Shivaji College- Animation Students with their work

## Shivaji College offers placement linked skill development training in partnership with National Skill Development Corporation

# National Skill Development Corporation

Posted On: **2015-10-24 22:50:22**

Shivaji College is offering placement linked skill development training to the students as a part of MOU signed between Delhi University and National Skill Development Corporation. The college has enrolled around 150 students, highest number of enrollments in any college in this year.

Shivaji College has provided the required infrastructure like classrooms, projectors and labs for practical sessions for successful implementation of the programme. Mrs Suman Kharbanda and Mrs Usha Sharda are coordinating the implementation of these programs along with their committee. Principal Dr Shashi Nijhawan is personally involved in the project right from technical presentations of the partners, to motivating the students and allocating the staff.

This training programme will get concluded by February 2016. A placement drive will be organised in association with the NSDC Training partners and Sector Skill Councils post completion of training and assessment of students.

Commenting on this initiative, Mr. Rajiv Mathur, Head – Standards & QA, National Skill Development Corporation said, "NSDC is pleased and honored to partner with Delhi University. It is a good opportunity for the students to supplement their theoretical knowledge with practical hands-on training that will improve their employability in the increasingly competitive job market in the country and transform their lives."

"We plan to commence similar kind of training in other colleges of DU where admissions are currently going on. NSDC training partners such as Safe-educate, NIIT, Ants Consulting and Skill Tree are implementing the programme across the identified sectors. Towards the end of training, all the students will undergo assessment and certification by respective sector skill councils." He further added.

Commenting on this initiative, Principal, Dr. Shashi Nijhawan said, "We are happy to collaborate with NSDC for skill development of students of our college. These courses are expected to make our students employable by the time they complete their graduation. We have got a good response from the students and expect that more and more students will avail this opportunity."

"We are quite excited by the overwhelming response of students and hope to give additional value to their graduation" said Mrs. Suman Kharbanda, who is regularly in touch with NSDC for smooth running of the Courses.

The MoU between National Skill Development Corporation & Delhi University was signed in November last year. NSDC has already completed the pilot program in Dayal Singh College. Almost 70% students have been placed in jobs post their assessment and certification.

The objective of the MoU is to improve the employment potential of the students of the University of Delhi with systematic training, certificates of competency, and placement assistance. The various programmes offered are aligned to Qualification Packs (QP) and National Occupational Standards (NOS) developed by NSDC through Sector Skill Councils, so as to bridge the gap of industry requirement for suitable jobs.

# MenEngage Delhi, Maitri India, CFAR and Nazariya Foundation

WDC Report 2016-17

Women's Development Cell (WDC) of Shivaji College aims at creating awareness and mobilizing youth to achieve the objective of gender equality. The cell ensured active participation of male faculty and boys of the College towards gender related issues in all the activities endorsed by WDC during the academic year 2016-17.

**Women's Development Cell** collaborated with many organizations such as One Billion Rising (OBR), Maitri India, MenEngage Delhi, Centre for Advocacy and Research (CFAR) and Nazariya for organizing various awareness programmes throughout the year.

With the objective to condemn violence against women WDC organized an event "**AB AUR NAHIN**" on **August 26, 2016**. The event commenced with a workshop on *Domestic Violence* conducted by **Maitri India** followed by an interactive session on *Engaging Men for Social Justice* by Mr. Ahmed Faraz from **MenEngage Delhi**. Street play *Mera Wajood* organized by Centre for Advocacy and Research challenged the patriarchal systems prevailing in Modern India. The event concluded with poster making competition.

In its earnest attempt to advocate gender equality, WDC organized an event "**Mera Wajood**" on **7<sup>th</sup> October, 2016**. The event included many sessions with our collaborators. **Nazariya**, conducted a talk on '*Exploring the Self through the Lens of Gender*' which was followed by an interactive session on '*Exploring the layers of masculinities*' by **MenEngage** Delhi and One Billion Rising.

Women's Development Cell, in its efforts to generate awareness against gender related discrimination, organized a **Gender Fair**, sponsored by UGC, on the theme '**Being a Woman**' on **February 2<sup>nd</sup> & 3<sup>rd</sup>, 2017**. The event highlighted WDC's resolve to transform the rigid mindsets that are plagued with patriarchal overtones. This two day Fair comprised of panel discussions and talks by eminent activists working for gender equality, followed by events like flash mob, cultural performances etc. The event was inaugurated by **Ms. Kamla Bhasin**, South Asia Coordinator, **One Billion Rising** and famous wrestler cum coach **Sh Mahavir Singh Phogat** and his wife **Smt. Daya Kaur**. The inauguration was followed by a panel discussion on "**Gender Identity: Myth or Reality**" which aimed to critically deliberate on socially constructed perceptions of masculinity and femininity. The fair featured plays by Asmita Theatre Group and Breakthrough along with session by MenEngage, OBR and various inter-college competitive events. The fair concluded with the presentation of **Jijabai Achievers' Awards 2017 and release of coffee table book and a documentary**. The awards are conferred upon individuals with extraordinary contributions in the field of women safety, health, social security, education, skill enhancement, etc.

The recipients of the **Jijabai Awards** for this year are as follows:

**WDC** released a coffee table book “**Udayan: A New Beginning**” compiled by students and teachers of Shivaji college. This book is a reflection on metamorphic life journeys of ten ordinary individuals, who promoted gender equality in a way that has transformed the rigid and patriarchal definitions of masculinity. Their incredible contribution to women empowerment aptly defines the role of men as real agents of change in the process of gender equity. This book celebrates the contribution of unsung heroes who have made dedicated efforts in their distinct ways to end the gender stereotypes plaguing our society. It also explores the contribution of transgender community in recognizing perspectives beyond socially constructed gender-norms.

WDC also released a documentary ‘Tera Wajood’. It showcases the journey of four Jijabai Awardees, who in spite of facing all odds did a commendable job in their respective fields.
