University of Delhi is in the process of revising the syllabi of the Under-Graduate courses. In this connection the Committee of Courses in Botany also discussed the matter in a preliminary meeting on 3 July and suggested some modifications. We wish to have involvement of large number of teachers to suggest the modifications to have a balanced syllabus of B.Sc. (H) Botany and Life Sciences

In this regard we request the TIC's/ Head of the department to facilitate the syllabus revision, by involving the teachers of the particular papers. Revision is required in the context to remove the overlapping of the contents of papers, merging of similar papers, creation of paper, moderation of the contents of the papers, title change, and making Skill Enhancement papers attractive etc.

It would be highly appreciated if the revisions can be sent to Head of The Department of Botany (hodbotanydu@gmail.com) by 25 July 2018.

Thanking You and with regards
