THE WESTERN DANCE SOCIETY  
SHIVAJI COLLEGE**

**FOOTLOOSE** - The Western Dance Society of Shivaji College brings together individuals who share a passion for dancing.

Serving as a centre for instruction, rehearsals and performances in a variety of Western dance forms. Footloose also participates in the FEST season at several institutions in Delhi.

TANZMANIA, our annual group dance competition organized on the first day of Vibrations, Annual Fest of Shivaji College, is still one of our key events.

Footloose operates as a close-knit family, encouraging happiness and aspirations among its members while they work together to achieve excellence.

We engage in exercises that increase our strength, stamina, isolation, fundamentals, flexibility etc. Hip hop is our key highlight, we hire a choreographer every year, conduct workshops taken by our seniors and work towards production that is showcased in various events.
