Subject: Performance in the Test

To: <placements.shivajicollege@gmail.com>

Dear Ma'am ,

Greetings from Great Learning!

We value the partnership that we have with your college and would like to do our best to help and support your students to excel in their endeavor to become career ready!

The Job Eligibility Test report for your college students is as follows:

Test Date	Students who took up Business Job Test	No of students who passed Business Job Test	Students who took up Technical Job Test	No of students who passed Technical Job Test
15th March'21	11	3	4	1

The next step for the qualified students would be to gear up for the forthcoming company processes. To successfully participate and stand out to employers in the upcoming drives, they will need to be well prepared. We have put together the course packages to help assist them with their preparation. Kindly motivate them to prepare well.

The students who could not qualify the Eligibility Test can re-attempt the test. They can take up the test after going through the preparatory material and qualify themselves so that they can become eligible to participate in the company drives. We will roll out the Test once again in a few days, so that the non-qualified students can take it up once again.

Look forward to your continued support and co-operation.
