

DEMOCRATS

DEPARTMENT OF POLITICAL SCIENCE
SHIVAJI COLLEGE
(UNIVERSITY OF DELHI)

REPORT OF THE EVENTS AND ACTIVITIES
SESSION 2023-24

“DEMOCRATS,” the Political Science society of Shivaji College, offers Students ample opportunities and adequate exposure for their involvement in activities beyond the traditional classroom setting. The society organizes educational seminars, special lectures, educational tours, and competitions such as essay writing, conventional debates, poster making, and quizzes to enhance Students' skills, awareness, and knowledge. Additionally, the society is actively engaged in initiatives to support underprivileged Students.

- ❖ National Seminar on **POLITICAL FINANCE IN INDIA IN COMPARATIVE PERSPECTIVE** was organized on 1st of May 2024 in the Old Auditorium of the College. The chair for the session was Prof. Rekha Saxena from the Department of Political Science (University of Delhi) and the keynote speaker for the day was Dr. Eshwaran Sridharan, Academic Director and Chief Executive of the University of Pennsylvania Institute for the Advanced study of India (New Delhi).

- ❖ Conventional Debate titled विधि विमर्श: **DEBATE ON INDIAN POLITICS** was organized on 2nd of May 2024 in the Old Auditorium of the College. Students from various Departments joyfully participated and debated the issue of Uniform Civil Code with special reference to the multicultural context of the Indian

society. Prof. Tejvir Singh Rana from the Department of Geography, and Dr. Jyoti Sharma from the Department of Hindi of Shivaji College were presiding as two Judges for the Debate.

The lectures by guest speakers were followed by an interesting and insightful Panel Discussion on the issue. At the end of the event, Faculty member and Students from various departments contributed to the debate by raising their queries and questions for the panel at the dais that led to the successful concluding of an enriching interactive session.

The participants were provided with an online link for their feedback. The link to the data associated with the program is pasted here:
