

Session on awareness about Placement and Internship Opportunities

August 24, 2024

The Placement and Internship Cell (PIC) of Shivaji College conducted a session on awareness about Placement and Internship Opportunities program for second and third-year students on 24th August 2024 at 11 am in Jijabai Auditorium to provide insights into the cell's functions and the opportunities it offers. The program commenced with the introduction of PIC and its various teams and activities.

The convenor of the PIC, Dr. Vanitha Chadha, took the stage and addressed the gathering, emphasising the significance of internships in professional development. She highlighted the workshops and initiatives organised by the cell to equip students with the necessary skills for a successful career.

The President of the student council PIC, Pulkit Garg, followed and outlined the cell's ambitious plans for the year. They also announced the incentives and support that the cell would be providing to students. The Vice President, Lakshay Nahar, shared the college's past achievements and accomplishments, inspiring the students with the institution's success stories. The secretary of the PIC, Punya Chadha, provided students with essential guidelines and information to ensure a smooth interaction with the cell. The heads of each team within the PIC then took the stage, introducing their respective roles and responsibilities. They motivated students to join their teams and contribute to the cell's activities.

The program concluded with an interactive question-and-answer session, allowing students to clarify their doubts and gain a better understanding of the PIC's workings. The orientation proved to be a valuable experience for the students, providing them with essential information and inspiring them to actively engage with the cell.

SECRET OF SUCCESS

October 16, 2024

The Placement and Internship Cell of Shivaji College organized an engaging seminar on the "Secret of Success" featuring Mr. Nishchal Gaba, on October 16, 2024 at 11 AM. The primary objective of the seminar was to explore the often overlooked yet powerful forces that shape true success: Emotional Quotient (EQ), Intelligence Quotient (IQ), Physical Quotient (PQ), and Spiritual Quotient (SQ).

The workshop was led by the speaker, Mr. Nishchal Gaba, a distinguished speaker with an impressive background. His expertise in blending technology with business acumen made him an ideal speaker to discuss the holistic aspects of success. Through his experience, he demonstrated how critical emotional, intellectual, physical, and spiritual factors are in personal and professional achievement.

Mr. Gaba initiated the session by asking thought-provoking questions and engaging students in interactive activities. The audience was captivated by Mr. Gaba's real-world examples and anecdotes, which showcased how mastering these quotients can lead to both personal fulfillment and professional excellence. Throughout the seminar, Mr. Gaba involved the audience by asking questions and providing immediate feedback. He praised students who answered correctly, fostering a positive and encouraging learning environment.

The image is a composite of two parts. On the left is a poster for the seminar. The poster is titled 'SECRET OF SUCCESS' and is organized by the 'PLACEMENT AND INTERNSHIP CELL' of 'SHIVAJI COLLEGE, UNIVERSITY OF DELHI'. It features a circular portrait of Mr. Nishchal Gaba, who is the speaker. The poster lists his credentials, including being a co-founder of Prodigal AI and a National AI award winner. It also lists the date as 16th October, 2024, the time as 11 am onwards, and the venue as Jijabai Auditorium (First floor). The convener, Dr. Vanitha Chadha, president, Pulkit Garg, and principal, Prof. Virender Bhardwaj, are also mentioned. On the right is a photograph of the seminar in progress, showing Mr. Gaba presenting to the audience. A GPS map camera overlay is visible in the bottom right corner of the photograph, showing the location in New Delhi, India.

CAREER OPPORTUNITIES IN AVCG

January 31, 2025

The Placement and Internship Cell of Shivaji College organized an enlightening seminar on "Career Opportunities with AVCG" in collaboration with Arena Animation on January 31, 2025. Held at Jijabai First Floor, the session aimed to introduce students to the vibrant and evolving fields of Animation, Visual Effects (VFX), Gaming, and Graphic Designing. The seminar provided a platform for students to gain valuable insights into these creative industries and explore potential career paths. The session featured a live animation demonstration that captivated the audience and showcased the practical applications of animation technology. Experts from Arena Animation guided students through the creative process, highlighting the skills and tools used in the industry. This hands-on approach helped bridge the gap between

theoretical knowledge and real-world application, making the session both engaging and informative.

In addition to the live demonstration, the seminar included an interactive discussion where students actively participated by asking questions and sharing their perspectives. AVCG Animation professionals shared detailed insights into various AVCG career paths, including industry trends, required skill sets, and the growing demand for creative professionals in the digital media landscape. The session empowered students to visualize their future in the AVCG sector with more clarity.

One of the key highlights of the event was the hands-on workshop, where students had the opportunity to experience the basics of animation and graphic design under the mentorship of industry professionals. This segment allowed students to try their hand at creative tools and techniques, fostering curiosity and enthusiasm for the field. The workshop not only built awareness but also sparked interest in further exploration of AVCG careers.
