Cardiovascular Diseases and BLS Training Workshop

Date: April 03, 2024

Venue: Shivaji collage auditorium

Organiser: Department of Biochemistry

Objective: To spread awareness and train participants in BLS training including

Cardiopulmonary resuscitation (CPR).

Introduction: Department of Biochemistry organized a workshop on "Cardiovascular diseases and Basic life support Training (BLS)". The workshop aimed to raised awareness about cardiovascular diseases, and equip participants with essential skills to respond effectively to cardiac emergencies.

Highlights:

- Informative lecture on cardiovascular diseases and risk factors.
- Interactive discussion fostering participant engagement.
- Hand-on BLS training including Cardiopulmonary resuscitation (CPR).
- Live demonstration and simulation exercise for practical learning.

Skill enhanced: This workshop provided valuable opportunity for participants (79 students + 25 staff members) to enhance their understanding about cardiovascular health and acquire life-saving skills in emergency.
