Date of Visit: 07/11/2023

Time: 09:00 A.M

Venue: Sanjay Van (DDA City Van)

Course: B.Sc. (H) Zoology NEP UGCF

Semester I

Subject: Concepts of Ecology

Purpose of Visit: To understand, explore and observe the diversity of fauna and flora and the environment of Sanjay Van.

Teacher Co-ordinator: Dr. Nidhi Garg and Dr Rakesh Roshan

The 25 students of B.Sc. (H) Zoology, Semester I, of Shivaji College, University of Delhi were accompanied by their teachers, Dr. Nidhi Garg, and Dr. Rakesh Roshan on a visit to Sanjay Van, a DDA city forest. The purpose of this visit was to provide students with firsthand exposure to a natural habitat and to enhance their understanding of biodiversity and ecological systems.

Overview of Sanjay Van: Sanjay Van, located within the heart of the city, is a Delhi Development Authority (DDA) city forest that serves as a green lung. It encompasses a diverse range of flora and fauna, providing an oasis of nature amidst the urban landscape.

Activities and Observations: During the visit, students engaged in various activities, including guided nature walks, bird watching, and observation of plant and animal species. The
