Orientation program of Centre for Promotion of Inclusivity on January 15, 2021

The Centre for Promotion of Inclusivity (CFPI) organised its first event, an Online Orientation Program on 15 January 2021. 119 participants attended the event. The Guest Speaker at the event was Dr. Nidhi S. Sabharwal, Associate Professor and the In-Charge at the Centre for Policy Research in Higher Education (CPRHE), National Institute of Educational Planning and Administration (NIEPA), New Delhi. Dr. Sabharwal has previously served as the Director at the Indian Institute of Dalit Studies, New Delhi. Her research interests lie in marginalised groups and social inequalities/inequities and the nature of caste- and gender-based discrimination in society. Dr. Sabharwal spoke on "Student Diversity, Equity and Inclusion in Higher Education in India" and explained the difference in equality, equity and inclusion and also deliberated on the student diversification, equality of opportunities in Indian higher education, inclusion vision stated in NEP 2020.

Highlights of the event

Feedback of the participants

The programme is very beneficial in making inclusive society. Also how we as an individual help it to make it. Also we need more equity in the society then

Orientation program of National Service Scheme (NSS) on January 12, 2021

The NSS unit, Shivaji College organized its Orientation Day on 12th January 2021. The freshers were welcomed warmly and were told about the events NSS had organised in the past year. The freshers were enlightened about the duties and functions of NSS and how it is beneficial for them and society at large. The Chief Guest- Mr. Harvinder Singh spoke beautifully on various aspects like digital footprints, safe usage of social media, ethics and compliance and how the students can wisely manage their finances from the very start in order to secure a safer future. The event moved forward with the introduction of the council and explanation of each teams and their duties, which was followed by a question-answer session. The newcomers were not just explained about NSS, but also how it is very important to give back to the society that builds and nurtures us. The successful completion of the orientation day helped NSS, Shivaji College, and branch out and become a bigger and close knit family.

Orientation program of Women Development Cell on January 04, 2021

- Date- 4th January, 2021
- Theme- #BECOMEACHANGEMAKER
- The Speaker for the session- Dr. Sunita Singh (Convenor, Women's development cell, Shivaji College).

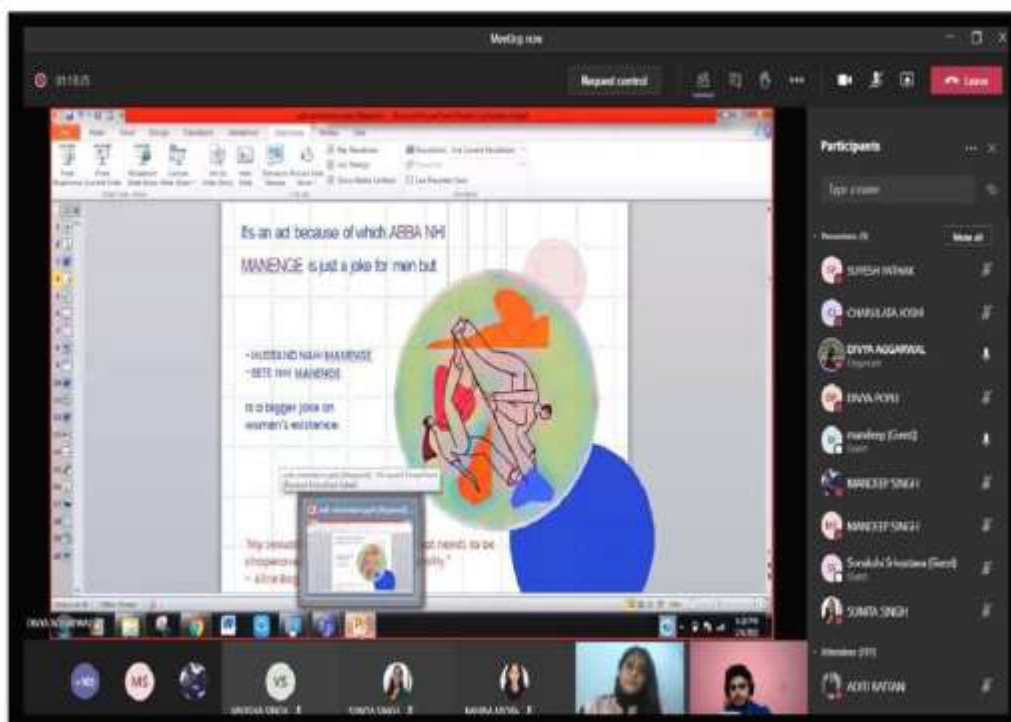

With these stand-able intentions, the Women's Development Cell of Shivaji College organised the orientation program for the session 2021-2022 on 4th January, 2021. Within the precarious pandemic situation in mind, the program was scheduled using online tools of MS Teams.

Dr. Sunita Singh, the convenor of WDC addressed the newly admitted freshers to know about the working of the society. The President of WDC, Divya Aggarwal interacted with the audience using live polling tools through which everyone was able to take part in the interaction. Programme was immensely boosted with positive & enthusiastic responses by all.

Later all the post holders introduced themselves & worked from different teams within WDC like Editorial, technical, PR, Media and Creative team. The main cemented aim of the program was to put forward the whole working process within WDC in front of fresher's so that they can join this movement & be a part of the voices.

At the end, with irresistible aim & explicit vision, another program by WDC ended with flying wings.

Orientation program of Enactus on November 28, 2020

On 28th November 2020, an orientation programme was organized by Enactus Shivaji for the first-year students on Zoom platform. The occasion was special because of the presence of an eminent speaker, Mr. Terry Torok. Mr. Torok is the Chief Innovative Officer of ENACTUS and was kind enough to join us directly from USA through a zoom call.

In the programme, Mr Terry Torok talked about Enactus, what it exactly means and what is it we actually do. He also informed the attendees the global recognition of Enactus and the reason behind it. This was followed by an interactive and informative Question and Answer session with Mr. Torok answering questions of the newly admitted students.

Orientation program of Placement Cell on November 21, 2020

The Placement Cell of Shivaji College conducted their orientation program on 21st November 2020 through an online platform- Zoom for the first-year students to tell them about the functioning of the society.

The program was commenced by our Editorial & Social Media Head, Kanika Khatri, who welcomed all the freshers to this new journey. Also, the convener of Placement Cell, Ms. Suman Kharbanda ma'am addressed the gathering and shared some valuable insights about the cell. She also told students about the importance of doing internships during college time and encouraged students to become a part of the placement cell.

The team also presented their annual report for the session 2019-20 through a video that covered the events, webinars, internships & placement drives as well as the add-on courses that were conducted by the cell in 2019-20.

The program was further carried forward by the President of the Placement Cell, Mayank Mehta, who addressed the students about the working of the society as well as the role of different teams in the society. He then further conveyed to students the process of how to be a part of the cell. He also told them about the webinars conducted during the lockdown period as well as about the various interesting and knowledgeable series which are conducted by the cell on the social media handles. He also discussed the placement portal and helped students know how to apply for various opportunities.

At last, the queries of the students were taken and answered very nicely. It was an interactive session where students were able to understand the functioning of society and were also able to clear their doubts regarding society.

Mind Martians
Everything will be known once you get into the zone

General knowledge is important in all the fields. So, every week on Tuesday, the cell put four to five questions related to general knowledge. Questions were put in the form of MCQs and students learned something productive in some way or the other. These brainstorming questions attracted students to follow the social media handles and improve their knowledge.

Case Of Every Phase
Ace the case and stronger your base

The Placement Cell of Shivaji College, on every Wednesday, posted about different companies in different sectors who made their way in today's competitive world. We provide information on every aspect like when was it started, list of board of directors, SWOT Analysis, revenue generation and many more. The main motive behind it was to aware students about the well established companies.
