University of Delhi
Raja Garden, Ring Road, New Delhi - 110027

Dated: June 16, 2020

<u>NOTIFICATION</u>

COVID -19 has impacted everyone of us across the globe. The sudden lockdown forced the majority of us to stay at home and continue with working, learning, and teaching remotely.

Shivaji College in line with its commitment towards learning and empowering each of its member with in-demand online courses taught by leading universities worldwide has registered with edX for their 'edX Remote Access Program' in association with All India Council for Technical Education. This programme provides the students, faculty and staff members access to online courses for free.

EdX is a non-profit organisation created by founding partners Harvard and MIT that offers interactive online courses from top-ranking institutes of the world in subjects including law, history, science, engineering, business, social sciences, computer science, public health, and artificial intelligence (AI).

The College has received Digital enrolment codes from edX for the online courses. The redemption of codes will help in accessing the online courses at free of cost. **(edX online available course catalogue as attached here).**

The students, faculty and staff members who are interested in doing any of the online courses will be required to register for the enrolment codes. **They will have to submit a registration form (google form link as attached separately for students, faculty and staff members) with required information on or before 21st June 2020. The College will assign the enrolment code to the learner's email id by 23rd June 2020 through automated mail. The redemption of codes for the courses shall expire on 30th June 2020 (*course start date may be after June 30, 2020).** Please note that each code can only be used to enrol in one online course, and cannot be reused, even if the learner drops out or leave the course. **The learner's guide for how to redeem enrolment code is attached here.**
