Dear Colleagues,

Greetings of the day!

A zoom cloud meeting of teachers in charge was held on 21st August 2020 at 10:30am.

The undersigned stated that the college would transition to Microsoft Teams in the coming week and all classes thereafter would be held in Teams to maintain uniformity.

The following decisions were taken:

1. The Microsoft Teams login ID of teachers has already been shared by all. The unique IDs of students have also been created . This would be shared with all Teachers in Charge.
2. It is the responsibility of the Teacher in Charge to share this data with the department students and ask the students to download Microsoft Teams.
3. It was decided to provide training to departments starting 24th August regarding Microsoft Teams. The schedule for the same will be mailed to the TICs. Every teacher of the department must attend the training session to be provided by the Computer Science Department of our college.
4. It was reported that the college website would be ready by 1st week of September. The website has an ERP software for students which can be used to send all relevant information to students of your class.
5. The ERP system for teachers is in process and would be generated soon where teachers can access all their records.
6. The undersigned shared the excel sheet of the google form filled by teachers for the classes taken beginning 10th August 2020. It was stated that some teachers have not been taking classes as per time table.
7. It was stressed that classes should be taken as per time table and teachers in charge should adjust their class on Friday of each week for attending the weekly meeting.
8. It was reported that some departments have not sent the weekly report as per the deadline of **Sunday of each week by 5pm**. It was reiterated that weekly report must be sent for each individual teacher with the following components

Faculty Name

Uploading of E Content

Classes taken as per Time Table and mode of class taken

Percentage of students attending class

(For Uniformity please use Times New Roman Font size 12)

6. With regard to GE options for SEM V, it was decided that academic coordinators will follow up with Hemant and give a deadline to students to fill the form by 22nd August 2020 so that their classes can begin at the earliest.

Dear Colleagues,

Greetings of the day!

A meeting of teachers in charge was held on 20th November 2020 at 10 am on Zoom platform.

The undersigned informed that to get an insight into the working of SPACE, a demonstration cum training session has been arranged for all teachers and the schedule was mailed to the departments. However, it has been noted that teachers are not attending the SPACE training sessions organized by the college. All TICs should ensure that the faculty of their department gets well versed with using this software. It was further stated that it is very important for all teachers to start using SPACE software for all students-teacher communication.

The undersigned informed that the first year students will use their Microsoft team ids for logging in to SPACE software. They will be provided with their password by evening today. All students must change their passwords immediately on login for security purposes. Once they login, the first year students should fill their GE and AECC options by Sunday 22nd November 2020 through this platform to begin the classes regularly from Monday onwards.

The following were discussed:

1. The Teachers in charge should submit the weekly teaching report every Sunday by 5 pm. They must ensure that the classes of semester I should be held regularly and google forms to be submitted for all papers.

2. All teachers are requested to complete their internal assessment and upload the attendance. The schedule for the uploading of internal assessment shall be informed.
3. The training programme will be organized very soon by an e-learning cell and website committee for the students of Semester I in regard to the usage of Microsoft Teams and SPACE.
4. The screening of the forms for promotion is underway. All teachers are requested to cooperate in the requirements of any kind in order to complete the promotion process. The college will provide assistance to the teachers if they fall short of technical resources.
5. The undersigned informed the Teachers in charge that the TIC meetings will be held every week on Friday at 10 am. The teachers are requested to adjust their classes accordingly.
6. Dr. Manish Sachdeva has been made incharge of the OBE examination held in the month of August 2020 for the students of last year/ semester 6 for unresolved cases of absentee/result awaited. It is notified that issues of absentees or result awaited of OBE 2020 will be handled by the college. The student who will apply for rectification, their answer script will be evaluated by the subject teacher. The TICs are requested to ensure that the teachers of the paper must evaluate the answers scripts as per the application received from the students for the rectification of the result. The marks shall be submitted to the University to correct any discrepancy that has occurred in the declaration of the students result.
7. The undersigned reported that the college is in the year of **Diamond Jubilee Celebrations**. The college is organizing a Webinar on 30th November addressed by the Vice Chancellor of BHU. All teachers are requested to attend the programme and also encourage the students to participate in it.

Dear Colleagues,

Greetings of the day!

A meeting of teachers in charge was held on 19th December 2020 at 1030 am via zoom platform.

The undersigned informed that with the diligent efforts of the Office and the screening committee the promotion process in phase I has been successfully completed. About 55 teachers were promoted under phase I.

The following were discussed:

1. The teachers were informed about the attendance irregularities of students in the **classes of Semester I**. The undersigned emphasised that all teachers must take the attendance of the students. If any students fail to attend the classes for a week, it should be reported to the office. A mail should be sent to such students from the department/office and if need be, they should be contacted personally by the teacher to know the reason for their absence. The students should be informed that attendance is compulsory and they should inform the reason of their absence to the concerned teacher or Teacher in charge.
2. The college is in the process of completion of the NAAC report. It was given to understand that under various criteria, the committee faced the problem due to lack of data of some indicators. Therefore, it is necessary to maintain all records for future purpose. All teachers are requested to initiate the **maximum usage of SPACE** and upload/update all information related to college work or their achievements time to time. They were requested that teachers should also inform the students for the upload/update of the information of their achievements/course completion as well.

3. **The undersigned requested the teachers in charge to provide the complete data of the issued laptops of the students of current Semester 3 & 5 of their department to the college at the earliest.** The teachers in charge need to supervise the **returning of laptops** from the students of current Semester 3 & 5 after their semester examination and get them issued to the Semester I students. They can also take the help of the previous TICs in this regard under whom the laptops were issued.
4. The undersigned also informed that few copies under OBE examination held in the month of August 2020 for the students of last year/ semester 6 for unresolved cases of absentee/result awaited are still unchecked. The teachers are requested to complete the evaluation of the remaining scripts or authorize some other teacher of their department on their behalf. The marks shall be submitted to the University to correct any discrepancy that has occurred in the declaration of the students result.

Stay Connected!

Thanks, and Regards

Dear Colleagues,

Greetings of the day!

A meeting of teachers in charge was held on 11th December 2020 at 11 am in the college committee room.

The undersigned informed that with the diligent efforts of the Office and the screening committee the promotion process in phase I has been successfully completed except the Commerce Department.

It was informed to the teachers in charge that the Ad-hoc faculty would get their appointment letter w.e.f 11/12/2020 and joining letters to be submitted physically.

The following were discussed:

1. The teachers were informed about the irregularities in the **conduct of classes of Semester I**. The undersigned emphasised that all teachers must take the online classes very seriously. There should be no lack of commitment on part of the faculty even though the mode is online. Daily report of the classes taken should be entered in the google form. Classes should be taken as per the timetable as far as possible and daily attendance should be taken.

The TIC's were requested to ensure the classes of Semester I to be held on a regular basis on **Microsoft Teams** and google form to be filled daily by the teachers.

2. The undersigned requested the teachers if possible, to have their lectures recorded and the video link can be shared. The audio lectures to be provided to the blind students' whichever course they are admitted.

3. The teachers were requested to publish **e-content** regularly using SPACE for the Semester I. They should be bilingual (English and Hindi language) while delivering lectures wherever necessary and also provide the e-content in the Hindi language to cater the needs of the students learning in the Hindi medium.
4. The teachers were also requested to initiate the maximum usage of SPACE and update all information time to time.
5. It was reiterated by the undersigned that besides the academic duties of the department, the TICs need to fulfill all administrative responsibilities. Henceforth, as the administrative responsibility of Teachers in charge, they need to supervise the **returning of laptops** from the students of current Semester 3 & 5 and get them issued to the Semester I students. They can also take the help of the previous TICs in this regard under whom the laptops were issued. **The teachers should provide the complete data of the issued laptops of the students of current Semester 3 & 5 of their department to the college at the earliest.** The students of Semester I are in dire need of laptops, therefore the TICs should inform the college of the schedule for the return of laptop and subsequently of the issuance of laptop to the students under their supervision.
6. The departments who have not submitted the **moderated internal assessment** are requested to submit it via email at the earliest. The submission should be in a PDF format folder along with the minutes of the moderation meeting to the **email id ia@shivaji.du.ac.in**. The schedule for **uploading of internal assessment and practical marks** on the University Software shall begin from **Monday onwards i.e., 14.12.2020**. The schedule will be notified soon.
7. As has been stated numerous times earlier, the teacher in charge must either inform the college about his/her inability to join or send a representative to attend the meeting.
The attendance sheet is attached.

Greetings of the day!

A meeting of Teachers-in-charge was held on 8th January 2021 at 10 AM via Zoom Platform.

The undersigned informed that in a meeting held with the VC , Registrar and Dean of Colleges it has been proposed that colleges should be reopened from 1st February in partial mode. However this may not be a practical solution considering the problem of outstation students. The academic Convenors will prepare a report on the feasibility of this and a feedback will be submitted to the University.

The following was discussed:

1. The undersigned informed that from this month onwards the salary has been disbursed via RBI account. Due to this there has been a slight delay in disbursing salary to the ad hoc teachers. This will be taken care of in future as new accounts for all present and retired faculty and non teaching staff have been created on the RBI portal.
- 2.It was reported that the college has successfully completed the promotion process of 57 colleagues last month , 47 of whom were promoted from 1st - 2nd stage and 10 from 2nd-3rd stage. The undersigned is pleased to inform that the process for next stage promotions is underway and will be completed soon.
- 3.The undersigned reiterated that all TIC's must meet the first year students regularly and make sure that the students who have been admitted in special cutoffs are able to join classes. The TIC s should ensure that extra classes may be conducted for these students so that they can cope up with the class. Also data about students who are regularly missing their classes should be mailed to college.

4.The teachers were apprised that most of the issues faced by faculty in uploading data on the SPACE ERP software have been resolved and Attendance uploading will also be operational from Monday 11th January onwards.

5.It was pointed out that sem 4 and sem 6 classes have not started completely as per the data received through google forms. TIC s should ensure that classes are held regularly and teachers fill the google forms on time .

6.The undersigned informed that college is in the process of applying for NIRF ranking . Dr Darshan Malik is the coordinator for the same . All TIC s are requested to cooperate in providing any data required for this work.

7.All the departments were requested to submit the pending laptop submission data at the earliest and issue laptops to the first year students as early as possible.

Stay Safe Stay Connected!

***Thanks, and Regards
Dr Shiv Kumar Sahdev
Officiating Principal***

Dear Colleagues,

Greetings of the day!

A meeting of teachers in charge was held on **26th February 2021 at 10 am** in the college staff room.

The undersigned reported that the Webinars organised at college level must be attended by all and it is the responsibility of all teachers and students to participate in such events in full strength. Despite mail being sent by college regarding the webinar organized on **25th February** on the topic “Education, Research and Innovations in the 21st Century: the changing role of Academic institutions” by Prof. V. Ramgopal Rao, Director, IIT Delhi **to commemorate Diamond Jubilee year**, was attended by around 146 participants and in the number very few teachers from the college attended the same. It is heartening to see that when the college is celebrating its Diamond Jubilee Year and organizing a major event to commemorate 60 years of jubilation, the attendance of teachers and students in its celebration is very poor. It is requested to attend the college webinars/events at full capacity and cooperate to make the event a grand success.

The following were discussed:

1. The undersigned requested all teachers to be present in college for classes and official meetings whenever called. As per the Office Orders issued by the University of Delhi, the teachers are requested to attend college and take online classes. The network facility is available in the college and wi-fi connection is also satisfactory to take the classes. Teachers can take their classes in the allotted rooms/library/Laboratory/Department room as per their convenience.
2. The undersigned presented the class data, department wise as per the submission of google forms. As per the google form data the teachers in charge were informed about the irregularities in the conduct of classes of Semester I, IV & VI reflecting the teachers name whose google forms were not submitted

or showing pending. The undersigned emphasized that all teachers must take the online classes and daily report of the classes taken should be entered in the google form. The TICs must ensure that no class should be unattended. The teachers should convey to the students that the attendance is compulsory.

3. The undersigned informed the teachers about the **last date of submission of examination form is 28th February 2021 at 5:30 pm for the Semester I students**, for their forthcoming examination to be held in **March 2021**.

4. The teachers were requested to **publish e-content** regularly using SPACE and Website for all semesters. The teachers in delivering lectures/e-content should be bilingual(English and Hindi) wherever necessary to cater the needs of the students learning in the Hindi medium.

5. The teachers should update the information in regard to the department and student progression on the website regularly. The teachers were also requested to initiate the maximum usage of SPACE and update all information time to time.

6. The undersigned requested the teachers to create a department library of their subject in their rooms. The bookcase/stand required for the same shall be provided.

7. The Teachers were informed by the librarian that the **ID cards** of Semester I are ready for distribution for all courses except BA Programme. The students from Science Courses can collect it on Monday, **1st March 2021** and Humanities/Commerce/BBE course can collect on Tuesday **2nd March 2021 from 10 am to 4 pm**. The BA Programme students ID cards are in the process and shall be collected on **Thursday 4th March 2021**.

8. The teachers were requested to organize an online alumni meet of the Department in the next month.

9. The teachers were requested to encourage students to take up at least two internships for their future prospects.

10. The teachers were requested to take Mock test in the lines of OBE. The teachers must share sample paper/questions with the Semester 1 students to prepare them for the examination.

11. All teachers in charge reported that classes in their departments were held as per time table and internal assessment work is in progress for Semester I for timely uploading and submission.

The schedule for uploading IA is **28th February 2021** and for submission of moderated IA is **3rd March 2021** to the email id ia@shivaji.du.ac.in.

Dear Colleagues,

The college is making efforts to enhance its brand value and reputation by improving its online presence and visibility in today's digital age. The college has appointed Ms Anshu Chopra as the social Media coordinator for handling the official social media accounts .

The process has already been initiated with the creation of our twitter handle @college_shivaji. To keep this account active all the relevant information will be made available through official tweets. Furthermore the college is reactivating the LinkedIn, Facebook and Instagram accounts also. All relevant information will be posted on all these 4 handles.

All Teachers in Charge/ convenors of committees are requested to send a pre event report (With poster/teaser) and a post event report of not more than 3-4 lines along with 2-3 good quality jpeg pictures.(Please note that pdf pictures cannot be uploaded)

For the event to be tweeted and posted on various handles please mail the above information to socialmedia@shivaji.du.ac.in and cc to shivajicollege.ac@gmail.com three days prior to the start of the event.

Also if any relevant/noteworthy information is available with the teachers about achievement/ award of student/alumni these should be communicated immediately so that it gets tweeted.

I request my colleagues to follow all official social media accounts and also urge their students/society presidents to do the same.

Please note: The official Facebook account is <https://www.facebook.com/profile.php?id=100010380489994&sk=about>. All colleagues are requested to follow the official page.

**Thanks and Regards
Dr Shiv Kumar Sahdev**

Dear Colleagues,

The outbreak of the second wave of Coronavirus in India and an exponential surge of COVID'19 cases is playing havoc with our lives and mind. The health sector is overwhelmed with shortage of beds, oxygen, delays in testing and now even shortage of vaccination. The pandemic has necessitated extraordinary human resilience to preserve lives and mental well being of humanity.

Over the last couple of weeks we have lost many precious lives. Some of our retired colleagues have succumbed to this deadly disease. They had touched the lives of many and their everlasting memories will always remain in our hearts. My thoughts are with their family and I offer my deepest condolences to them. My heart also goes out to each one of you who have suffered or lost their dear ones during this second wave.

I understand that we are all passing through a very difficult phase with both teaching fraternity and students suffering alike. We all are fighting the biggest battle that human civilization has ever faced. In these unprecedented circumstances we must raise the level of our professional and social commitments and must remember our responsibility towards our students . Our profession demands us to keep the interest of our students as our top most priority. As per the office order from Registrar, University of Delhi, dated 4th May 2021, online teaching has been suspended till 16th May 2021. I request my colleagues to restart with their online teaching learning process from 17th May 2021 unless notified otherwise. I also urge my colleagues to stay in touch with their students by holding regular mentor mentee meetings.

I once again express my solidarity with my colleagues and pray for their health and well being in these tough times.

Stay Safe Stay Connected!

Dear Colleagues,

With the outbreak of the second wave of Coronavirus in India and a record surge of COVID'19 cases in Delhi, the health sector is overwhelmed with shortage of beds, oxygen and delays in testing.

Over the last few days many of my colleagues and their families(both teaching and non -teaching) have tested positive for coronavirus. I wish them a speedy recovery and pray for their strength and good health in these tough times.

In these testing times we must stay calm and positive and follow all COVID protocols. I urge my colleagues who are eligible for vaccination to get themselves vaccinated and protect themselves as well as their loved ones from this deadly disease.

In this regard,the college has set up a vaccination camp in association with Delhi University health center (West Campus)) which is operational from 16th-23rd April 2021 from 9am to 5pm. We have vaccinated 40 eligible candidates under this drive on the very first day.

I wish a speedy recovery for all my colleagues who are grappling with the disease and urge all others to take precautions and follow all social distancing norms.

Stay Safe ! Stay Connected !

***Thanks and Regards
