- Collective meetings were held several times with mentee students during this academic session on 14 September 2023, 12 October 2023, 3 November and 4 December 2023. Apart from the collective meetings the mentor and mentee were constantly in touch via telephone and WhatsApp. Students interacted personally over phone with mentor, on different dates, as and when required to discuss their academic and personal issues.
- Students were enquired about their wellbeing at frequent intervals. When students informed and discussed about the issues faced by them, they were guided by the mentor to help them resolve their issues. They were guided to focus on maintaining good physical and mental health.
- Circulars, notifications and other information shared by college for students were shared and discussed with students. Needy students were informed and guided about how to apply and avail fee concession offered by college. They were guided about the learning materials available to them and link for national digital library was also shared with them.

- General counselling was done for all students to help them improve their grades in internal assessment and University examination.
- Details of the paying guest accommodations available were shared with outstation students. Their queries were taken and issues resolved, wherever required. They were counselled over phone several times, as and when required.
- Students were motivated to attend and participate in co-curricular activities organised by various colleges of University. Relevant information and links were shared with them for registrations and participation in such events. Students were also motivated to participate in various intra college and inter college extracurricular activities and competitions.
- Career counselling was done. Students were guided about how to prepare for entrance exams conducted for various PG/ PG diploma courses available in their field across India. Various career options were discussed with them and books related to entrance exams were discussed and shared.

Minutes of the Meeting

A mentor-mentee meeting of B.Sc. Life Science III semester students was held on 15th September 2023 at 11:00 a.m. in Zoology Museum.

Vipin & Vartika's grades were discussed and areas needed for improvement were identified.

Both are preparing for competitive examinations like U.P.S.C. & S.S.C etc. Vipin also showed interest in joining pharmaceutical line after graduating.

So, assistance in their potential career paths & opportunities will be provided to them.

Both were satisfied with the ongoing classes & study material provided.

Following were present:

Vipin Bishet 22/23084

B.Sc. Life Sciences III sem Vipin
Section - B (III)

Vartika
Sharma 22/23083
