Respected Sir

The following details of Chemistry Department are missing on SPACE Platform:

1. Dr. Bhaskar Mohan Kandpal is not added as a faculty of the Chemistry Department. That is why, I am unable to allot mentees to Dr. Bhaskar.
2. The list of students of B.Sc (P) Life Science 1st, 2nd and 3rd year as well as GE 1st and 2nd year are missing in sessions 2019-20 and 2020-21. Without this, teachers are not able to update the academic/teaching plan, mentor-mentee meetings minutes and non-performing students list.

Also, students of Chemistry (H) 1st year, Life Science 1st year and Physical Science with Chemistry 1st year admitted in fifth cut off list and beyond have not received their SPACE ID and password. Because of this, they have not been able to fill AECC and GE forms.

Kindly update the SPACE portal as soon as possible.

With these stand-able intentions, the Women’s Development Cell of Shivaji College organised the orientation program for the session 2021-2022 on 4th January, 2021. Within the precarious pandemic situation in mind, the program was scheduled using online tools of MS Teams.

Dr. Sunita Singh, the convenor of WDC addressed the newly admitted freshers to know about the working of the society. The President of WDC, Divya Aggarwal interacted with the audience using live polling tools through which everyone was able to take part in the interaction. Programme was immensely boosted with positive & enthusiastic responses by all.

Later all the post holders introduced themselves & worked from different teams within WDC like Editorial, technical, PR, Media and Creative team. The main cemented aim of the program was to put forward the whole working process within WDC in front of fresher’s so that they can join this movement & be a part of the voices.

At the end, with irresistible aim & explicit vision, another program by WDC ended with flying wings.

- **Report :-**

- In an escalating world, MentalHealth hasn't been given needed attention. With that drive in vision, the WDC of Shivaji College organised a webinar on "Issues of mental health-strengthening the mind & empowering the women" on 15th January, 2021 at 3 pm by using Zoom application.
- The event started with the National anthem. The list of esteemed icons included Dr. Shiv Kumar Sehdev - the principal of Shivaji College, Dr. Shashi Nijhawan – former principal of Shivaji College, Dr. Sunita Singh – convenor of WDC, & reputed speakers were Dr. Archana Thakur – Joint secretary UGC, Ms Nalini Kaushal – founder & director, Setu works Pvt. Limited, Ms Shalini Chetal – CEO zila parishad & Miss Heather. Dr. Shashi Nijhawan emphasised about factors affecting mental health of women & what can be steps towards change. Dr. Archana Thakur spoke about CEDAW 1979, EEFA 2015 & steps taken by UGC during pandemic. Then Ms. Nalini Kaushal spoke about her personal experience & about women in white collar jobs. She also enlightened 4M principles – Marriage, Motherhood, Mobility, Management. A video was also played by her which beholden a big lesson that blew everyone's mind out there. After her, Ms. Shalini Chetu spoke about invisible aspects of women's health & factors like Social, biological, cultural etc.

❖ Community support systems

- Support groups
- Empathy as a bedrock

❖ Open conversations

- This is NOT a "private" issue. We can't call it someone's "dirty laundry" when they speak up, and just ignore it.

❖ Financial independence

- Encourage peers and older women to take control of their money

❖ Building support

- Where? and how does change begin?

- **Report**

“The more that we choose not to talk about domestic violence, the more we shy away from the issue, the more we lose.” – Russell Wilsona Barton.

The Women's Development Cell of Shivaji College in collaboration with Global Shapers Community, on 7th November 2020, organised a workshop on the topic " Responding to Domestic Violence".

The session was initiated by the president of WDC who welcomed the team of the Global Shape community. It was an interactive session as the workshop began by Ms. Manvika had a live poll and an exercise through which we got to know how domestic violence has increased during the time of this pandemic in the last few months and only few of them were actually reported. Moreover, the audience were informed about how common violence is in our country.

Then Ms. Sonakshi enlightened the audience through videos and modules through which she conveyed so much about the laws and crimes against women in India. She also briefed about the effect of domestic abuse on mental health and how to deal with it. She then filled the audience in with the help line numbers and ways through which, one who's suffering from such an abuse, can take help. The workshop then reached its last round of question and answers. The participants asked many questions from the guests and were quite satisfied with their answers. Finally, our president extended the vote of thanks to the speakers and the convenor of Women Development Cell.

Overall, it was a successful workshop for the team.

She explained that money is not black or white but a mostly grey area and our feelings directly or indirectly are connected to it and advised to start investing as soon as you start earning.
