Respected Rana sb.

I feel immense pleasure to nominate you as an Advisory Member of the Development Committee of this University.

It is one of the oldest institution of Rajasthan which was founded in 1937 by the famous philosopher and prolific writer Late Pt. Janardan Rai Nagar on the lines of Gujarat Vidyapeeth, Gujarat, Kashi Vidyapeeth, Varanasi and Gandhi Gram, Tamil Nadu. It's basic objective was to promote the Indian Values of Education, as well as to promote the deprived section of the society.

I hope that you will accept my request and to provide your valuable suggestion for the development of Vidyapeeth.

With regards,

Yours sincerely

(PROF. S.S. SARANGDEVOT)
