1. HOW TO CRACK VIRTUAL PLACEMENT DRIVE

The Placement Cell at Shivaji College invited students and professionals alike to a webinar discussing 'How to Crack Virtual Placement Drive' on 1st July, 2021. Companies are increasingly moving towards the easy way towards recruiting and people are more likely to prefer an online placement drive rather than an on-field one. Therefore, when the pandemic gets over, virtual interviews might still be in trend. Educating attendees on the same was Mr. Debashish Ghosh, Vice President and Human Resources Head at Berkadia. Mr. Ghosh addressed the attendees and explained the importance of this particular webinar and how it will enlighten interviewees to perform better. He informed the audience about the various requirements and actions to be taken before and during a placement drive to ensure good performance.
