*Let us Pledge - Say No To Fire Crackers
To Maintain Clean Air & Healthy Environment*

Observe Eco-Friendly Deepawali: Say No To Fire Crackers

APPEAL

Dear All,

Accept the greetings on the occasion of 'Deepawali' a festival of knowledge/enlightenment. **As an environment conscious being 'Let us not convert the festival of lights into a festival of smoke'. To keep Delhi clean, free of air and noise pollution** associate yourself with '**SAY NO TO FIRE CRACKERS**' Campaign as an **ECO-WARRIOR** . Take the responsibility to educate the individuals, family members and society as a whole (RWAs etc) by spreading the awareness and sensitize them regarding the negative aspects of crackers.

Fire crackers spoil our environment by causing noise and air pollution by emitting smoke, fine toxic dust and chemicals that adversely affects not only human health but also flora and fauna. In fact, air pollutants leads to aggravation of respiratory diseases, injury to the eyes and other parts of the body; noise causes impairment of hearing capacity, insomnia, hypertension, palpitation etc. among human beings. Crackers also causes death of birds, and distress to the animals including pets, and Owl and Night Jar etc.

Today, We Take Pledge to 'Say No to Fire Crackers' to maintain Clean Air & Healthy Environment in Delhi and motivate others to Observe Green Deepawali.
