

The Placement Cell, Shivaji College in the tenure 2019-2020 strived to achieve the set standards and successfully conducted various events for the students.

The kickstart was provided by the informative orientation organised on 28th August 2019. The cell didn't take much time to settle and initiated the process on 9 September 2019 when EY conducted its on-campus placement drive. It was followed by Career Marshall providing internship opportunities on 17 Sept. From October to March, various companies like Apex, Genpact and FIS Global visited the campus and provided placement opportunities to final year students. During the same time companies like Career2Success, Apple India (Channel Play), VQMS visited the campus with exciting internships.

The cell was able to conduct many off campus drives as well. To provide numerous offers, the cell left no stone unturned and collaborated with other colleges and approached company office to conduct interviews in the company. Companies like Tresvista, Cvent, IGIA, TravClan, Posist Technologies Pvt. Ltd., Designoweb Technologies Pvt. Ltd., Lido, DK Business Patron Pvt. Ltd., Okaya Infocom Pvt. Ltd. and Wipro HR Service Pvt. Ltd. were a part of such initiative for the final year students.

The list does not end here. Connecting Korporates, Decathlon, Chegg, Triage, Asha Akanksha Foundation, SMC Insurance, The Financial Doctors, Pooja Bhatia Classes, Sukudo Studios, Quantsedge Advisory, Airtel, The Tarzan Way, 3Dexter, Counsel India, Finladder, Growup Group, Peacock Solar, Urban Clap, Techugo, Fit India Trust, Rancho Labs, Sparrow, Millionsclicks.com and The Sarjas invited students for in office interviews and provided choicest of internship opportunities.

Even the lockdown period could not stop the working of the cell and companies like Indian Institute Of Sustainable Development (IISD), New Delhi, EMGE Group, Glevy Service India, TDG, The Money Roller, CashKaro, UAS International, NutrioBox, Vardhan Consulting Engineers, Pathshala, Paytm and Hike Education conducted call and skype interviews and hired students for work from home internship and job opportunities.

Along with providing students with opportunities, the cell also worked hard to prepare students grab the best offers. Various seminars on topics like Civil Services, Experimental Audit by Thinking Bridge, Legal Awareness by DSLSA & WDLSA, Resume writing by CV Owl and Communication skills and Business etiquettes by Endeavor were held to support students with the required knowledge. A two day workshop by Ms. Renuka Vohra was also conducted on 30th and 31st August 2019 to provide an insight of corporate interviews to students. On 11th May 2020 the cell wrapped up its session for 2019-2020 with a webinar on Digital Marketing.

Also the Cell organised the Internship and Job Fair on 4th of March wherein more than 35 companies, namely Sharekhan, Evelyn Learning, GMR Aviation, KVCH, Koozies Ice Creams, Asha Akanksha

Foundation, Investosure, Datsme and many more visited our campus to conduct interviews of around 450 students.

The cell is ready to take the legacy forward and take initiatives for the betterment of the Placement Cell.
