility should be provided	<p>Plan to build girls hostel has been finalized and all the maps have been approved from competent authorities. College administration is waiting for requisite funding.</p>
4	Teaching learning process should be made more efficient	<ul style="list-style-type: none"> ● The principal conducts regular meetings with students, teachers and teachers in charge of all departments to ensure that the teaching learning process is smooth and efficient. ● During Covid time, the college made a smooth and swift transition to online teaching on MS teams platform. ● All faculty and students are provided IDs and passwords for MS TEAMS to ensure uninterrupted online teaching learning. ● Timetable committee convener is instructed to prepare timetable for online teaching in such a way that there is a gap after 2 consecutive theory classes. ● Academic audits are conducted twice every year to ensure the good academic standards. ● State of the art infrastructure provided in the new Jijabai Academic block to ensure ICT enabled Teaching Learning ● Recording studio is functioning for teachers to record their lectures which can be shared with students

6	Administrative staff should be made more accessible to students and the grievances must be handled more efficiently	<p>It was communicated to AO ADMIN to ensure that:</p> <ul style="list-style-type: none"> ● Dealing assistants readily and politely handle the students' grievances. ● Queries received from students should be promptly replied. ● Soft skill training programs should be regularly conducted for staff. <p>AO ADMIN assured that the above mentioned points will be taken care of.</p>
7	More textbooks should be added to library and fine for late book return must be reduced.	<p>Students are apprised about the e-resources and e-books accessible through Inflibnet and NLIST through Teachers in charge of Departments. .</p> <p>It was communicated to the Convener, Library committee to purchase more textbooks for students and waive off the late book return fine in genuine cases.</p> <p>During COVID times, College waived off all the library fines related to late book return for students.</p>
8	There should be a repository from where students can download the study material provided by teachers	<p>An ERP portal (SPACE) has been introduced in the college, which has a separate section from where students can easily download their study material. Teachers upload the e- content on college website and also upload the notes regularly on MS TEAMS and other online platforms.</p> <p>Some teachers also record and share their lectures with students and some teachers upload their lecture videos on you tube too.</p>
9	More skill based courses should be added	<p>The college has made collaborations with different institutes and conducted various skill-based add-on courses for the students. An E- learning cell has been constituted in college which conducts such programmes for enhancing the employability of students. Online courses on Python, R were conducted in 2020-21. Add on courses on French, German, Legal awareness are also conducted.</p> <p>A value added course has been introduced by Department of Physics, which is open to students of</p>

		all courses. Other Departments are also working on preparing structure of such value added courses which will be skill based.
10	Personalized counselling sessions should be organized for the students	<p>College has a very strong mentor-mentee network. Teachers conduct regular meeting with students (mentees) where they share their issues with their mentors.</p> <p>Mentors have been instructed to encourage their mentees and give them personalized counselling sessions for guidance on all issues.</p> <p>Placement cell organizes various counseling sessions on career guidance for students. Many departments also organize career guidance sessions by eminent speakers for students.</p> <p>A counselor is appointed by college and students consult her for personal guidance.</p>
