

# SHIVAJI COLLEGE (UNIVERSITY OF DELHI)

## FEEDBACK ANALYSIS AND ACTION TAKEN REPORT 2019-20

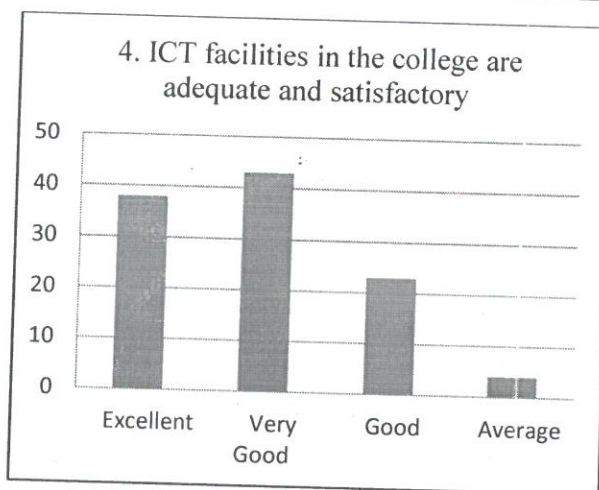

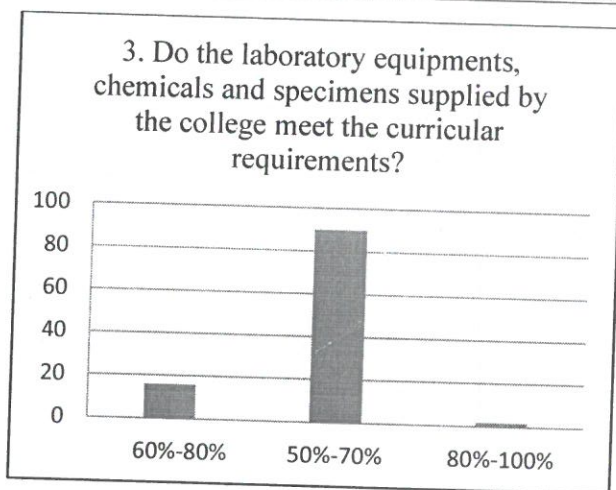

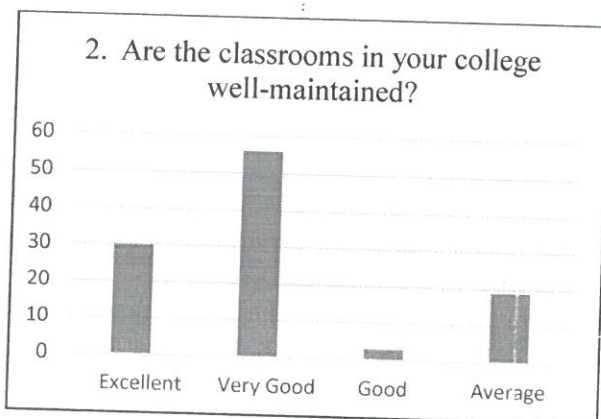

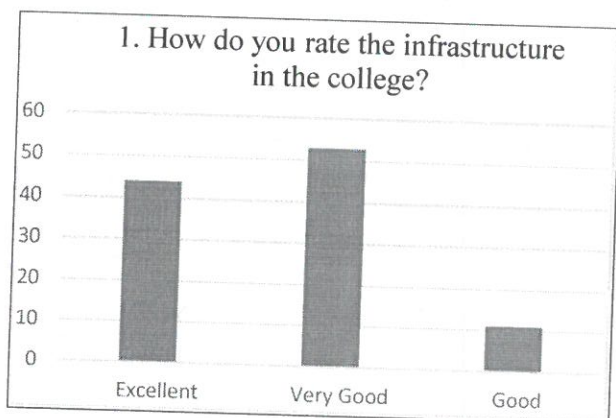

The process of collecting feedback from all stakeholders through online mode has been initiated from the year 2020. Previously, the College would take regular feedback from the students regarding various aspects of the College through an online portal, and the feedback of teachers and alumni was taken during various meetings held during each academic session.

This year, college has obtained feedback from students, teachers, non-teaching staff, parents and alumni through this process. The feedback forms are available on the college website and can be filled online. Following the collection of feedback, the data has been analysed. Based on feedback analysis appropriate actions were taken, as mentioned in this document.

### A. FEEDBACK ANALYSIS AND ACTION TAKEN REPORT: TEACHERS

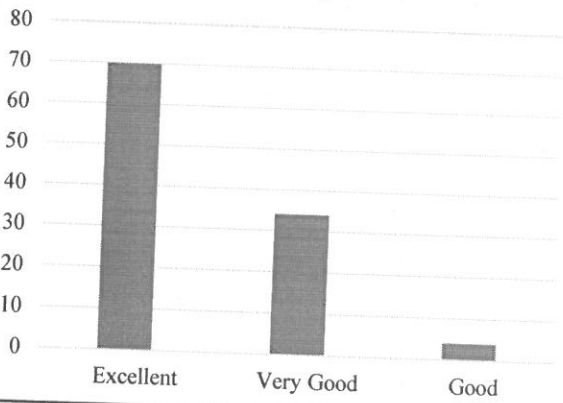

A feedback was taken by the IQAC from the Teaching faculty about the infrastructure available in college and various other aspects in 2019-20. Presented here are some findings of the feedback collected and a summary of the actions taken.

#### 1. Graphical Representation of Feedback Analysis (Teachers)

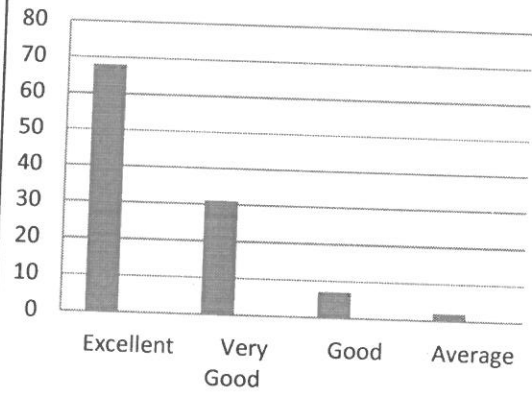

Rwardhan

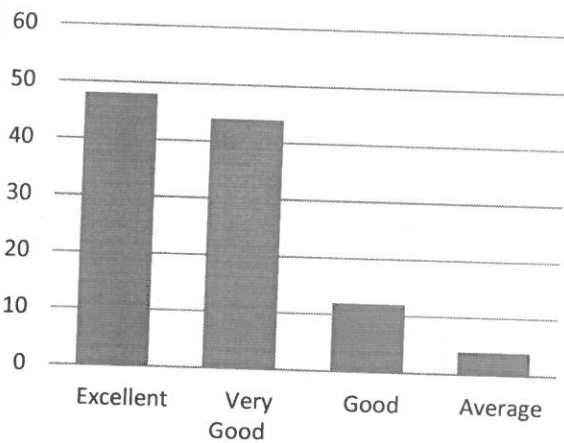

5. How would you grade the collection of books in the college library and the userfriendliness of the library management?

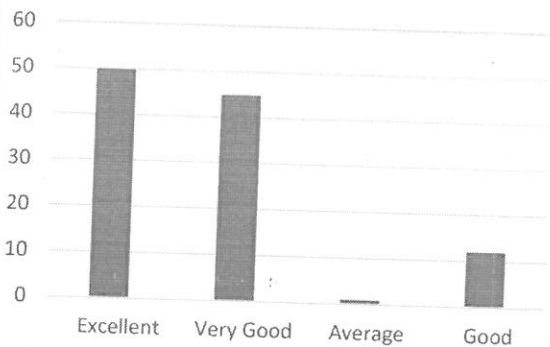

6. Does the college provide adequate opportunities and support to faculty members for upgrading their skills and qualification?

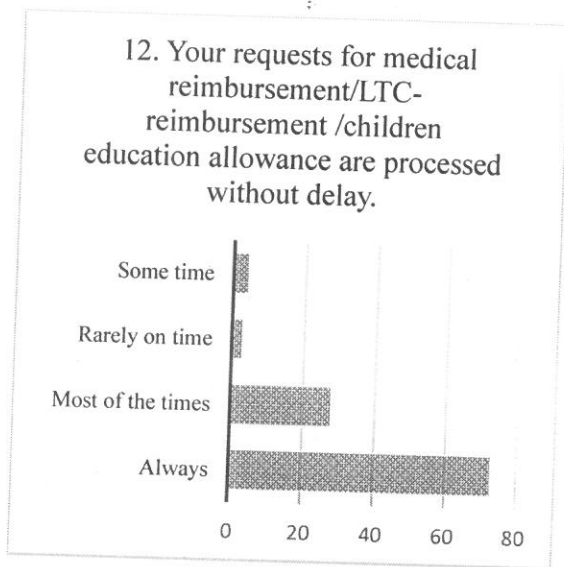

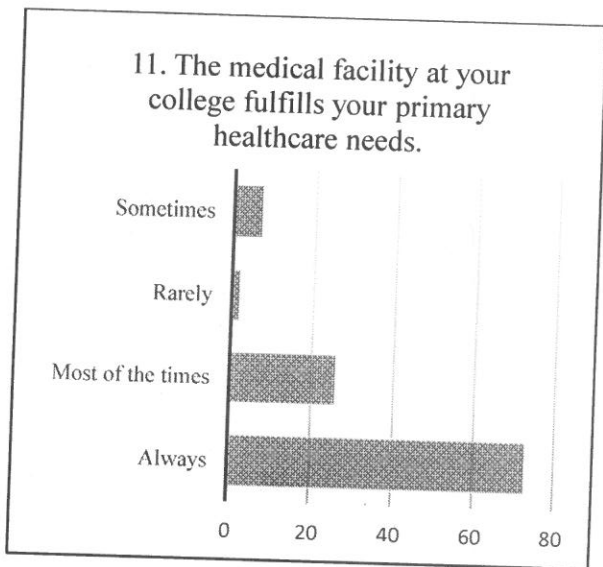

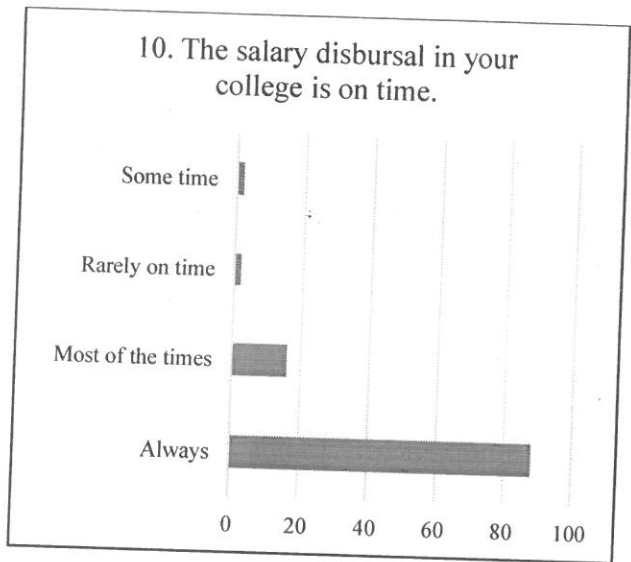

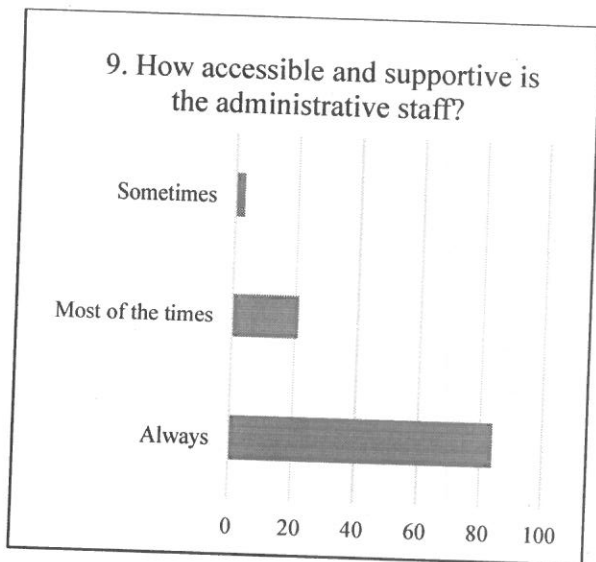

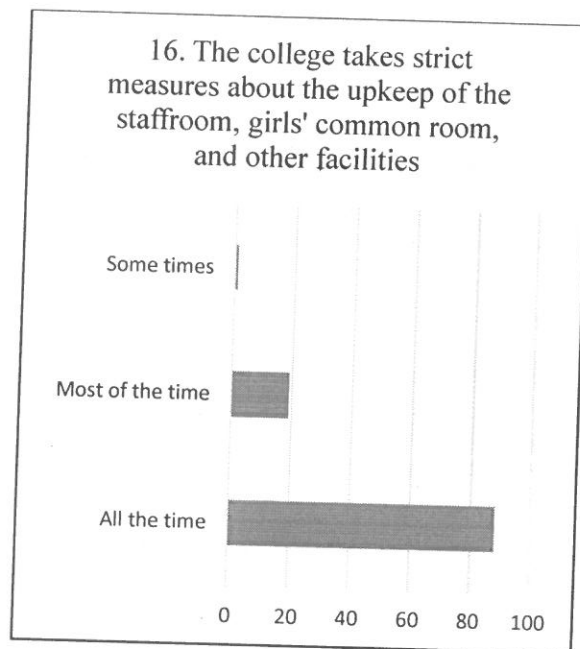

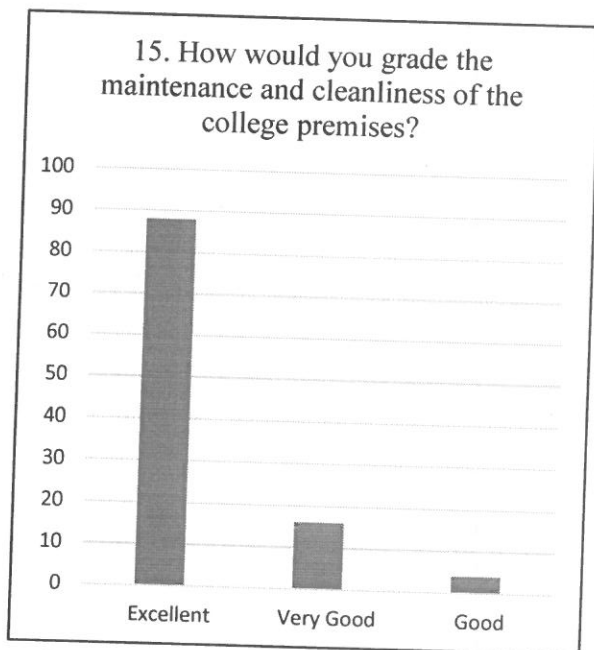

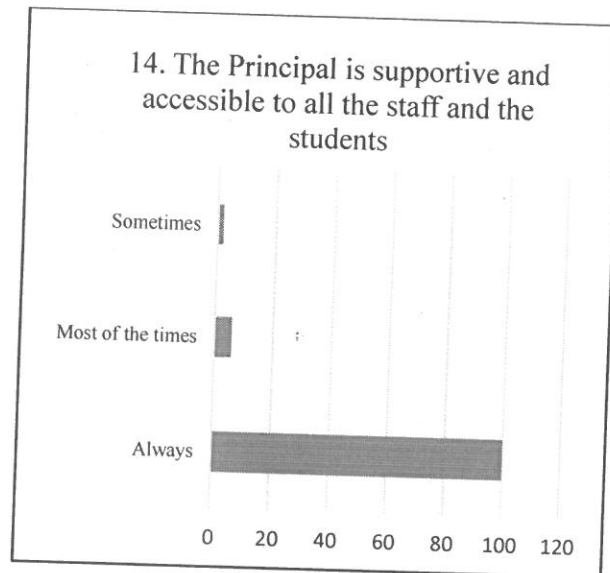

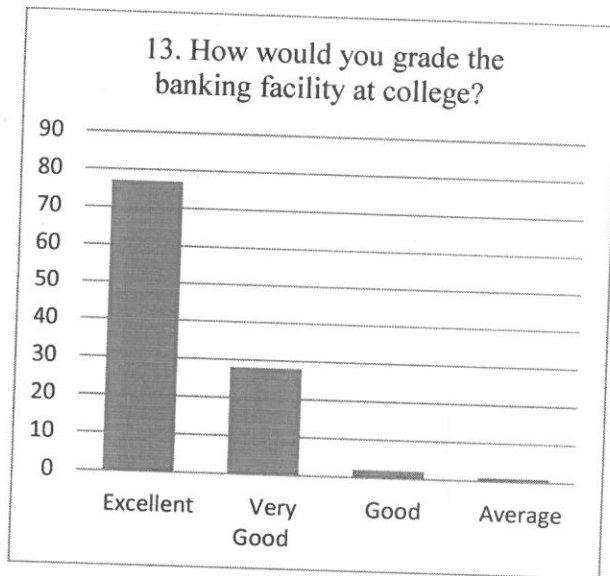

7. Is the environment in the college favorable for teaching and research?

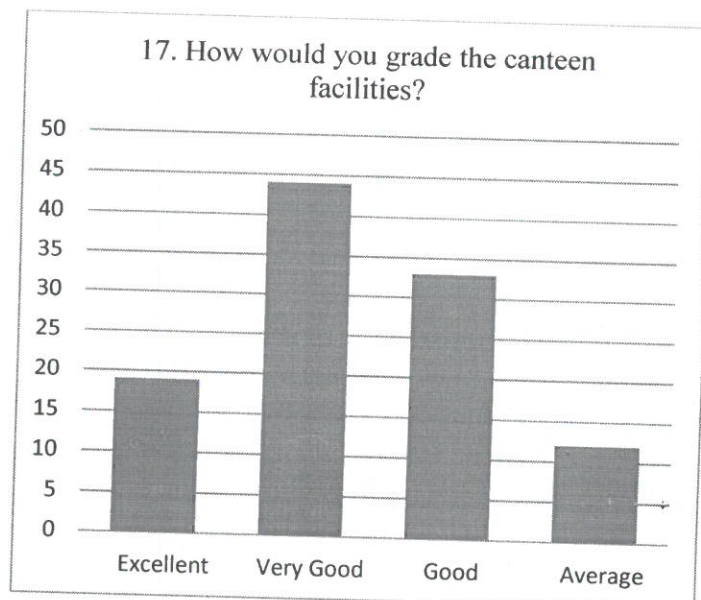

8. Is the academic environment in the college conducive for adopting new methods/strategies of teaching to assist experiential learning among students?

## 2. Action Taken on The Basis Of Feedback Received (Teachers)

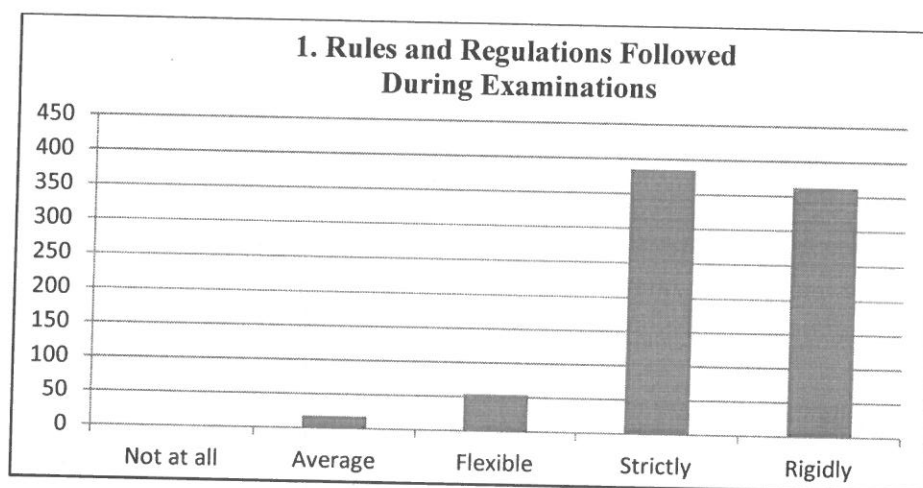

S. No	Suggestions	Action Taken
1.	There is need for more smart class rooms.	The New building is facilitated with state of art lecture theatres
2.	There is a scope to improve the research facilities for providing hands on experience to students.	College has received financial grant under the DBT sponsored Star College scheme under which there are several ongoing student related projects as well as provides hands on training to the students
3.	To improve quality of education more practicality should be linked with subjective curriculum. We should also put more emphasis on skill-based learning and promoting entrepreneurial skills in the students.	The curriculum has Skill Enhancement courses (SEC) and the college also has an Entrepreneur Development Cell (EDC) to identify the budding entrepreneurs.
4.	Offer some short terms professional courses for students to improve education and their employability in the future.	Certificate courses have been introduced in college
5.	We can have some more industry academia interaction so that students are geared up to face the challenges of the real life. All students should be exposed	College has an active placement cell for promoting industry academia interaction, job fairs are organized every year.

	to life skill training workshops to prepare them for life beyond college. Internships should be mandatory for all students at the end of every year. The college can have a portal, linked to the industry where students could apply for internships.	
6.	Digitalization of all the documents required for NAAC self-study report.	The college is in the process of digitization of all documents
7.	Create new courses & fill the vacant posts	The college is a constituent college of University of Delhi and implements the rules made by parent university

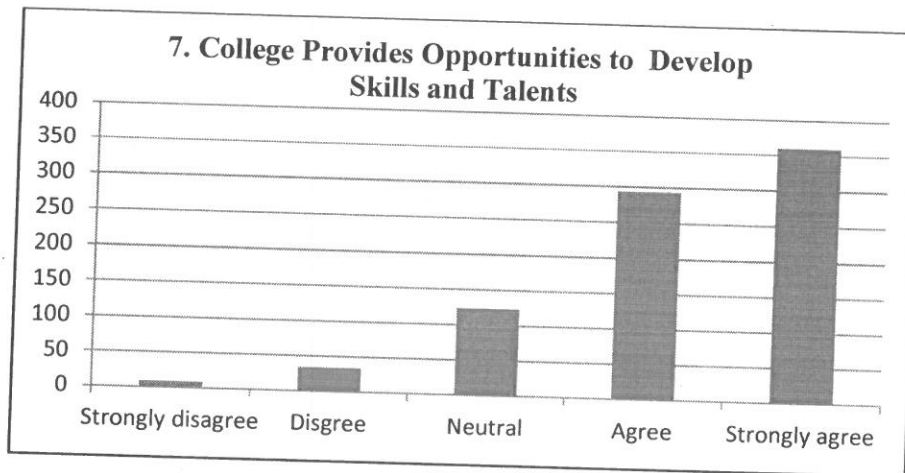

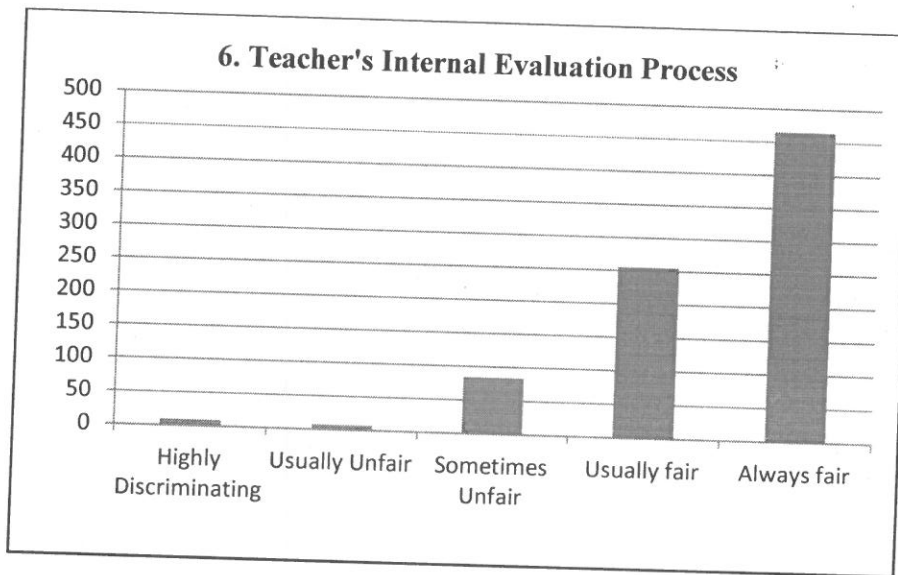

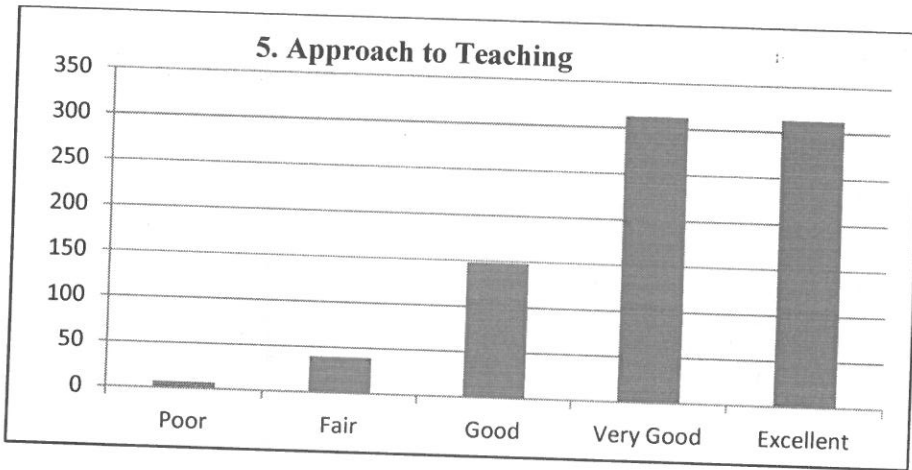

## B. FEEDBACK ANALYSIS AND ACTION TAKEN REPORT: STUDENTS

A feedback was taken by the IQAC from the students about the various aspects like infrastructure, facilities, quality of teaching, etc. Presented here are some findings of the feedback collected and a summary of the actions taken.

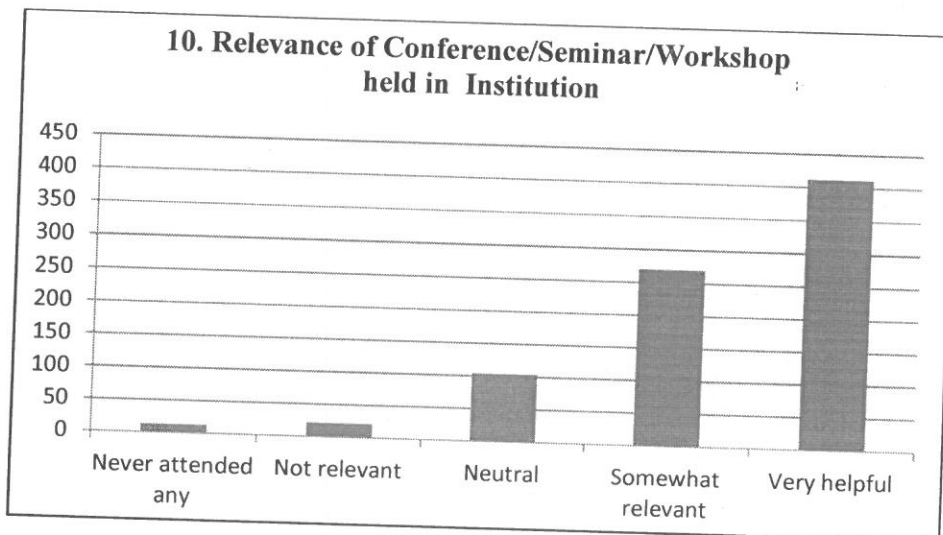

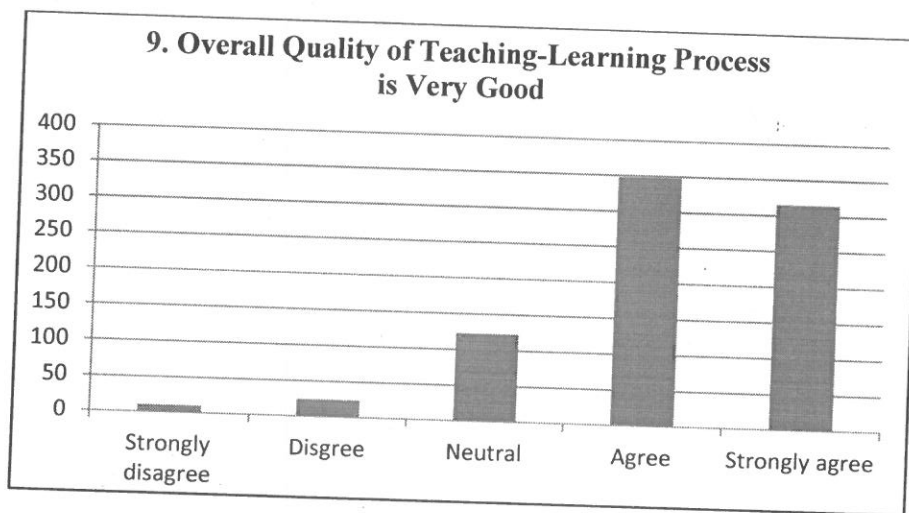

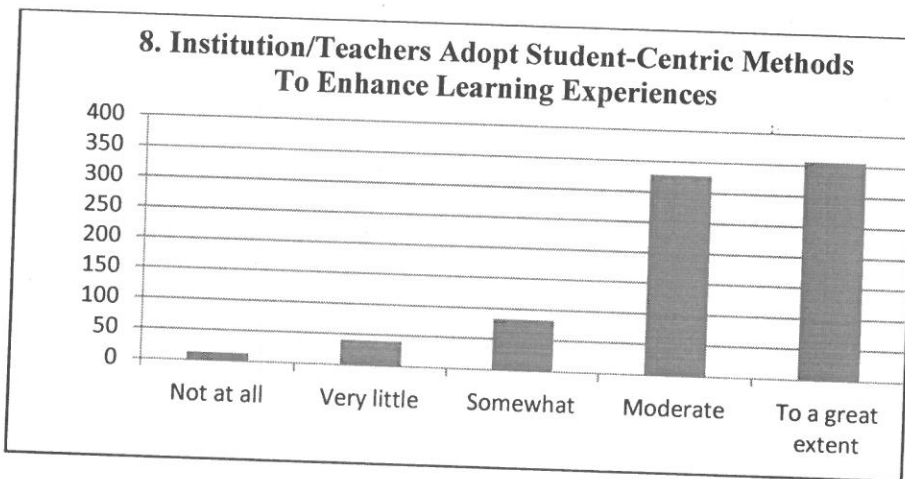

### 1. Graphical Representation of Feedback Analysis (Students)

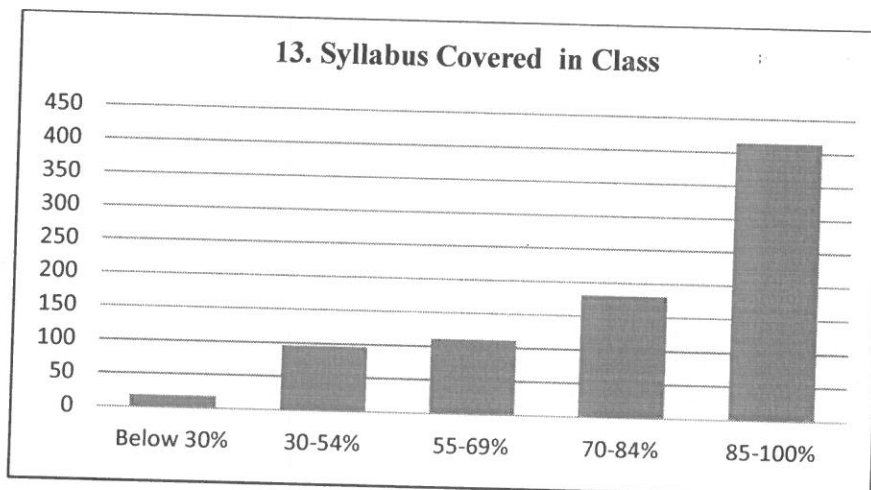

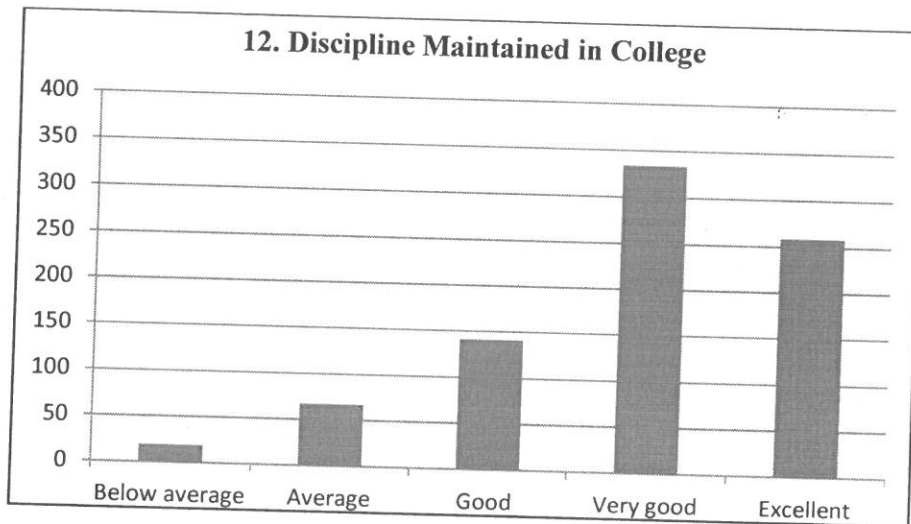

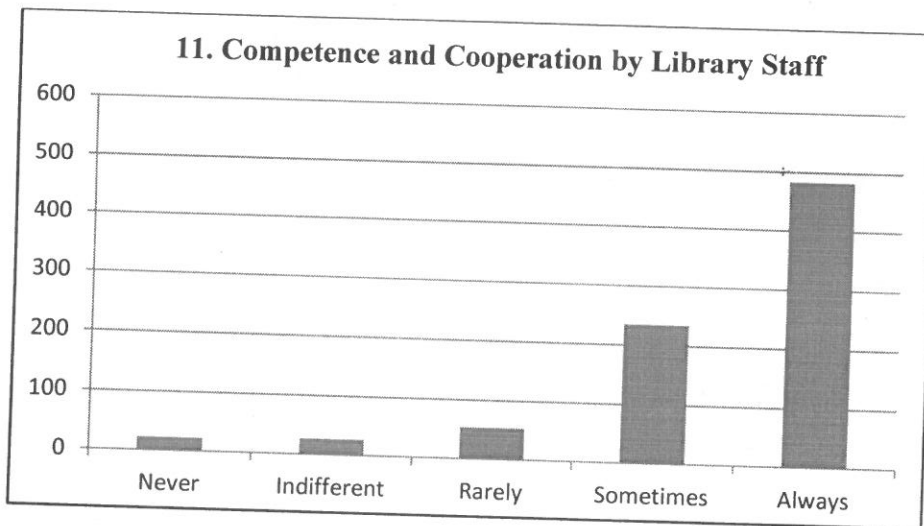

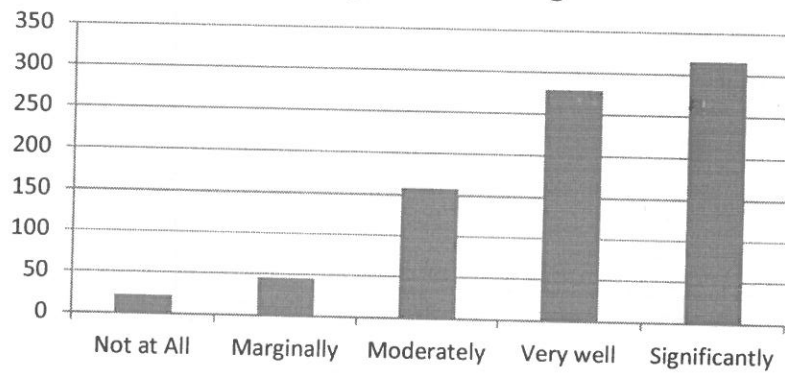

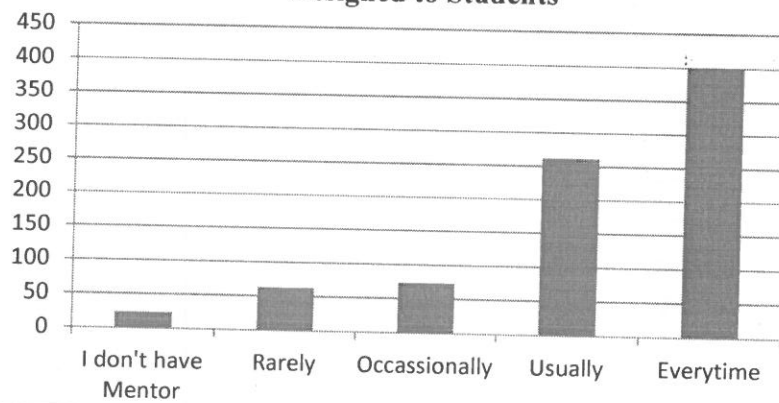

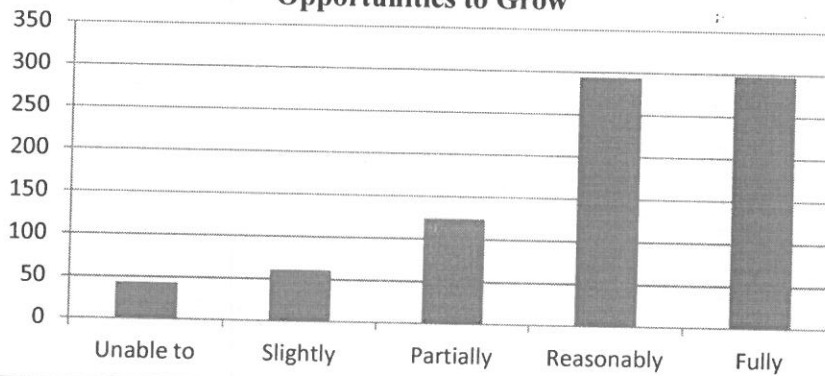

**14. Cognitive, Social and Emotional Growth by Teaching and Mentoring**

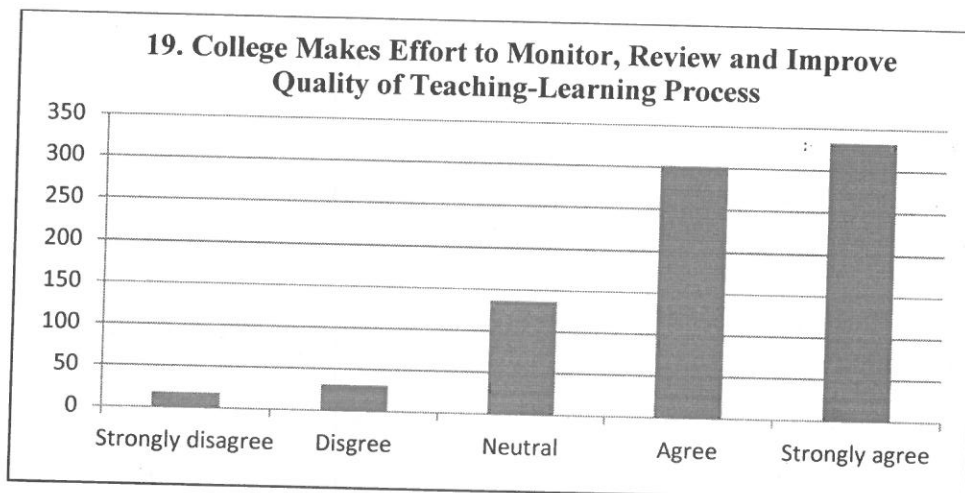

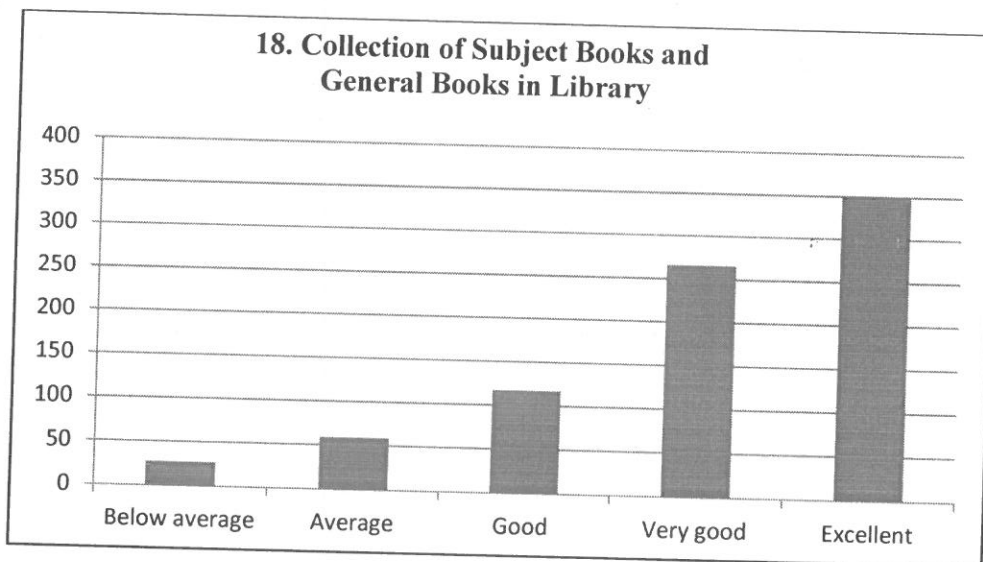

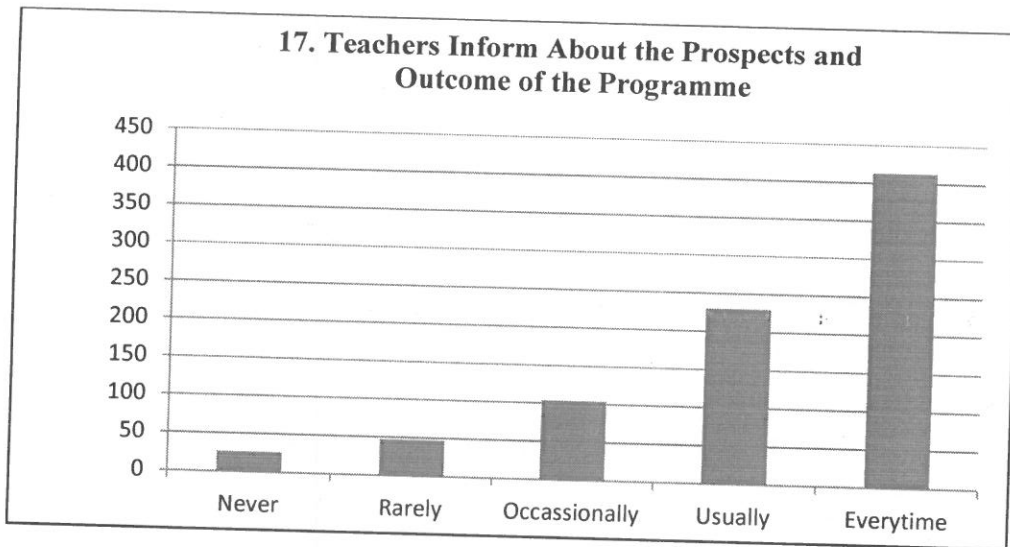

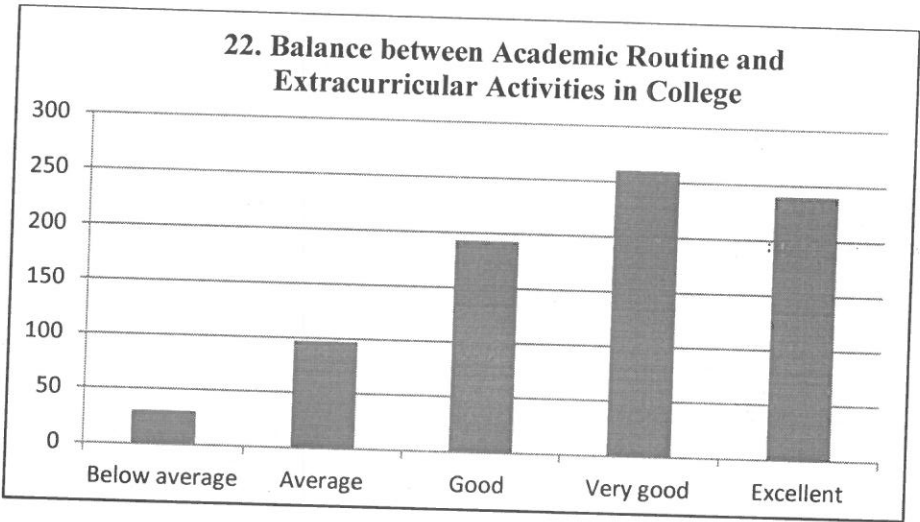

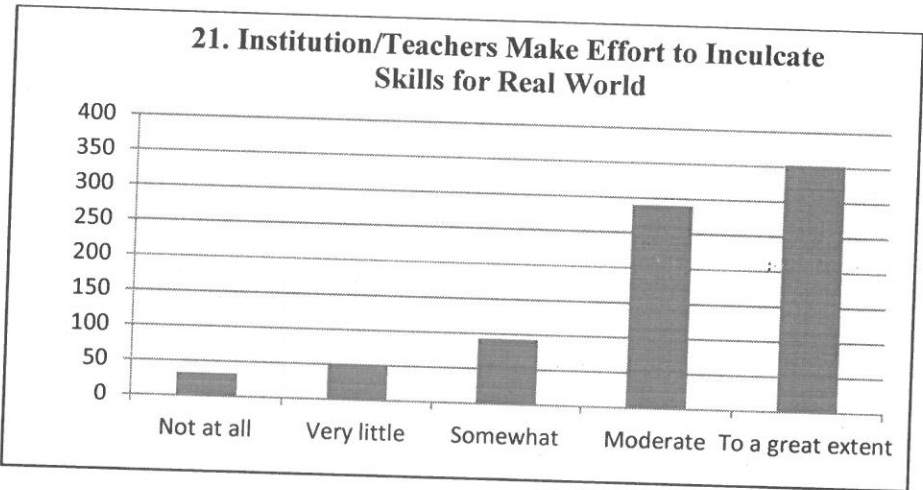

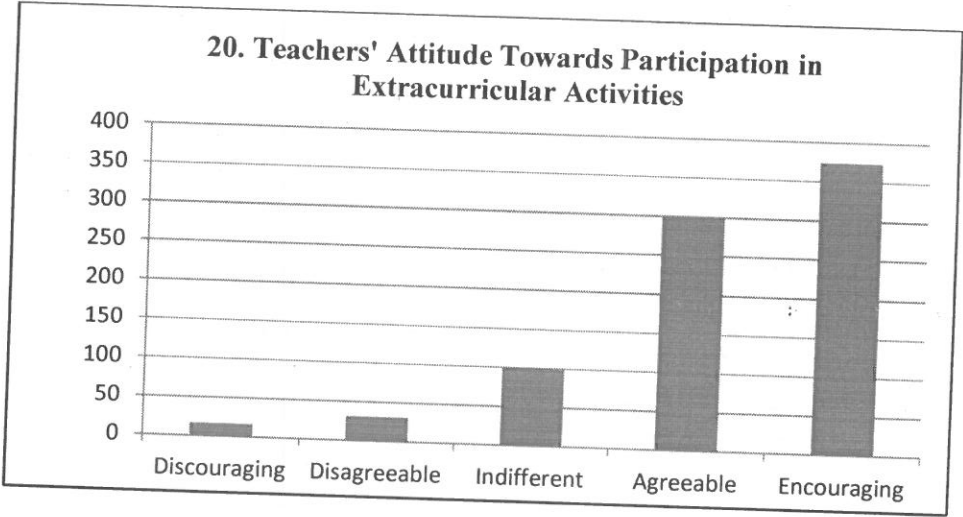

**15. Mentor's Follow-up with Task Assigned to Students**

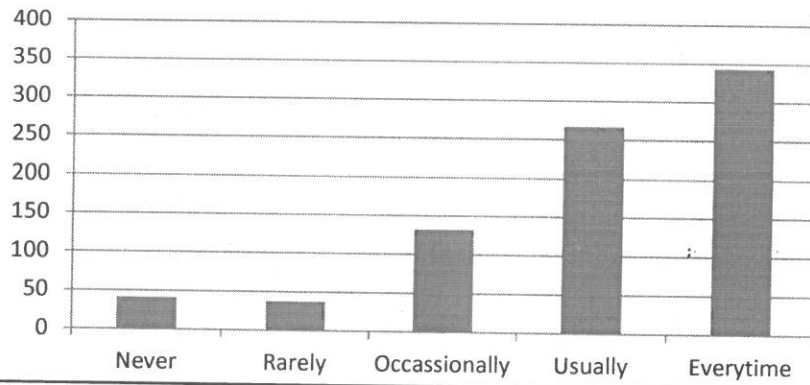

**16. Teachers Identify Strength and Provide Opportunities to Grow**

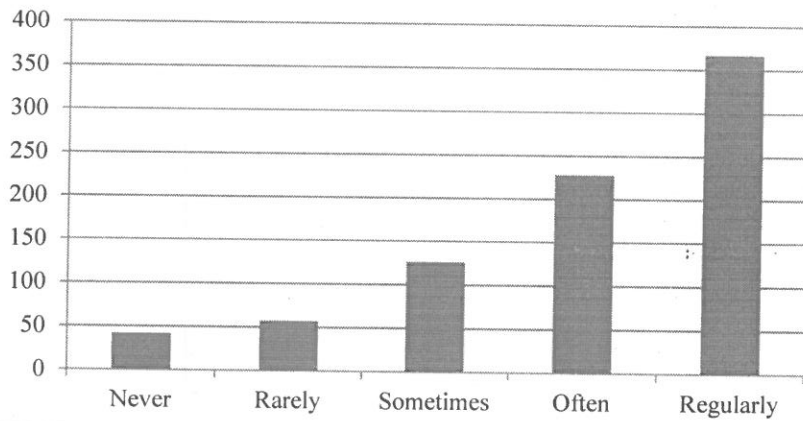

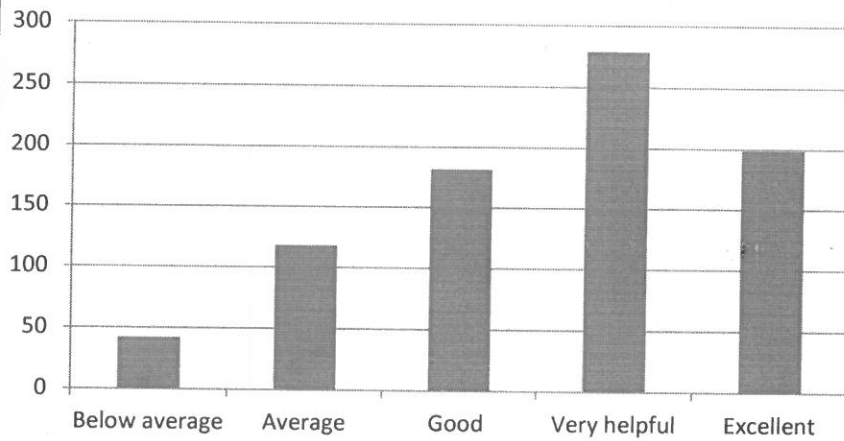

**23. Teachers Inform About the Expected Competence in Course**

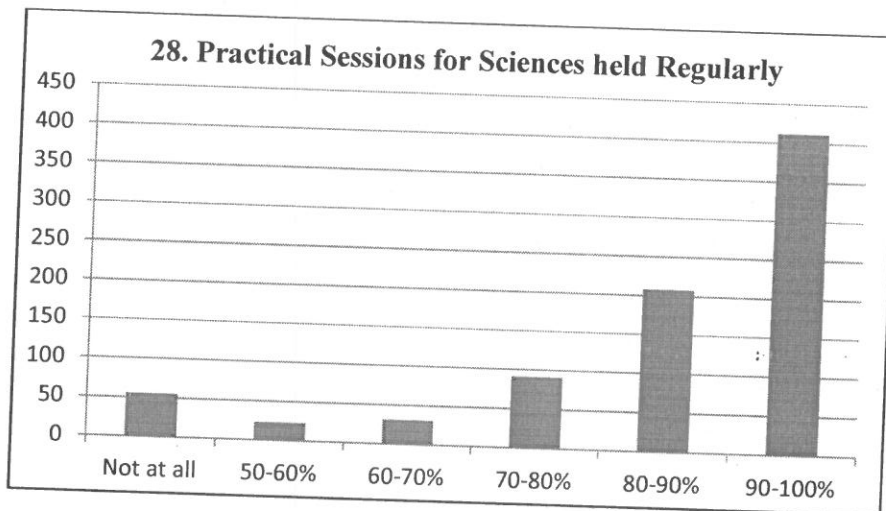

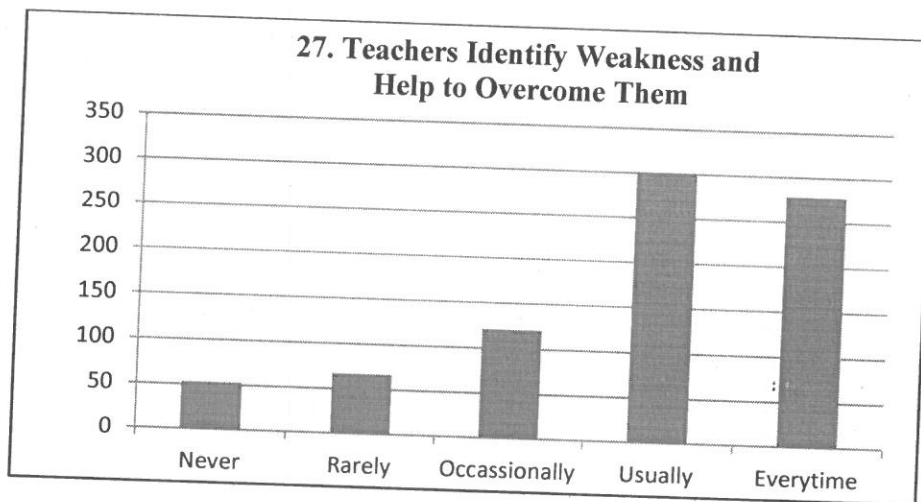

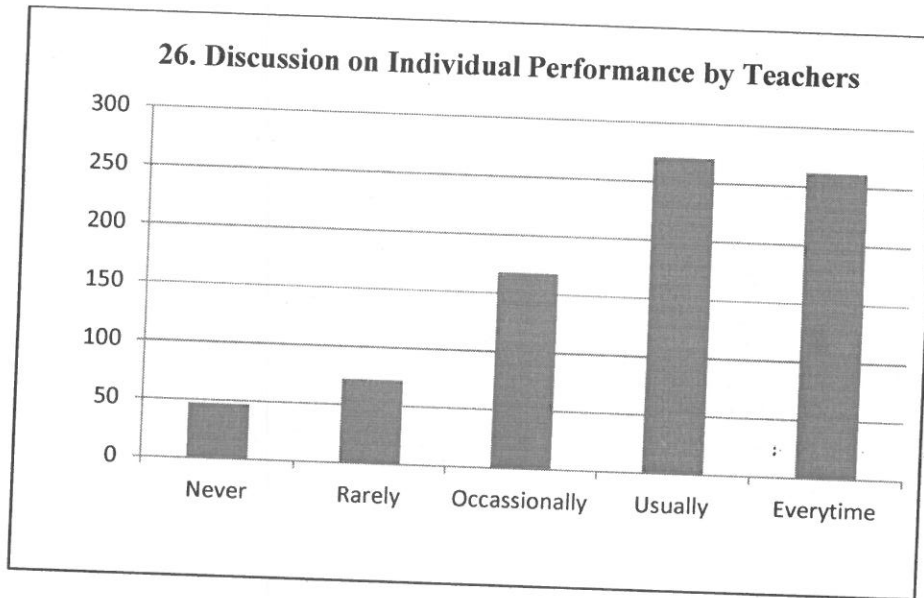

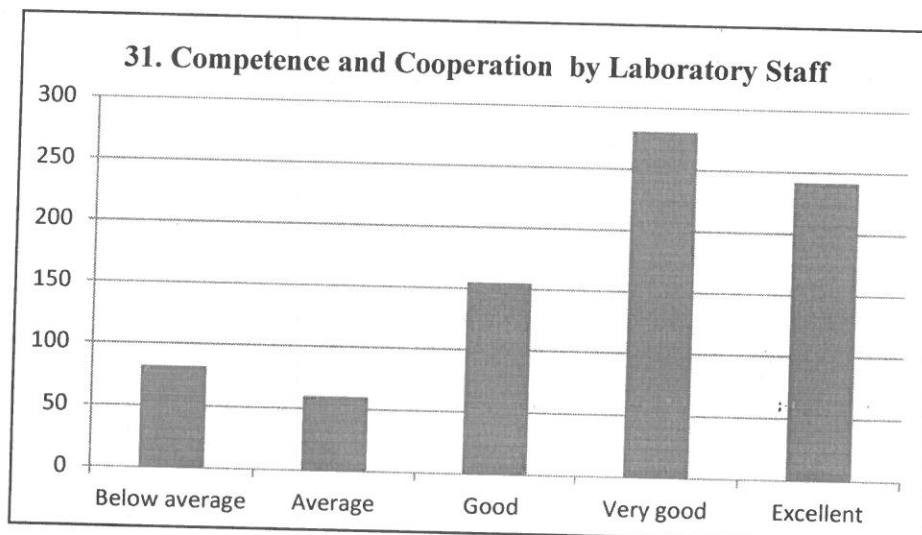

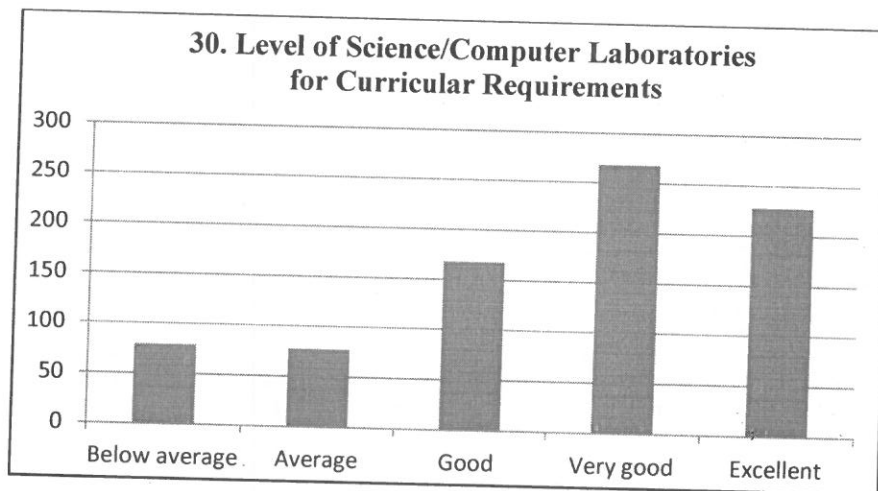

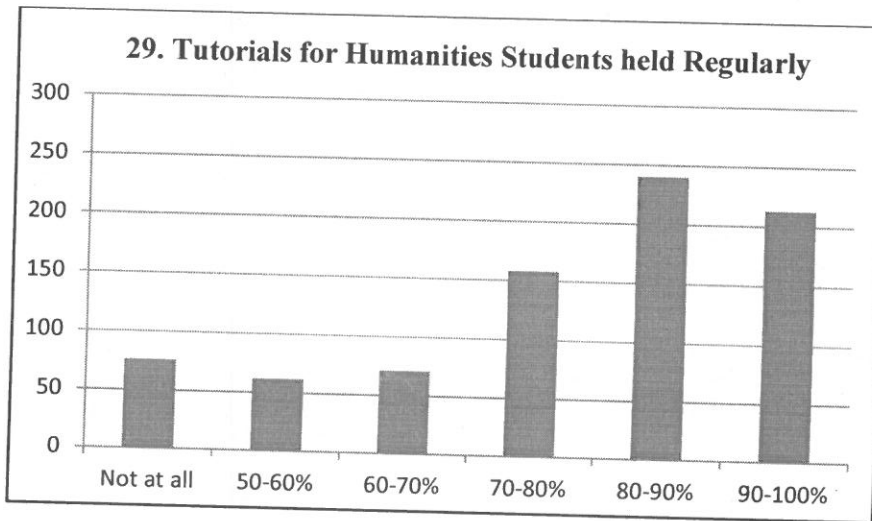

**24. Internship, Student Exchange and Field Visits by College**

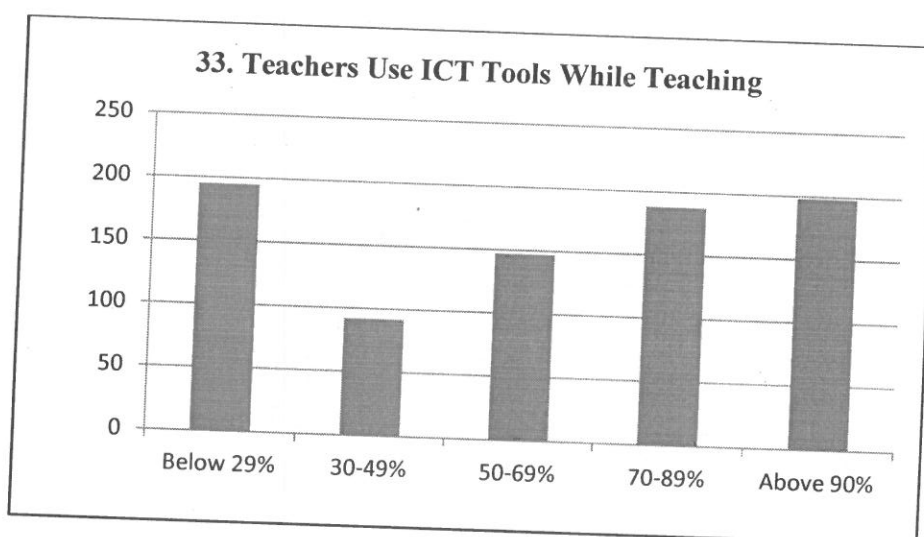

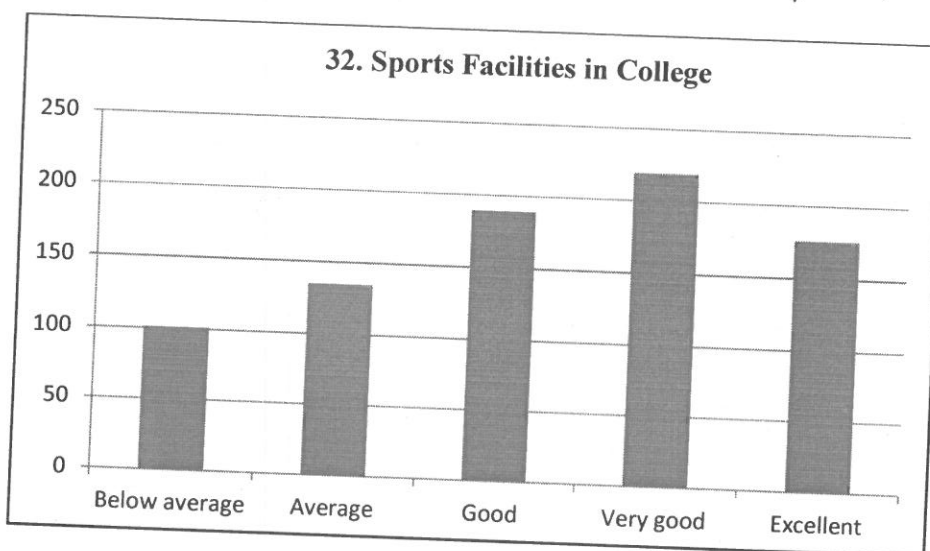

**25. Experience with Administrative Staff in Office**

## 2. Action Taken on The Basis Of Feedback Received (Students)

S. No.	Suggestions	Action Taken
1	Better classrooms.	The new building will have state of art lecture theatres.
2	A bigger auditorium that can accommodate more students in seminars and events	The new building has several seminar halls with state of art facilities.
3	Extracurricular activities need a boost.	The college caters to a plethora of extra-curricular activities under the umbrella of various societies such

		as cultural, NSS, NCC, SPADE, ENACTUS, TEDx.
4	During this pandemic period do not take online classes for more than 1.5 hours at a stretch. Sitting in front of phone and laptop for the whole day causes pain in eyes, decrease in eyesight and headache.	The Principal has instructed teachers not to take very long classes.
5	Teachers should talk with students about the problems faced by them.	The college has an active mentor mentee system for the students to discuss their problems with the teachers.
6	Hygiene should be improved in washrooms and canteen.	The college has a dedicated team for workers for maintaining hygiene of the college.
7	Discussion of higher education with the students should be done on regular basis. Teachers must talk about the post-graduation opportunities, entrance examinations and tips to crack the entrances.	Departments have held career counseling webinars.
8	Upgradation of infrastructure requested.	College has just inaugurated the new building that has state of art infrastructure.
9	The college should take different government research projects that will encourage the students to solve the problem in the project and help the nation.	College has received financial grant under the DBT sponsored Star College scheme under which there are several ongoing student related projects.
10	Notes should be provided by College/Teacher/Library of each subject.	E-content is regularly uploaded by all teachers on college website.
11	In online education, it\ld be helpful if live classes are recorded for revision or for those who missed the class.	The E-learning cell of college encourages teachers to record their videos.
12	Attendance should not carry any weightage, i.e. no boundation regarding attendance.	The college is a constituent college of University of Delhi and implements the rules made by parent university.
13	Library timings must be extended to 7	The college library timings have

	PM daily.	been extended to 7:30 PM.
14	Needed practice area for cultural societies.	Special rooms have been assigned to Cultural society for practice & other activities.
15	Participation in cultural and other societies should be encouraged by the teachers.	College has several societies to help in the overall growth of societies and students are encouraged to audit for the societies in accordance to their skill.
16	Students preparing for entrance should be supported and encouraged.	Special sessions are held to help students to explore possible career options.
17	In our time table, we should have a separate period for doubt sessions for every subject.	Teachers are always available for clearing doubts of the students.
18	Use ICT tools.	Use of ICT tools is encouraged by all teachers.
