About the Seminar

Intellectual Property Rights is an important issue nowadays and the idea of hosting such a seminar in the college is to bring awareness and methodical insights among young scholars, scientists and entrepreneurs. This seminar will provide a brief introduction about the concepts of patent and patenting processes, trademark and industrial designs, conventions and biodiversity issues which will help in registration of inventions. In the present era of composing, writing and publishing whether it is music, research or literature, copyright and plagiarism awareness is the basis of novelty.

The seminar on intellectual property rights is organised by Shivaji College under the aegis of DBT Star College Scheme. This seminar will give a platform to young entrepreneurs and scholars to understand and discuss the difficulties in legal aspects of IPR.

Theme of the Seminar

- ❖ *Copyright issues in the digital domain*
- ❖ *Impact of IPR on access to medicine*
- ❖ *International treaties on IPR*
- ❖ *Is patenting good or bad for general public?*
- ❖ *Enforcement of IPR*

About The College

Shivaji College is a premiere institution in West Delhi, accredited with 'A' grade by NAAC. It is a constituent college of University of Delhi and functions under the trusteeship of Government of Delhi. It was established in 1961 by Hon'ble Dr Punjab Rao Deshmukh, Union minister for Agriculture and a renowned social activist and farmer leader. The College aims at excellence in academics, research, extra curricular and extension activities. Shivaji college has come a long way from its humble beginning and moderate facilities to a campus equipped with impressive amenities.
