प्राणी विज्ञान विभाग की बैठक का कार्यवृत्त

दिनांक: 25 अक्टूबर 2023

प्राणी विज्ञान विभाग के संकाय सदस्यों की बैठक आज 11 बजे विभाग के शिक्षक कक्ष में हुई।

बैठक में निम्नलिखित सदस्य उपस्थित थे:

1. प्रो. सुनीता गुप्ता (शिक्षक प्रभारी) *Sunita*
2. डॉ. दीपिका यादव *Deepika Yadav*
3. मिमिता खन्ना *Mimika Khanna*
4. मनीष कुमार मल्होत्रा *Msachdeva*
5. डॉ. एष्विनी निगम *Aashwini Nigam*
6. डा. अमरेंद्र कुमार चौधरी *Amrendra Choudhary*
7. डॉ. अंकिता दुआ *Ankita Dua*
8. डॉ. मेघाली भारती *Meghali*
9. डॉ. निधि मर्ग *Nidhi*
10. डॉ. राकेश शर्मा *Rakesh*
11. डॉ. नीतू सिंह *Nitu Singh*
12. डॉ. अश्विनी मल्होत्रा *Aashwini*
13. डॉ. कुलभूषण ठाकुर *Kulbhusan Thakur*

बैठक की कार्यसूची :

1. शैक्षणिक आयोजन & Mid-Sem academic Progress के बारे में चर्चा
2. कक्षाओं में अनुपस्थित विद्यार्थियों की सूची बनाना
3. Mentor - Mentee meeting के बारे में चर्चा
4. Non- Performing and Slow & Fast learner विद्यार्थियों के बारे में विचार - विमर्श
5. छत्रपति शिवाजी महाराज के राजतिलक (coronation) के 350 साल होने के उपलक्ष्य में विभागीय कार्यक्रम आयोजित करने के बारे में चर्चा

Sunita *Nidhi* *Amrendra* *Deepika Yadav* *Rakesh* *Aashwini* *Nigam* *Kulbhusan* *Mimika Khanna* *Msachdeva*

निष्कर्ष

6. सब की सहमति से किसी अन्य विचार पर चर्चा।

• कार्यसूची क्रमांक 1.

शैक्षणिक आयोजन (Academic Planning) और उसके अनुसार हुई Mid-Semester Academic Progress Report सभी शिक्षकों ने शिक्षक प्रभारी को दी।

सभी से अनुरोध किया गया कि वे इसे SPACE platform पर भी upload कर दें।

• कार्यसूची क्रमांक 2.

महाविद्यालय के प्राचार्य महोदय के साथ सभी शिक्षक प्रभारी की बैठक (23/10/23 को 12 बजे) के कार्यवृत्त में उल्लेख किया गया था कि सभी अपने विभाग के ऐसे विद्यार्थियों की सूची बनाकर कॉलेज के साथ साँझा करें ताकि कॉलेज उनकी अनुपस्थिति का संज्ञान ले सके जो बिल्कुल भी कक्षा में नहीं आ रहे (absentee students)। इसलिए सभी शिक्षकगणों से अनुरोध किया गया कि वे सभी इस सूची को शिक्षक प्रभारी के साथ अतिशीघ्र साँझा करें।

• कार्यसूची क्रमांक 3.

Mentors की परस्पर चर्चा में सभी शिक्षकों से अनुरोध किया गया उनके mentee के साथ हुई अब तक की बैठक का कार्यवृत्त (MOM) शिक्षक प्रभारी के साथ साँझा करें। और इन MOM को SPACE Platform पर भी upload कर दें।

• कार्यसूची क्रमांक 4.

विभाग की पिछली बैठक (11/10/2023) में तय अनुसार सभी शिक्षकों ने उन विद्यार्थियों की सूची शिक्षक प्रभारी के साथ साँझा करी है जिनकी उपस्थिति 50% से कम है। इसलिए यह निर्णय लिया गया कि ऐसे विद्यार्थियों के अभिभावकों को उनके mentor फ़ोन करके इस बारे में अवगत कराएं ताकि वे अविलम्ब अपनी कक्षाओं में नियमित रूप से उपस्थित हों। और जिन विद्यार्थियों के IA (assignment & class test) में नम्बर कम हैं उनके लिए उन्हीं में से या उनके वरिष्ठ छात्रों से लेक्चर दिलवा कर रिकॉर्ड भी किया जाय ताकि उन Non-Performing students के लिए लाभप्रद हो।

• कार्यसूची क्रमांक 5.

शिवाजी महाराज के राजतिलक के 350 साल होने के उपलक्ष्य में प्रायोजित event के बारे में विचार विमर्श करके निर्णय लिया जाएगा।

ACTION TAKEN REPORT

Students were identified as fast learners and non-performing based on continuous assessment and class test marks. There were no slow learners identified in the class. Students who had not given their internal test or scored less were informed, and an improvement test was conducted for them to improve their scores. Students were encouraged to participate in class discussions actively. Fast learners were encouraged to help their peers understand concepts.

Mainika

Non-Performing Students Department of History 2023-24

The following students were identified by the faculty members in their respective courses as slow-learners and non-performing students on the basis of attendance and internal and continuous assessment. After discussions, the following it was found that

1. The cause for non-performance is chronic absenteeism.
2. Complete lack of interest and apathy on the part of these students to attend classes.

The faculty members took the following steps for the non-performing students:

1. Messages were conveyed to them through their classmates to attend classes.
2. Calls were made to the absentees
3. Whenever the student attended the class, they were counselled regarding the importance of attending classes
4. Events like seminars, film review, students' competition were organized to generate interest among the students.

Action Taken

The class is average overall in terms of learning and for continuous evaluation tests were taken in each month for regular practice of the subject. The test was conducted again for the improvement and for absentees. For the slow learner Keshav, the assessment was done orally and assignment was given in printout instead of PPT or handwritten document as he is unable to write on his own.

A handwritten signature in blue ink, appearing to read 'V. Anil', with a checkmark-like flourish at the beginning.

Roll No 23/51059 –Keshav Sikka was identified as slow learner.

He is a PWD student who has difficulty in writing. Though he was attentive in lectures but he was not able to do his classwork.

Action Taken :

During lectures he was given attention that he has fully understood concepts or not as he was not able to practice classwork questions himself in class. His classmates were advised to help him and explain him steps to be followed to solve a particular question. He was able to work on computer during practicals but with slower speed. So steps were always repeated for him so that he can complete his work.

For class tests he was provided with writer and extra time was given to him to complete his test. He was given option to repeat his test for improvement in tests marks.

Action Taken :

Slow learner Students were informed time to time in classes, class whats app groups, class representatives etc, regarding attendance, internal assessment, but very less response from their side. All the Students were motivated to attend the classes by asking random questions to each and every student .They were told to actively participate in class activities and discussions, as it will form part of their continuous evaluation of the subject. Classes were made interactive through extensive usage of PPTs and letting students explain some of the common concepts just like extempore. Students were told to come up with some latest news on the subjects to be discussed in class. Games and exercises related to Marketing and Human Resource management were done in the class to see the reactions of students and to motivate them for active involvement in the class. Assessment of the students was done on the basis of Powerpoint presentation and they took very keen interest in participation and presentation.

ACTION TAKEN REPORT

Students were identified as slow/fast learners based on their class responsiveness and performance in the internal test. Some of the measures undertaken to improve the performance includes: (i) Basics of the subjects were cleared through remedial/extra classes; (ii) Theoretical portions were explained through presentations and flow charts; (iii) Peer-to-peer learning is encouraged in class and (iv) students are counselled and motivated by the mentors. They were encouraged to participate in class activities and discussions actively. Those who had not given their internal test or scored less were informed, and a fair chance was provided to them to improve their scores.

Fast learners were encouraged to help their peers understand concepts. They were stimulated to participate in various symposiums, quizzes, poster presentations, conferences, intra and inter institution competitions etc. Students were assisted in reading and writing articles and research papers in magazines/conferences/Journals.

Action Taken Report:

Non-performers: Non-performers students were identified based on their average or poor performance in the class. These identified students were motivated to perform better. For improving their performance mentoring, promoting peer-to-peer learning, offering special classes and attention and allowing them to retake exams was used for them. These approaches aimed to improve their performance, motivation, and overall results.

Fast learners were identified based on their learning abilities and class performance. They were encouraged to assist peers in understanding concepts, participate in various events, and assist in reading and writing articles and research papers.
