# **ANNUAL FEST OF CHEMISTRY DEPARTMENT**

## **“RASTANTRUM 2024”**

On April 10, 2024, the Department of Chemistry at Shivaji College hosted its annual fest, commencing with the ceremonial lighting of the lamp by the esteemed principal and chief guest, Prof. Akhilesh K. Verma. The event opened with a graceful Saraswati Vandana performance, followed by a warm welcome speech from the principal. Prof. Verma then delivered an insightful talk on "Construction of Small Organic Molecules of Biological Importance Using Sustainable Chemistry," inspiring all present. Among the attendees were Dr. Neena Khanna, the convenor, Prof. Virender Bhardwaj, the patron, department teachers, and enthusiastic students.

The fest featured a range of activities including a rangoli competition, slogan writing, poster making, Ad-mad, and Chemical Charades. Participants showcased their creativity and skills with enthusiasm.

The rangoli competition, themed "Contribution of Chhatrapati Shivaji Maharaj to Science and Technology," saw impressive displays of artistry.

Similarly, the slogan writing competition focused on the "Timeline of Chhatrapati Shivaji," while the poster making event centered on "Chhatrapati Shivaji Maharaj - Founder of Hindavi Swaraj."

The Chemical Charades competition, held in multiple rounds, engaged students in fun and challenging tasks related to chemistry. Participants displayed their knowledge and teamwork, making the event both entertaining and educational.

Additionally, the Ad-mad competition provided a platform for students to showcase their advertising skills with creativity and humor.

The winners of each competition were recognized and awarded certificates and cash prizes for their outstanding performances. The event concluded with a vote of thanks from the convenor, encouraging students to continue their hard work and dedication. Overall, the annual fest was a memorable day enjoyed by all who attended, fostering a sense of camaraderie and celebration within the college community.
