NOTIFICATION

Covid-19 has forced universities across the world to transit from physical learning to online learning methods. In its attempt to continue with the learning process Shivaji College has successfully registered for the **Coursera Campus Response Initiative**. **Coursera** started this global effort to assist universities and colleges to deliver courseware online.

The program provides

- Access 3,800 courses and 400 Specializations from leading universities and companies
- Free licenses for enrolled students at impacted organization
- Learners may enroll in courses till July 31, 2020
- Learners can complete courses through September 30, 2020

These courses are available at no cost. One can choose from content covering business, technology, health care, data science, arts and humanities and many more **The students, faculty and staff members who are interested in doing any of the online courses will be required to fill in the google form.**

Link for the form- <https://forms.gle/7G4svEnH2i9HX6SP8>

An invitation mail will be sent out, inviting interested learners to join the Coursera courses. The link for filling up the form will be available till 28th July 2020.

Please encourage your students for active registration to pursue these online courses and circulate the attached notification in your respective classes.

Coursera Learner Guide

A decorative graphic on the right side of the page. It features a series of overlapping arrows pointing upwards and to the right. The arrows are in various colors: yellow, pink, dark blue, light blue, and red. A large, light blue arrow is in the foreground, partially overlapping the others. Behind it, a red arrow, a dark blue arrow, a pink arrow, and a yellow arrow are visible. A pattern of small blue dots is scattered across the lower half of the page, primarily concentrated around the arrows.

Setting up your Coursera account

Create your account

After you've joined your program, you'll be redirected to a **Welcome to Coursera** page where you will have 2 options for account setup.

- A) If you **don't have** an existing Coursera account, select **I'm a new Coursera user**
- B) If you **do have** an existing Coursera account click the 2nd option **I'm an existing Coursera user**. On the next page you'll enter your Coursera password to join the program.

If you've gone past this step and need help merging a pre-existing Coursera account, you can go to the Learner Help Center and start a chat with a Coursera Support agent for assistance.

Enrolling in a Course

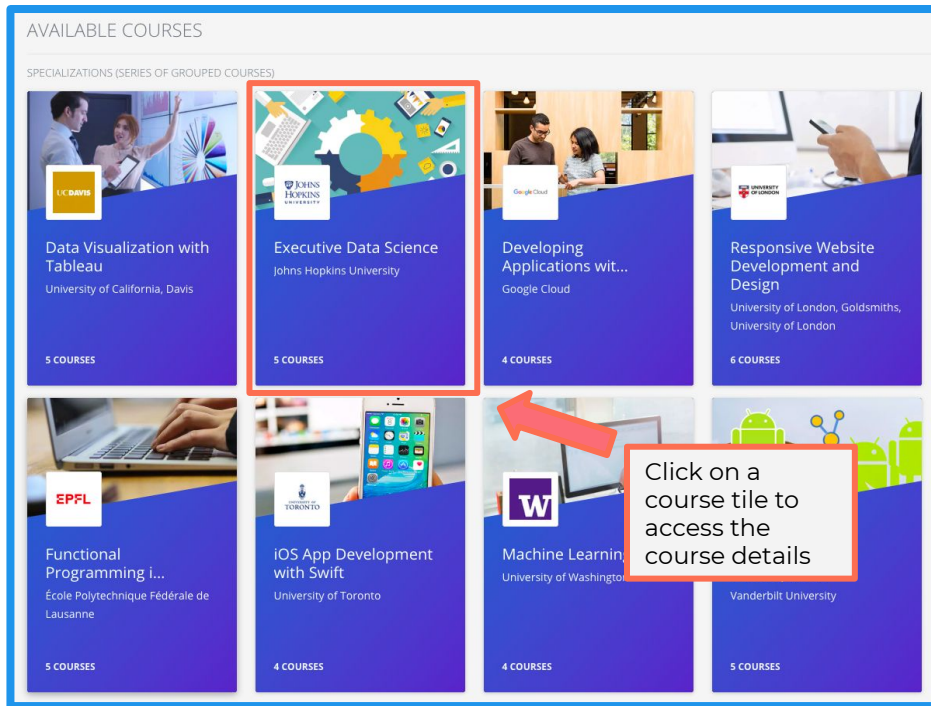

Choose your course

After you create a new Coursera account or log in with an existing Coursera account, you'll be taken to the program home page.

Click on the **Catalog** tab to browse the courses curated for your program. Once you have a chosen a course that interests you, click on the course tile to access the course details.

Start your course

On the course details page, click on **Enroll for Free**. Follow steps on screen to start learning.

Each course has a very detailed description to help you better choose the course that fits you.

The description includes:

- ✓ Skills that you will gain
- ✓ Level
- ✓ Workload
- ✓ Rating

Finding video segments with Coursera's interactive & searchable transcript

The full transcript of each video can be clicked and jump to the corresponding point in the video. Search the transcript if you're looking for a particular lesson concept.

The screenshot shows the Coursera video player interface for the course "Introduction to Structured Query Language (SQL)". The video title is "Welcome to the Course". The video player shows a man speaking, with a progress bar at 0:09 / 3:10. Below the video player, there is a transcript section. The transcript is titled "Welcome to the Course" and contains the following text: "Welcome to SQL and databases. Now, this course is very different from the previous course. We're not going to write any HTML, we're not going to write any PHP, we're not going to write any CSS, and we're not even going to write any JavaScript." The transcript is interactive, with a search bar and a list of timestamps. Callouts A-E point to specific features: A points to the transcript text, B points to the search bar, C points to the "Download" button, D points to the "Help Us Translate" button, and E points to the "Notes" section on the right.

Access and share certificates of completion

You can access your certificates of completion under the **Accomplishments** tab in the **My Coursera** page.

To access the **My Coursera** page click on the arrow on the upper left-hand corner on your Coursera home page. In the dropdown menu click on **My Coursera**.

Next, click on the **Accomplishments** tab in the left-hand menu.

Once here, you will be able to share the course certificate directly to LinkedIn.

The diagram illustrates the steps to access and share certificates of completion on Coursera. It starts with the Coursera home page, where the user clicks the 'My Coursera' link in the top navigation bar. This leads to the 'My Coursera' page, where the user clicks the 'Accomplishments' tab in the left-hand menu. This leads to the 'Name Verification' section, where the user can verify their name and request a name change. The 'Name Verification' section also includes a 'Request Name Change' button. Below this, there is a section for 'Liked these courses? Say thanks to your instructors!' with a list of courses, including 'AI For Everyone'. The 'My Courses' section below that shows a course card for 'AI For Everyone' by 'deeplearning.ai' with a 'Grade Achieved: 94.5%' and an 'Add to LinkedIn' button.
