PARIVAR: PRATHAM PATHSHALA

27 July 2023 - 4 August 2023

OBJECTIVE: The NSS unit of Shivaji College launched a new initiative titled “Parivar: Pratham Pathshala” from 25 July – 10 August 2023 to promote familial bonding, and ultimately to instill one’s responsibility towards society. As part of the campaign, students of Shivaji College actively participated in household chores alongside their family members.

OUTCOME: By engaging in these tasks, they recognized the connection between their homes and the broader idea of their country, realizing that maintaining cleanliness and performing even small duties are essential responsibilities that begin at home. In this program, the students set aside traditional notions of gender roles, enthusiastically participating in activities such as washing cars, cleaning utensils, watering plants, cooking and serving food, and cleaning their homes. They embraced these daily tasks without hesitation or prejudice, demonstrating a strong sense of duty and shared responsibility. Ultimately, this campaign taught the younger generation that even the smallest tasks hold immense significance. It highlighted how performing our responsibilities with diligence can lead to personal fulfillment and bring about positive change in society.

01 October 2023

OBJECTIVE: On 1 October 2023, the NSS unit of Shivaji College under the programme *Ek Tareekh Ek Ghanta* embarked on an environmental campaign for a garbage-free India. It organised a cleanliness awareness drive alongside a plog run, and a Nukkad Natak by the Yatharth team. The Plog run started from the college campus and 92 members including 8 teachers proceeded towards the slum area of Raghbir Nagar, Tagore Garden. During the event, student and teacher volunteers picked up plastic and other waste items and swept clean two public parks. They also interacted with people on their way while spreading awareness about the importance of cleanliness and environmental sustainability. At the central chowk of Raghbir Nagar, the Yatharth team of the college enacted a street play, which spread the message of fostering hygiene, sanitation and environmental awareness.

OUTCOME: The campaign ended with enhancing the cleanliness of the chosen location and also instilled a sense of responsibility and pride in maintaining cleanliness and building healthier and more responsible communities.
