Prof Pankaj Jain	South Asian University	

Prof. Pankaj Jain is a Professor at Department of Mathematics of South Asian University. He has more than 100 research papers to his credit, published in various international journals of repute. He has obtained research grants from several government agencies such as UGC, CSIR, DST, NBHM. He is recipient of several grants such as Indo-Russian S&T Project, BOYSCAST Fellowship of DST for Post Doc work to visit Sweden for one year, visited UK three times under the Exchange Programme of Royal Society. He is also serving as the Director of Admissions and Examinations of South Asian University, Council member of multiple Mathematical Societies. He is on the editorial board of several mathematical journals like International journal of applied mathematical sciences, Eurasian Mathematical Journal and many other prominent journals.

LEARNING OBJECTIVES:	The event aimed to deepen conceptual understanding, foster problem-solving skills, encourage critical thinking and introduce research opportunities in Mathematics.
-----------------------------	---

OUTCOME:

The event successfully attracted a large number of student participants, indicating a strong interest in deepening their mathematical understanding, fostering critical thinking and gaining insights into mathematics and related fields.

BRIEFREPORTOFTHEEVENT: The Department of Mathematics, Shivaji College organized its annual fest, "INFINITY'24," on April 9, 2024. The day commenced with traditional ceremonies, including Saraswati Vandana. The unveiling of the Department's third annual newsletter, Read-O-Math, was a proud moment. Prof. Pankaj Jain, South Asian University graced the occasion as Chief Guest and presented his ideas on "Some Components of Research" which was informative and engaging, inspiring students to delve deeper into mathematical research. Students participated in large numbers in various competitions like Paper Presentation, MathFort, SudoWord, Mathematical Tambola, Calculated Capture and Squarles showcasing diverse talents. The closing ceremony honored winners and recognized the efforts of the Student Council. "INFINITY'24" was a successful celebration of Mathematics, fostering creativity and inspiring students to explore its possibilities further.
