The emblem of Shivaji College symbolizes the rising sun of knowledge and light which dispels darkness of ignorance to awaken the human conscience. The lotus symbolizes art, culture, beauty and serves as a symbol of struggle against evil and conflict. The two stalks of wheat represent fruitfulness and prosperity. Shivaji College was founded by the organizing committee of the Vishwa Krishi Mela. Perhaps this is why the logo of the institution represents the union of man with nature. The logo stands as a vision of prosperous life for all mankind, inspired by this very union.

शिवाजी कॉलेज के प्रतीक चिन्ह में उगता सूर्य, कमल का फूल और गेहूँ की बालियाँ सम्मिलित हैं और 'अमृतं तु विद्या' इसका ध्येय वाक्य है। से भी प्रतीक अपने अन्दर सुन्दर भावों को समेटे हुए हैं।

विद्या नैतिकता प्रदान करती है और नैतिकता सूर्य के समान ऊर्जावान होती है। उगता सूरज ज्ञान के प्रकाश का प्रतीक है, जो अज्ञानता के अंधकार को दूर भगाता है और विवेक की ज्योति को जगाता है। कमल कला, संस्कृति और सौंदर्य का परिचायक है जो बुराईयों, प्रतिघातों संघर्षों के बीच अच्छाईयों के खिलखिलाने के प्रतीक है साथ ही निष्काम भाव से काम करने की प्रेरणा भी देता है। गेहूँ की बालियाँ हरियाली और समृद्धि का द्योतक है। शिवाजी कॉलेज विश्व कृषि मेला आयोजन समिति के द्वारा प्रारम्भ हुआ था। 'अमृतं तु विद्या' विद्या अमृत के समान है जो सदा जीवित रहती है और मनुष्य को सजग रखती है।

SHIVAJI COLLEGE (NAAC ACCREDITED “A” GRADE) A CENTRE OF ACADEMIC EXCELLENCE

Shivaji College, a constituent College of University of Delhi, is governed by the Delhi Administration. It is a co-educational institution offering various courses in Humanities, Science, and Commerce at undergraduate and post-graduate levels. The College has completed 58 years in the area of education.

Shivaji College was founded in 1961 by the renowned social activist and farmer-leader, Honourable Dr. Panjab Rao Deshmukh, then Union Minister for Agriculture, to meet the needs and ideals of higher education in a predominantly agrarian area. Till some years after its inception, the college functioned from a temporary building in village Matiala. It was taken over by the Delhi Government, and relocated to Karampura, in 1967. The college finally shifted to its present location in 1976.

Since its inception in a small structure in rural Delhi with borrowed science laboratories, the College has

come along way in 2021 with a campus spread over an area of 10 acres, used for academic purposes, residential complex and sports ground. The total built area of the teaching and administrative blocks is 10,002 sq. metres. There are 46 lecture rooms, most of which have multimedia projection facilities. In addition, there are 6 tutorial rooms and 14 science laboratories. There are 4 computer laboratories with all the required software. In addition, the new Jijabai Academic Block was inaugurated in February 2020. It has six state-of-the-art laboratories, one multipurpose hall, three auditoria with multimedia facilities, 12 smart lecture halls, eight research laboratories, four staff rooms, and elevators.

Reputed Faculty

The College has an energetic and vibrant faculty that encourages students to go beyond textbooks and acquire experiences that will enable them to become culturally sensitive and socially responsible individuals. We aim towards holistic development of students, thereby nurturing them in a way that they contribute to the wellbeing of society and nation. The Internal Quality Assurance Cell of the college ensures quality teaching and monitor the progress of students. A number of the

senior faculty members are supervising Ph.D. scholars registered with the University of Delhi as well as other universities. Many of them are working on UGC sponsored major and minor research projects and on university sponsored Innovation Projects.

Library

The college library has 80,533 books and subscribes to 07 print journals. All the books are bar-coded and have RFID tags. The library has KOHA Library Software since 2019. It has one reading hall for students (seating capacity of 75), and two halls with computer facilities: one for students (seating capacity of 60) and another for faculty (seating capacity of 15). There are 33 Angles (Talking Digital Portable Daisy Players), 29 tape recorders, 10 I-PODs, 02 Braille kits, one Lex Air (Portable Camera Reading System), and Notebook Computer for visually challenged students. The library provides access to 6000 plus e-journals and 1,64,300 plus e-books on <https://nlist.inflibnet.ac.in/>, 6,00,000 e-books on National Digital Library, and many more on www.du.ac.in portals.

Sports and Games

Shivaji College has one of the biggest playfields in the whole of Delhi University. There are one cricket field of radius 60m and four cricket nets (turf and cemented), one football field (100x50m), one basketball court (28x15m), one volleyball court (18x9m), and tennis court (23.8x11m), an indoor space for table tennis and chess; 400m grass athletic track. The total area of the sports ground measures 8.5 acres. Infrastructural facilities such as changing rooms and store rooms are also available for the students. The football field is equipped with Highintensity light. The Sports complex also has a gym and is within the range/view of CCTV cameras. The college sports teams participate in inter-college and interuniversity tournaments.

College Cafeteria

The cafeteria is the most popular space among the students to hang out and discuss everything ranging from classes and music to movies. Delicious and hygienic food, affordable prices and a good ambience make the college canteen the most frequently visited place. The Bru kiosk and Mother Dairy booth within the college premises also provide additional choices to the students by offering them fresh snacks and drinks at reasonable prices.

Laboratories

The college is equipped with modern and efficiently managed laboratories for science courses offered such as Physics, Chemistry, Zoology, Geography, Biochemistry and Botany. There are 10 laboratories, two each in Physics (with a dark room in each laboratory), Botany, Zoology, and Chemistry departments; and one each in Biochemistry and Geography departments. There are four instrumentation laboratories, one each in Botany, Biochemistry, Chemistry and Physics departments; and one museum in Zoology department. In addition to these, there are four computer laboratories. All laboratories are Wi-Fi enabled and equipped with projectors.

Magazine

The college magazine Shivraj provides a platform for young minds to share their experiences, thoughts, and opinions. The magazine publishes contributions from students and teachers in English, Hindi and Sanskrit language. Articles, poems, essays, and stories display the literary skills of students across various disciplines. The participation of students is actively encouraged by holding a cover design competition which provides the creative input in bringing out the magazine. It is eagerly looked forward to by the students because it is a cherished record of their vibrant college life.

College Auditorium

The auditorium is well-equipped with state-of-the-art audio-visual system, projector, and stage lighting arrangements. The college has one Wi-Fi enabled auditorium with a projector and seating capacity of about 500. It is the center for various extracurricular, cultural and educational activities like seminars, talks, debates, plays, movie-screenings and departmental festivals. For many students the auditorium provides the stage where they overcome their stage-fright and learn to give the first performances of their college life. In addition, the newly inaugurated Jijabai Academic Block has three auditoriums with multimedia facilities.

Convenient Location

Situated near the Ring Road, the college is within walking distance to the Rajouri Garden Metro stations on both the Blue Line and Pink Line. Centrally located and surrounded by various public amenities like hospitals, restaurants and shopping centers, it is well connected to airport and railway stations as well.

Research Avenues and Opportunities Research in interdisciplinary and trans-disciplinary are through the medium of Innovation Projects and classroom interaction (I.E.) is promoted. The College takes pride in offering well equipped science and computer labs. Free Wi-Fi login ensures that the students access e-journals and online databases subscribed by the University of Delhi.

Foreign Language Course Certificate courses

in German and French The college offers certificate courses in German and French Language which is open to students of all streams. This course is for a duration of two semesters and classes are held three times a week. Students who join this course shall have to fulfill the attendance criteria of 66 percent to appear for semester end examination. On successful completion of two semesters, he/she shall be awarded a certificate by the University of Delhi. The eligibility criteria and the details of admission to this course shall be notified on the website of the College.

Student Information System

Shiavji Platform for Academic Connect and Empowerment (SPACE) is a state-of-the-art ERP system. It is a digital platform for all students which provides online access to monitor attendance and internal assessment.

Banking Facility

Central Bank of India has a branch within the college premises. The staff and students can open accounts as well as avail other banking facilities.

Xerox Facility

There are two Xerox centers within the college where students can avail of photocopying and book binding facilities at a very nominal rate. While one photocopy outlet is situated adjacent to the main gate, the other operates from the library premises.

World University Service (WUS) Health Centre

The college has a WUS Health Centre in the premises for students and university members. Students can avail the health facilities - emergency services, free consultation, and free medical benefits - at a nominal rate of Rs. 120/- annually.

Harmonious Environment

The college authorities have installed a complaint box for students outside the Principal's office where grievances related to sexual harassment, ragging and eve-teasing can be submitted. The College campus is a smoke-free and vehicle free zone which provides a healthy environment for students' well-being.

National Cadet Corps (N.C.C.)

The N.C.C. Unit of Shivaji College is a group of motivated and trained youth that exhibit leadership qualities. The Boys' Wing is attached to the 2nd Delhi Battalion, New Delhi and the Girls' Wing comes under 7th Delhi Girls Battalion, Kirti Nagar. Our cadets have won many prizes at various camps and brought laurels to the college. Our cadets get the opportunity to attend national level training camps like Republic Day Camp, Army Attachment Camp, Thal Sena Camp, Trekking and Parasailing Camp. The N.C.C. also serves as a catalyst for joining armed forces as certain vacancies in IMA and OTA are reserved for N.C.C. 'C' certificate holders, and they are eligible to appear in S.S.B. interviews directly. Students who are medically fit and desirous of joining N.C.C. training are enrolled upon submission of an application at the beginning of the session to the N.C.C. in-charge.

National Service Schemes (N.S.S.)

The NSS unit of Shivaji College boasts of being one of the very active student-teacher cells of the college. It aims to fulfil the directives given by the University authorities associated with the state. The NSS, side by side, works for the continuous and holistic development of our volunteer students who are encouraged to fulfill their social responsibilities to the fullest. The faculty, at NSS, along with the indefatigable encouragement of our college Principal, try to introduce the registered volunteers of NSS to the concept of Niswarth Sewa. The NSS also organizes various student activities like online competitions, outdoor excursions and rallies to boost students' morale.

Eco-Club

Eco-Club of Shivaji College, University of Delhi is a multidimensional, highly active society that runs in co-ordination with the Department of Environment, Govt. of NCT of Delhi. The Eco-Club play an important role in creating environmental awareness amongst the future generation. It is actively engaged in overall in overall environmental education by adopting various environment friendly approaches for conservation and preservation of environment.

To promote the idea of green campus, it advocates and has adopted various measures like installation of solar panels and rain water harvesting system in the college campus. In addition, the club organizes various theme-based events, seminars, and conferences for environmental awareness, and celebrates International/ National Days and finding possible solutions for mitigating various environmental problems of National Capital Region.

Alumni Club

Shivaji College has an active Alumni Club, a platform for the institution to network and collaborate with former faculty and alumni. Alumni members often help the placement cell of the college to connect with various companies. The association plans to introduce new scholarships for meritorious students and conduct interactive programs for all students.

Women's Development Cell

The Women's Development cell of Shivaji College works throughout the year to highlight issues of gender disparity that prevail in every section of society. The aim is to create awareness about these concerns by bringing them to the forefront and openly challenging them to bridge the gap between the empowered male and the disempowered female, and the third gender. While equality, justice and opportunities are ideals of democracies, these are impossible to achieve if half the population is disempowered only on account of its sex. Laws help, but it is important to change the mentalities of the people, so that they make informed choices which favor opportunities for everyone and disabilities for none.

These issues are brought to the forefront by members of the cell, and boys and girls of the college before the Shivaji fraternity through workshops, lectures, seminars and debates. Every year a select number of people, who challenge patriarchy to better their lives and of and of those around them, are felicitated with Jijabai Awards, instituted by Shivaji College.

Alumni Relations Cell

The Alumni Relations Cell of Shivaji college aims to develop a robust network of alumni from various fields and parts of the world. The cell intends to function as as liaison between the current students and the alumni community thereby, facilitating an exchange of resources, opportunities, and extension of mentorship.

Centre for Promotion of Inclusivity

Centre for Promotion of Inclusivity is an idea, a vision, a space for Inclusive society. Students at Shivaji College come from diverse backgrounds and different regions, and they may opt for different disciplinary studies. While curricula in certain disciplinary studies offer the scope for discussing social inequalities based on gender, sexualities, ethnicities, caste/religion, and so on, other studies seldom offer opportunities to discuss such issues due to curricular constraints. This centre, therefore, aims to provide a forum- outside the classroom- for deliberating on ideas and praxis that may promote social inclusion.

Cultural Society

The college has a very vibrant cultural society that provides an opportunity to students to showcase their numerous expressions in arts and aesthetics through its seven societies. The Cultural Society organizes several programs during the academic year such as an Orientation Programs for the smooth induction of freshers in the college. Patriotic and entertaining performances are put together to celebrate Independence Day.

The college in collaboration with SPIC MACAY exposes students to the rich and diverse cultural heritage of the country by organizing performances of classical dance and music. In the annual cultural festival, VIBRATIONS, students from across institutions showcase their talent in

debating, music, fashion, dance, fine arts, photography and theatre in a healthy, competitive environment. The finale unveils a star-night. Auditions for new members are held by each society at the beginning of the academic year. These societies are as follows:

Bizzare

The Fashion Society attracts wide participation from students and stages performances that are the envy of professionals. Fashion is showcased in the context of socially relevant themes which elicit all-round appreciation and applause. Bizarre organises Panache in which many teams compete. It is a highly awarded society in intra and inter university competitive events.

Dictum

The Public Speaking Society provides a unique platform for students to exchange their ideas in parliamentary as well as conventional debating formats both in English and in Hindi. The Society organizes annual competitions such as The Shivaji Bhonsle Debate Competition and Athena.

Both the competitions are extremely popular in the university circuit, receiving a high turnout and an enthusiastic response.

Footloose

The Dance Society provides an excellent platform to those students who have passion and potential for dancing. Footloose organizes its annual event Tanzflache which sees huge participation from across colleges and universities.

Reverb

The Music Society inducts students with a passion for vocal or instrumental music. The Reverb team performs at all important events in the college like Orientation Day, Independence Day, Inspire Science Camp, and Annual day and garners praise all around. The society organizes its annual festival Swaranjali which attracts wide participation from different colleges too. Many students of Reverb have taken up music as their career.

Shutterbugs

The Photography and Film Making Society develops the skills of its members to such an extent that their work wins praise at events across institutions. The society works on advanced post-processing techniques, plans trips across the country and organises interactive sessions with experienced photographers and film makers. Shutterbugs organises Cinedrome in which several competitive events are conducted.

Vayam

The Theatre Society is one of the best groups in the University of Delhi. It is difficult to keep count of their awards. They were judged the best team at Nukkad Natak the best script, direction, music and actor in that event.

On numerous occasions, Vayam has performed at NSD, Prithvi Theatre, Siri Fort Auditorium, Kamani Auditorium. Vayam organises its annual event Udghosh and garners a lot of media attention.

Vibgyor

The Fine Arts Society provides an excellent platform for students with an artistic bent of mind to further explore their talents. Vibgyor participates actively in inter-college festivals of the University of Delhi and has won nearly hundred prizes at various colleges in one academic year. The society organises several competitive events annually.

Entrepreneurship Development Cell

The Entrepreneurship Development Cell (EDC), Shivaji College has the mission of fostering entrepreneurial mindset and promoting job creators among youth. It works towards equipping the students with the required skills and motivation to become entrepreneurs. It conducts activities to provide students a platform to hone their skills, a forum to present their ideas and gives

them an opportunity to interact with entrepreneurs and experts from industry. Business plan competitions are conducted to encourage creative ideas in budding entrepreneurs. Many lectures, workshops, panel discussions with experts as well as inter college competitions are organised to recognize and reward the spirit of entrepreneurship.

TEDx Shivaji College

TED brings ideas - ideas that can transform the world. Technology, entertainment, and design come together in delivering these ideas to a global community. TEDx reflects the mission of its parent platform - "ideas worth spreading." At TEDx events, a screening of TED Talk videos, or a combination of live presenters and TED Talk videos are brought together to inspire new possibilities and actions at the local level. The TEDx event at Shivaji corresponds with the mission of the college - "transform one life, transform the nation." Only a handful of colleges in University of Delhi have conducted TEDx so far.

Departmental Societies

Every department has its own society which provides a competitive platform to students for a stimulated

exchange of knowledge, skills and creative aptitude. The societies organize festivals and other academic events to encourage students to think beyond the curriculum.

DEPARTMENT OF BUSINESS ECONOMICS

B.A. (H) Business Economics is a self-financed course which started in 2005 in College. Since then, it has become one of the most sought courses in the college. Students go through a rigorous admission procedure which includes an entrance test and merit consideration, a seat in this covered course. Besides classroom teaching, the curriculum includes seminars and workshops to ensure effective learning and overall development of students. Successful completion of this course ensures good professional employment opportunities to the students in well-known companies such as JP Morgan, Boston Consulting Group, Mercer, S & Capital IQ, American Express, Royal Bank of Scotland,

AON Hewitt, Egon Zehnder, Protiviti, Genpact, TCS and many more. Students may also opt for postgraduate courses like MBE, M.B.A, M.A. (Economics) and M.Com. in various universities and institutions for higher education.

Faculty Details

1. Ms. Suman Kharbanda, Associate Professor (M.A., M.Phil.)
2. Ms. Urvashi Sahitya, Assistant Professor (M.Phil.)

DEPARTMENT OF ECONOMICS

The Department of Economics aims at upholding the cognitive aspect of education by ensuring academic excellence and intellectual growth of its students. The Department lays prime focus on academics interspersed with co-curricular and extra-curricular activities that brings versatility of its students to the fore and gives them a sound sense of perspective. The academic result of this course has been noteworthy. Besides performing well in examinations every year, a good proportion of the students studying at Shivaji College get admissions at post graduate level in prestigious institutions like Delhi School of Economics, JNU, Gokhale Institute, IIFT Delhi and various reputed business schools. An equally good proportion of students get employment opportunities in companies of high repute such as JP Morgan, Boston Consulting Group, American Express, Genpact, TCS and many more.

Epitome, the Economics society, organizes its Annual Inter-college festival 'Pareto' in every academic session. In this festival, the dynamic students of the department organize various competitive events like case study, group discussion, quiz, paper presentation etc.

During the academic session, Epitome also organises various events like workshops, seminars and lectures by eminent speakers for the benefit of students.

The faculty members of the department participate in various seminars, conferences, workshops and Faculty Development Programmes to keep themselves abreast with the ongoing changes and development. The department provides "P.C.Ganguly Scholarship" on need-cum-merit basis to the students every year.

DEPARTMENT OF GEOGRAPHY

The subject of geography straddles the natural and human realms, acting as a bridge between the natural and social sciences. A student of geography is exposed to a fascinating world - one that stretches far beyond what is easily visible on the surface of the Earth. It extends into the uppermost limits of the atmosphere, and then further into space that lies thereafter, into the deepest oceans and then deeper still into the interior of the Earth. It encompasses the atmosphere, the lithosphere, the hydrosphere, the cryosphere, and the biosphere. Geographers study the processes that operate within each of these spheres and those that link them together to create the intricate balance to make life possible on planet Earth. They also study how this delicate balance is disturbed, creating problems at the local, regional, and global levels. Upon completion of the graduate programme, a student of geography would possess an understanding of how our environment is shaped by

the interaction of natural and human processes, and how problems like ozone depletion, climate change, biodiversity loss, land degradation and disasters result when this interaction is adversely affected by human activity.

Shivaji College is one of the few colleges in the University of Delhi that offers graduate honours and programme courses in geography. The Department of Geography in Shivaji College is more than 38 years old, although the honours course started only in 1988. The Department has a well-equipped cartography laboratory and other infrastructure necessary for conducting theory and practical classes. Apart from the rich store of books on geography in the main library, the Department also maintains its own library to provide reading material to its students. Classroom teaching is reinforced by project work, field trips, and seminars.

DEPARTMENT OF BIOCHEMISTRY

Bachelor's degree in Biochemistry is one of the premium undergraduate courses offered by the University of Delhi. The course curriculum endeavours to train students in the classical art of life sciences to create a knowledge pool of skilled manpower in the field of biological sciences. To ensure a multifaceted development of a student as per NEP 2020, the curriculum includes courses that provide skills in selected specializations in biochemistry, at the same time ensuring sufficient exposure to core concepts that define the subject Biochemistry. During the course, the students not only gain sound theoretical knowledge from highly qualified faculty members, but also hands-on-training through extensive practical work in well-equipped laboratories. The students are also given exposure to the research work going on in the frontiers of science by organizing visits and training in industries and research laboratories, talks by eminent scientists, seminars and workshops.

Under the flagship of the prestigious DBT-Star College Scheme, the department has been constantly organizing various events for the benefit of students, non-teaching staff as well as teaching staff since May 2019. Academic experience of the students of our department is further enhanced in the form of additional and interdisciplinary experiments to help better understanding of concepts, minor projects and summer training programs to gain insight into research work and inspire them to take up future careers in the biological sciences.

The Biochemical Society of the department is a joint enterprise of students and teachers. It organizes talks by eminent scientists in addition to competitive events with the objective of keeping the students abreast of the latest findings, developments and avenues in the field of biological sciences. In addition, the department releases an annual edition of "Biokemi", a scientific magazine in which students publish their articles and acquire the skills of scientific writing, bibliography and checking for plagiarism. Further, the Journal Club of the department helps to enable the students to read, present and discuss exciting research work published in journals of repute and thereby increases their scientific acumen.

Graduates from our department are regularly selected to pursue higher studies including M.Sc. and M.Sc. Ph.D. integrated programmes in prestigious institutes pan India. Our alumni pursue careers in research, scientific writing, teaching as well as in the industry both India and abroad.

DEPARTMENT OF BOTANY

Department of Botany is known for its academic excellence, high calibre faculty, greatly enriching co-curricular activities and extra-curricular activities. Papers offered to the students will cover the contents of Plant Anatomy, Embryology, Plant Systematics, Phycology, Mycology and Cell Biology, Molecular Biology, Plant Physiology/Plant Metabolism, Genetics/Genomics, Plant Biotechnology, Economic Botany and Ecology. Skill Enhancement Courses (SEC) and other elective papers are also offered pertaining to applied and job oriented branches such as Bioinformatics, Biofertilizers, Industrial Microbiology and Intellectual

Property Rights. More options are to be given in UGCF-2023. More research oriented teaching and hand on training will be covered in fifth year of UGCF - 2023. The department boasts of well-equipped labs with the use of latest instruments. Projection facilities are also available in laboratories and class rooms to enhance the student learning by better understanding of the subject. Apart from these state-of-the-art methods involved in teaching, the Department also has an enormous collection of museum and herbarium specimens which facilitate in developing students connect to nature and provide more practical learning of the subject, along

with a library with latest editions of course related books. Department also have botanical pond, botanical garden, herbal garden and vermicomposting unit and bio-composting units. Field trips, study tours, botanical excursions, industrial visits and institutional visits as experiential learning, and students are also promoted to participate in summer internships programmes during vacations which helps in grooming students. Our active Botanical society, Fragrance, with the combined participation of faculty as well as students organizes lectures, workshops, seminars/webinars and symposia by eminent scientists, academicians and researchers, apart from the variety of activities and competitions for the students. The department has also received grants under the DBT Star College Scheme and University of Delhi Innovation Projects Scheme. These have been instrumental in not only understanding the current developments and frontiers of research in the subject discipline but also in developing organizational skills. The Department has also produced many University rank holders and many of our students in the past have pursued careers in higher education from various Institutes of repute in India as well as abroad. Some of our alumni are currently placed in higher positions in many Governmental Organizations/Institutes like Indian Institutes of Science, Education and Research, Indian Agricultural Research Institute, PUSA, Department of

Plant & Molecular Biology, South Campus, University of Delhi; Indian Forest Services etc.

DEPARTMENT OF CHEMISTRY

Chemistry puts you at the heart of science, and Chemistry graduates are in demand by some of the most successful industries in India. Chemistry is often referred to as the 'Central Science' because an understanding of materials at a molecular level underpins research and development from Biology to Solid State Physics.

An outstanding and dedicated faculty and students of the Chemistry Department are among its core strengths. The Department offers a vibrant atmosphere to students and faculty to nurture the spirit of scientific inquiry and to pursue cutting-edge research in a highly encouraging environment. The Department of Chemistry has well equipped laboratories with required chemicals for conducting regular practical classes as well as research activities. These labs are also equipped with instruments like Spectrophotometer, Conductivity meters, pH meters, Flame Photometers, Colorimeter, UV-visible Spectrophotometer, Centrifuge Machines, Digital Balances etc.

A new academic block is ready to meet additional space requirements due to its increased intake and to carry out the cutting edge research activities, effectively. The Alumni of the Chemistry Department have excelled in their chosen professions.

A degree in Chemistry makes you highly employable: not only does it provide you with quantitative and practical skills for scientific and technical roles, but it also develops your transferable skills such as problem solving that are valued by all employers. After graduation, students can get enrolled in PG courses such as M.Sc. in Inorganic, Organic, Physical, Analytical.

Polymer Science, Forensic Science, Material Science, Biotechnology, Nanotechnology etc. There is a need for B.Sc. graduates in the industries across the world.

Western Asian and a few Middle Eastern countries are at the forefront of the demand for B.Sc. graduates. There

are many jobs abroad that need candidates to have a B.Sc. degree, and Indians seem to be fulfilling this need.

Many B.Sc. graduates also get a chance to study in foreign universities through scholarships for higher education.

“Rastantrum” is the Chemical Society of Shivaji College which organizes its annual festival which is a blend of knowledge and fun.

DEPARTMENT OF PHYSICS

The Physics department boasts of inspiring teachers, creative students and equally accomplished alumni. Also the department boasts of well- equipped labs with the latest instruments. In class rooms as well as in laboratories there are Projector facilities to enhance the student learning by better understanding of the subject. In our department most of the faculty members have been involved in many research activities and have to their credits various Research Projects and innovation projects. Our excellent and strongly dedicated faculty always encourage the students to understand the subject in depth with scientific applications as well as excellence in physics teaching and research. Physics department is one of most prestigious department which started first the “Value Added Course” and completed it successfully in this year. The curriculum of B.Sc. (Hons.) Physics offers students the opportunity to acquire a deep insight into conceptual knowledge of fundamental physics. The curriculum ensures that apart from imparting strong theoretical foundation, the students enrolled are provided with fully equipped laboratories so that they can gain knowledge and expertise to perform complicated physics experiments with ease. The main aim is to provide high quality education, producing well-

groomed undergraduates who will be strongly engaged in pushing the frontiers of knowledge in physics and its related disciplines through scholarly activities. The department society INVENIO provides a platform to the students to go beyond curricular academics and explore new horizons by organizing workshops, annual festival and educational trips to research and development institutes of high repute. The society also conducts talks by eminent physicists from diverse fields which inspires and motivates young minds. The department also conducts the immensely prestigious National Graduate Physics Examination (NGPE), a unique exam for highly meritorious physics students conducted by Indian Association of Physics Teachers (IAPT).

DEPARTMENT OF ZOOLOGY

Genesis

The Department of Zoology, Shivaji College, University of Delhi was founded in the year 1961. During the early years of establishment, along with other ancillary subjects, the department was offering pre-medical courses to students. Later on in 1973, under the stewardship of many senior, visionary and legendary faculty member, a full fledged independent department came into existence and thereby offered to teach zoology and allied papers to honours courses, life sciences (programme courses), and subsidiary papers. Ever since the university adopted CBCS (Choice-based credit system), the department is catering to teaching GE (Generic Elective) papers to students from varied departments. Department has always been the source of knowledge and continuously ignited the scientific research temperament amongst the students. The faculty focus on developing diverse skills among students at the same time instilling good values like regularity, punctuality, participation and team spirit.

Papers offered

The teaching of classical zoology papers like Non-chordates, Chordates, Comparative anatomy, evolutionary biology, parasitology and wildlife & ecology goes in coordination and integrated manner with the modern advanced applied discipline papers such as Physiology, Biochemistry, Biotechnology, Genetics, Cell & Molecular Biology. With the motive to endow the students with skills and develop a practical and philosophical approach to zoology department offers them study courses like Research methodology, Sericulture, Apiculture, Medical Diagnostics, Food, nutrition and health, Aquarium and fish keeping etc.

Facilities available

The biggest boon of the Department is its Zoological Museum which displays very rare types of animal specimens, skeletons and skulls for osteology studies. The Department takes pride in its laboratories equipped with state-of-the-art instrumentation facilities. The laboratory of the zoology department is very well equipped with various modern instruments like Gel documentation unit, High-Speed cooling centrifuges, UV spectrophotometer, Laminar flow, BOD incubator, Microtome, Deep freezers, Orbital Shaker, Water Distillation plant etc. along with multimedia projectors.

Growth and diversification

Over the years the department has carved a specialised niche for learning and enlightenment for its students through numerous departmental activities such as outreach and extension learning programs where students visit zoological gardens, national parks, research laboratories and institutions. Under the aegis of IQAC of college and the ongoing DBT star-college scheme department timely organizes invited talks, and skill enhancement workshops for students, other colleges and schoolteachers, and university non-teaching staff. In addition to the offline curricular laboratory and classroom sessions, the department gives the opportunity and a platform to its students to showcase their talent in their respective fields to creativity through the online mode through its society's own Instagram page, Facebook account and youtube channel. The Zoological Society entitled "OYSTER", every year organizes to celebrate its annual carnival, days of zoological significance (world red panda day, rhino day, farm animal day etc.), various competitions viz. Quiz, research-paper reading, poster making, slogan writing and, T-shirt & stone painting).

To encourage research among students, the Department awards Mrs Swarn Kanta Nayyar Scholarship to the first two meritorious students in their penultimate academic year.

Students passed out from the department have been placed at various institutions of national and international repute.

DEPARTMENT OF ENVIRONMENTAL STUDIES

The Department of Environmental Studies happens to be one of the youngest departments of Shivaji College. The Department of Environmental Studies coordinates and teaches the AECC Course on Environmental Studies to all students who are enrolled in other departments of Shivaji College. Environmental Studies is a highly specialised interdisciplinary subject and imparting environmental education therefore require academicians who are trained in the subject. The Department of Environmental Studies comprises faculty who possess such qualifications and are highly qualified in their respective areas of expertise.

The Department of Environmental Studies is well connected with eminent academicians, scholars, and researchers from various disciplines who have contributed significantly to the multidisciplinary field

of Environmental Studies. The Department adopts classroom, field and project-based approach for teaching environmental studies and for ensuring that students develop an overall understanding of the subject. Students are also offered internship opportunities with various environmental organisations which are facilitated by the Department. The Department also facilitates the participation of students in various environment related workshops, conferences and youth summits.

DEPARTMENT OF COMPUTER SCIENCE

The Department of Computer Science has been working diligently in imparting quality education to students. The focus is on holistic learning and empowering students to make significant contributions at all levels.

This year under the New Education Policy, the department is introducing Multidisciplinary Course of Study with Computer Science, under UGCF 2023. The course lays strong foundation in computer science and employ an application-oriented approach in developing problem solving skills in students. The curriculum aims at making students employable and ready to meet the computational needs of the industry.

The Department has three spacious, well-equipped air-conditioned Computer laboratories with around 110 computers which are of the latest configuration, networked to high end Servers in the Server Room. All systems provide access to high end softwares and are Wi-Fi enabled, providing access to Internet which can be extended. The Labs are equipped with LCD projectors to aid the learning process. An online UPS system is used to provide uninterrupted working environment to the students.

Websters is the Computer society of the students started with the aim to foster interest in the world of computers and technology. The Society conducts seminars and workshops to equip students with latest technologies. The annual technical fest 'TECHLONS' is celebrated with great enthusiasm and zeal.

DEPARTMENT OF MATHEMATICS

The Department of Mathematics comprises of highly qualified and dedicated faculty that specialize in diverse areas of mathematics. Apart from putting in constant sincere efforts with the students, variety of educational, scientific and dissemination activities via seminars, workshops, projects, conferences are carried out every year. Faculty members are constantly engaged in research activities/projects and updating themselves on the latest in the subject by participating in various national/international seminars. The department has wellspacious air conditioned mathematics lab equipped with smart board, projector. The lab has around 50 computers with highly advanced softwares like

Mathematica, MATLAB, LaTeX, Statistical software R etc. to meet the requirements of the curriculum. B.Sc. (Hons.) Mathematics Programme aims at developing the ability to think critically, logically and analytically and hence use mathematical reasoning in everyday life. The course provides students with sufficient knowledge and skills that enable them to undertake further studies in mathematics and related disciplines. The scope of Mathematics is very broad and it has a wide range of applications in natural sciences, engineering, economics and social sciences. The curriculum lays a strong foundation in wide range of subjects in pure and applied mathematics such as Calculus, Real & Complex analysis, Abstract Algebra, Differential Equations (including Mathematical Modelling), Number Theory, Graph Theory, Cryptography, Mathematical Finance, Biomathematics, Linear Programming etc. Hand on sessions in Computer Lab using various Computer Algebra Systems (CAS) softwares such as Mathematica,

MATLAB, Maxima, R are integral part of the curriculum to develop deep conceptual understanding of the subjects. The course will help the students to develop ability to prepare for a number of mathematics careers in Education, Research, Computer applications, Banking and insurance, Entrepreneurship, Statistical services, Business and Industry, Government sector etc.

Placement Cell

Shivaji College has a very active placement cell that works round the year to provide internship and employment opportunities to its students. The cell also organizes skill development workshops, seminars and talks that give students ample insight into scenario prevailing in the current job market. Students can register themselves for placements/internships through the link on the college website. The cell also coordinates with the Central Placement Cell of the University of Delhi to ensure that students also have access to placements/internships opportunities provided by companies that visit the University Campus. In various on-campus and off-campus drives in the year 2017-18 year our students were placed in many reputed companies like PWC, Ernst and Young, IBM, Vivo Global, Naukri.com, Genpact, RBS and many others.

The Placement Cell encourages students to take up internships during the summer break as it gives them the industry exposure and makes them ready for placements. The Cell organized an internship fair in the College which provided ample opportunities to students.

Enabling Unit

The Shivaji College Enabling Unit makes every possible effort to make the college friendly for all Persons with Disability. The unit organizes programmes and regular meetings in the college to bring out and enhance the talent of these students and solve their problems. The facilities provided to disabled students are as follows :

- Separate rooms for Enabling Unit students.
- Separate facilities of computers, scanners, printers and internet.
- Laptops with Wi-Fi connections.
- Exemption from paying annual and examination fees. Only a nominal fee is charged.
- Braille books and CDs on various subjects are available in the college library.
- An i-pod, a tape recorder and photocopy facility have also been provided.
- Special washrooms for all male and female disabled students.
- Ramps have also been constructed at strategic locations in the college building.

A counsellor has been enlisted by the college to help students.
