

Components and Activities of WDC, Shivaji College

The College Counsellor: Dr. Kushal Kaushik

College students are at a crucial stage of their lives and commonly find it difficult to share their personal/psychological problems with their parents, teachers or peer group. At this stage, the role of a counsellor is indispensable for support, building confidence and also advising them towards corrective change in behaviour/thinking.

- The College Counsellor is appointed for students of the college who visits the campus for two hours twice a week. Normally she attends to 3-4 students in a day.
- The counsellor instils trust in the students, builds a rapport, finds out their problems and gives suggestions to them. Most of the students who have consulted with the Shivaji College Counsellor remain in touch on the phone even after their college term is over.
- Such counselling is also an excellent source of support for students experiencing depression, anxiety and other mental health issues.
- In addition to the above, the counsellor conducts other productive activities such as preparing questionnaires for personality test and stress test.

Complaints Committee Against Sexual Harassment of Women at Workplace (Academic Session 2019-20).

Report on WDC events 2015-2019

The Women's Development Cell (WDC) of the College aims to create a world free of gender discrimination, sensitize students towards gender parity, inculcate within them the awareness of women's empowerment and encourage participation of NGOs working in the area of women's development in the activities of the cell. It makes significant efforts throughout the year to promote awareness of gender equality and women's issues by organizing national /international conferences, seminars, interactive sessions, debates, self-defence workshops and street plays.

Irrespective of their gender, there are selfless men and women who work towards providing opportunities for all. Shivaji College celebrates the lives of those men and women who challenge patriarchy and exploitation to pave the way for an equitable society. Such members of the society are felicitated with the Jijabai Awards and their struggles and journeys are showcased in the coffee table book, the annual publication of the WDC.

The table below contains a list of initiatives that were taken up by WDC in the past 5 sessions.
