

The Discipline & Student Advisory Committee is entrusted with the work of maintaining law & order in the College, as Shiraji College has adopted a policy of zero-tolerance, as far as indiscipline is concerned.

It is in keeping with this sentiment that the Committee works towards taking up, on an urgent basis, any / every complaint registered by students. In the current academic session, the Committee tried to look into every complaint received, in utmost details & came up with solutions, for the same. The Ram Jaan-bhoomi Mandir Inauguration saw a galaxy of programmes in the College campus, under the supervision of the Committee.

DUSU & SCSU elections are the high point of the academic session, as it involves training students to become part of active citizenry. The Discipline & Student Advisory Committee

Saw the complete fruition of the process, which was carried out in many phases. This included the adoption & successful implementation of the Hon. High Court's order regarding reversal of defacement of public property in college & premises around the college.
